

John Finney High School

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Contact Information

School Name	John Finney High School
Street	1347 Amador Street
City, State, Zip	Vallejo, CA, 94590

2024-25 District Contact Information

District Name	Vallejo City Unified School District
Phone Number	(707) 556-8921
Superintendent	Ruben Aurelio
Email Address	raurelio@vcusd.org
District Website	vcusd.org

2024-25 School Description and Mission Statement

John W. Finney High School provides a safe foundation that empowers students to be open-minded, reflective, responsible citizens who demonstrate self-confidence when facing challenges. Our school goals and outcomes are aligned with those of the district. The Vallejo City Unified School District's Portrait of a Graduate outlines the qualities we believe students should have by the time they graduate. Students will be able to communicate effectively, think critically, be skillful collaborators, adapt to change and contribute to the community they live in.

Our staff cultivates a love of learning through an engaging, challenging and culturally relevant curriculum. We prepare students to pursue fulfilling postsecondary goals that meet the social, political and economic realities of their communities. Ideally, our students will internalize a desire to enthusiastically transform themselves and their world.

Our school goals are aligned with those of the district and the comprehensive high schools to implement strategies that will increase the graduation rate. We have worked with the district and comprehensive high school staff to identify students who are deficient in credits for on-time graduation. This will ensure that all students will have the opportunity to realize their goals for postsecondary and/or higher education.

2024-25 School Description and Mission Statement

John Finney has worked to provide students with credit recovery, improved graduation rates, and build collaborative relationships with the two comprehensive high schools, the families and parents of our community, and the community as a whole.

John Finney has on campus or participates with:

- Mental Health Support Provider, Wellness Center and Academic Support Provider
- HBCU College Fair
- FAFSA seminar for students wanting to apply
- Student Support Hour as an Academic Intervention
- Graduation Ceremony
- Decline in suspension rates
- Higher attendance
- Edgenuity On-line learning- all of our electives use this format
- Western Association of Schools and Colleges Accreditation renewed 2024

John W. Finney High School believes in caring and respectful relationships among students and adults that provides and supports academic challenges, lifelong learning, employment development, reflection and social consciousness. The administration, teachers and staff have established an intimate and supportive learning environment that serves students who have developed serious academic credit deficiencies and are in danger of not earning a high school diploma. Through smaller class sizes and an experienced staff, students at John W. Finney High School are provided with the personal attention and support necessary to recover credit and reach graduation. Both parents and students receive frequent feedback on academic progress through progress reports, report cards and status updates from the counselor, the principal and other school support staff. In addition, John W. Finney High School uses the assistance of a School Psychologist, Mental Health Support, Academic Support Provider and other support staff to assist students in identifying and working through their personal and academic challenges.

We continue to partner with universities as well as utilize our Wellness Center, which is supported by the Solano County Education Office.

John W. Finney High School is an opportunity for transformation and success.

About this School

2023-24 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2023-24 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
---------------	-----------------------------

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Local Assignment Options			
Total Out-of-Field Teachers			

Class Assignments

Indicator	2020-21	2021-22	2022-23
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)			
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)			

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks are from the most recent adoption. There are sufficient textbooks and instructional materials for each student. Supplemental materials are utilized to support student interventions and are outlined in the School Plan for Student Achievement. All textbooks are selected from the most recent list of standards-based materials by the State Board of Education (SBE). 100% of students have their own assigned textbook and instructional materials.

Year and month in which the data were collected	October 2024
--	--------------

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin Harcourt California Collections/2017	Yes	0

History-Social Science	Houghton Mifflin Harcourt Modern World History /2019 Houghton Mifflin Harcourt American History /2019 Houghton Mifflin Harcourt U.S. Government /2019 Houghton Mifflin Harcourt Hall Economics /2019	Yes	0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

The district's goal is to provide safe school facilities which support teaching and learning. The following are done regularly to ensure that school buildings are clean, safe and functional: all classroom facilities, eating areas and restrooms are cleaned based on standards established by the District. There is an automated work order system supported by a triage system for problems which occur that need immediate attention and resolution for example, broken heater, inoperable rest rooms, and vandalism which impairs a facility from operating in a functional way. The Head Custodian performs an early morning inspection to identify problems and report them.

The school was built in the early 1940s as an elementary school to meet the needs of the military buildup in Vallejo due to WWII. The elementary school was closed in the early 1970s and was reopened as John Finney High School. The round multi-purpose building was built in the late 1970s for extra classrooms and a place for students to eat lunch and assemble. The school was remodeled in the summer of 2003. It was brought up to contemporary standards with heating, air conditioning, internet access, fluorescent lighting, white boards, and storage units in every classroom. The bathrooms were modernized. During the 2008-2009 school year, a weight room was added to enhance the physical education program. In 2009, a mural was painted of Mr. Mim's, an English Teacher, who also served as teacher in charge over the course of his career at John Finney High School.

John Finney started a Green Project during the 2009-2010 school year with the intent of offering students an opportunity to learn about agriculture. John Finney added a raised bed garden to grow vegetables and herbs, as well as, flowers and shrubs, to beautify the campus. However, due to lack of interest or staff buy-in, the project has since been abandoned.

Currently, John Finney is has a computer lab to offer our students access to current technology that will provide them an opportunity to earn credits toward graduation on Cyber High.

John Finney is a small campus built around an open quad with a feeling of a rural setting within the city of Vallejo. Due to its design, it instills a safe, enclosed environment. The staff and students take pride in their school, keeping it clean and graffiti free.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
English Language Arts/Literacy (grades 3-8 and 11)						
Mathematics (grades 3-8 and 11)						

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Foster Youth					
Homeless					
Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
Science (grades 5, 8 and high school)						

2023-24 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

2023-24 Career Technical Education Programs

John Finney Continuation High School does not currently offer any CTE classes.

