Joseph H. Wardlaw Elementary School
2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.

- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.

- For additional information about the school, parents/guardians and community members should contact the school principal or the district office. |
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.

Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

Wardlaw School has a culture of caring and mutual respect among students, staff and families, at the same time as we maintain high academic and behavioral standards. Every child is safe and accepted. As students said, "You feel a part of a family." A beautiful school/park site campus, Wardlaw is used year-round by our neighbors. We also have a wonderful school community—about 700 students, 28 teachers, support staff, and lots of active and involved parent volunteers.

Wardlaw Elementary School provides students with a challenging, rigorous and motivating educational program, tied to the Common Core Standards. We have high expectations for all students to:
- be involved and enthusiastic about learning
- master essential skills and reach his/her full potential
- respect and appreciate cultural differences
- be successful and develop self-esteem
- develop responsibility and the ability to work cooperatively
- have a life-long commitment to learning and become a productive member of the community

Wardlaw uses every resource to enhance the educational experience here. We work in collaborative groups at each grade

level to provide support to all students—those with intensive educational needs, as well as supporting enrichment, extra practice, and English learning for students as needed. We work to study and understand the data about students so that we can help our students succeed at the highest levels. Teachers at Wardlaw pride themselves on knowing their students and on helping them and their families set goals and raise achievement.

We have a focus on writing and all students participate in rigorous experiences as authors and technical writers on a regular basis. We also have a strong focus on structured student talk to ensure that our future leaders have a voice in all areas of their life. In addition to our academic focus, Wardlaw encourages the development of the whole child through physical activity! We have a proactive stance about teaching students to cooperate, be responsible, and be active. Staff teaches students to play and monitor a variety of sports and games. Active, healthy students achieve and our students are shining examples of that ! Wardlaw is a great place to go to school!

Major Achievements – Most Recent Year
Our school consistently out-performs the district and county averages on state assessments. Wardlaw meets or exceeds the achievement of most elementary schools in Napa, Benicia, Fairfield, and Vacaville as well. We take great pride in the success of all of our students. This year, we are focusing on literacy for all students, but especially our students in grade K-3. We are embracing our CORE literacy program and are working hard to make everyone at Wardlaw a reader. This has been a difficult transition but, as always, our Wardlaw family has set high expectations for all and puts in hard work to meet those expectations.

Focus for Improvement – Most Recent Year
As a large school, we always strive to ensure that no student "falls through the cracks". We continue to put systems in place that allow us to track the individual progress of each student to make sure we provide what they need to do their best. Our areas for instructional focus this year are reading complex text closely, answering depth if knowledge questions at a level 2 or 3 daily, math problem solving, and structured student talk. We work diligently to support all of our teachers, especially those new to the profession, so that all students benefit from a high quality and engaging learning experience.

Homework – Most Recent Year
At Wardlaw we focus on data driven, research based approaches to learning and student success. Over the last 60 years, there has been a large body of research conducted regarding student achievement and homework. None of this research has shown any benefit for elementary students in completing traditional homework. We ask instead that our families focus on daily reading, physical activities, having their children get enough rest, and eating dinner together as a family--all practices that are proven to have a positive impact on student learning, achievement, and growth.

School Schedule – Most Recent Year
 Our TK/Kindergarten students attend daily from 8:30-12:30(1:30 after Thanksgiving break), our 1st-3rd students from 8:30-2:40, and 4th -6th from 8:30-3:00. All grades dismiss at 1:30 on Wednesdays, which is a minimum day for teacher preparation and professional development.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks are from the most recent adoption. There are sufficient textbooks and instructional materials for each student. Supplemental materials are utilized to support student interventions and are outlined in the School Plan for Student Achievement. All textbooks are selected from the most recent list of standards-based materials by the State Board of Education (SBE). 100% of students have their own assigned textbook and instructional materials.

School Facility Conditions and Planned Improvements

Wardlaw School is over 28 years old. It is designed as a School-Park site in partnership with the Greater Vallejo Recreation District. Our District Maintenance and Facilities Department works to keep everything in working order and maintain our park-like landscape. Our staff, students, parents and community take pride in contributing to a beautiful and clean campus. Classrooms and restrooms are cleaned every night. A few years ago we had a lunch pavilion installed behind our multi-purpose room and have collaborated with Safe Routes to School to install a new lighted crosswalk. We continue deferred maintenance support for new tile floors and painting for some of our relocatable rooms. In addition to the technology updates we are making, we continue to work on fencing to increase the security of our campus, as well as, collaborate with the city to improve our surrounding streets. This past year, our campus had many upgrades as a result of the Bond funds approved by our community.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results.   The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Our parents are valued partners and advocates for the success of our students and school programs. Parents have several opportunities to become involved at school. We encourage parents to take an active role in partnering with their children's' teachers, School Site Council, English Learners Advisory Council, and Design/Leadership Team.

Please contact the school at (707) 556-8730 for information regarding organized opportunities for parental involvement.

2024-25 School Safety Plan

Safety is the first of our 3 Big Rules: Be Safe, Be Respectful, and Be Responsible. This rule is emphasized in every aspect of our work at Wardlaw Elementary. All TK/Kindergarten through 6th grade teachers and all support staff stress safety on the playground, in classrooms, in the lunchroom, in the parking lot, as well as to and from school. Our school climate curriculum, which is taught in every class, emphasizes safe behavior. We teach students about bullying and hold all children accountable for their behavior—everyone should feel safe at school. There is adult supervision of children before and after school, at recess and at lunch. We have focused on building relationships and community, as well as teaching and reteaching of all campus rules and procedures.

At this time our campus continues to be a closed campus during the school day, open to students and staff only in order to keep everyone safe and secure. Parents are able to walk their student to their classroom before leaving for the day and can make appointments to meet with school staff as needed. We will be holding scheduled events for families throughout the year including Back to School Night, Holiday parades, Parent/Teacher Conferences, Lunches on the Lawn, Family Nights, and Coffee/Pastries with the Principal/VP, and a Family Dance at the end of the year.

All Vallejo Schools have comprehensive safety plans which are approved by the Governing Board. The plan was most recently reviewed and updated in October 2024 by our School Site Council and Design Teams. Each classroom has an emergency backpack containing essential emergency supplies. We also participated in a district wide emergency preparedness program with several staff trained in emergency response. We drill emergency procedures monthly and provide feedback and support to students and staff.