2023-24 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2023-24 Pupils Enrolled in Courses Required for UC/CSU Admission	
2022-23 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	--	--	--	--	--

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Our parents are valued partners and advocates for the success of our students and school programs. Parents have several opportunities to become involved at school. We encourage parents to take an active role in Parent-Teacher Organizations, School Site Council, DLAC, and Design/Leadership Team. We also invite parents to volunteer their time by providing assistance in classrooms, in our offices, and on our campus.

This year, John Finney High School has managed all of the parent outreach through either Zoom, Parent Square, and Google Meets and in Person meetings. This has allowed us to continue offering our Parent/Student Orientations and other engagement opportunities virtually as well as in person and may actually have increased levels of parent engagement.

Please contact the school at (707) 556-8670 for information regarding organized opportunities for parental involvement.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)									
Indicator	School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
Dropout Rate

2024-25 School Safety Plan

We ensure safety through training, clear expectations and procedures, and practice. Students at John Finney High School enjoy a safe and orderly campus. We have three full-time Site Safety Supervisors who assist the Principal, Vice Principal and the Office Manager in maintaining a secure campus. We have several video surveillance cameras monitoring the site and its perimeter. Although we could use several more cameras, we have currently upgraded the cameras allowing for better picture quality and web based access. Site safety supervisors have all been trained in the use of video surveillance. Teachers have a duty free lunch, so the Principal and Vice Principal do provide additional supervision during lunch time. The fact that John Finney High is a small, closed campus allows staff to easily monitor students and visitors. The Principal, Vice Principal, Office Manager, Site Safety Supervisors and Attendance Clerk all carry walkie-talkies to help communicate from all locations of the campus. Each classroom is equipped with a detailed safety plan, fire escape maps and directions and telephones for communication. School Safety at John Finney High School is paramount and necessary for an enriched learning environment; heavy emphasis is placed on providing as safe of an environment as possible. We have updated our communication/ intercom system, both in classrooms and for the outside areas of the campus.

Principal, teachers and staff monitor the grounds and supervise students before classes begin and at dismissal time. Loitering is prohibited off campus and in front of school during school hours. Students have to be in supervised areas at all times. Students enter and exit through one gate entry in front of school only. This gate is monitored by Site Safety Supervisor at all times. Site Safety Supervisors are strategically placed in areas to maximize visibility and supervision.

All visitors are required to sign in at the Main Office upon arrival and issued a visitor's badge. Upon departure, visitors are required to sign out and return their visitors badge..

We revise our School Safety Plan annually. It was updated in August 2024. It includes procedures for emergencies, locations of

2024-25 School Safety Plan

exit routes, and inventory of emergency supplies and is available in the school office. We share the plan with all staff members. We will conduct staff professional development on certain elements of the plan. Students will learn about elements through advisory periods and Positive Behavior Intervention Support (PBIS). There are clear expectations set and taught weekly through PBIS. Our School Safety Plan is reviewed and/or revised on a yearly basis. Our staff members meet on several occasions to review, discuss and modify the School Safety Plan throughout the school year. The principal requires every student to attend an in-depth orientation, where the students and their parent/guardian are provided information about the school and the students are made aware of their expectations prior to starting at John Finney High School. During orientation, the families are given a packet that includes the following documents: Registration paperwork, a Student Emergency Card, the Student Parent Handbook, a detailed map of the school with Emergency Evacuation plans, and an outline of the student Behavior and Attendance expectations.

We have several emergency evacuation drills throughout the year, which include but are not limited to fire drills, earthquake drills, and

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2021-22 Elementary Average Class Size and Class Size Distribution				
This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.				
Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

2022-23 Elementary Average Class Size and Class Size Distribution				
This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.				
Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

2023-24 Elementary Average Class Size and Class Size Distribution				
This table displays the 2023-24 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.				
Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts

2023-24 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2023-24 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The "Other" category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	12374	1079	11295	121781
District	N/A	N/A	12426	79189
Percent Difference - School Site and District	N/A	N/A	-9.5	44.8
State	N/A	N/A	7607	95160
Percent Difference - School Site and State	N/A	N/A	39.0	32.9

Fiscal Year 2023-24 Types of Services Funded

Outside of the general fund used to pay for the basic needs of the school and expenditure per pupil, John Finney High School utilizes limited funding to support the program generally. They are directly linked to the improvement of student achievement and technology. The monies to be used for 2024-2025 school year are from special-purpose programs for the general budget and the LCAP.

The following programs and supplemental services will be paid for using the funds stated above:

- CSI Intervention Specialist
- Technology
- Textbooks and curriculum
- Instructional Support and Materials
- Outside supplemental educational support
- Unallocated: Staff Professional Development and conferences

Special education materials for Special Day and Resource Specialist Program class (federal funds)

Fiscal Year 2023-24 Types of Services Funded

Percent of Students in AP Courses	
-----------------------------------	--

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered	

Where there are student course enrollments of at least one student.

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Professional Development is generally done weekly during Wednesday Professional Learning Community (PLC) Meetings. Usually these meetings are 90 minutes long. There is a team of District Wide Teacher Leaders for Secondary Education (CORE) that support each of the high schools, and John Finney High School is included in the work they are doing. The PD offered for the last three years has included training on the NWEA reading and math assessments and Edgenuity as well as many different workshops facilitated by CORE, language and math consultants. These Professional Development opportunities have covered high leverage instructional strategies centered around student engagement, literacy and math strategies. In addition, for 2024-2025 school year, John Finney High School has been working with a consultant firm as a part of the CSI Improvement agenda.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	28	30	45
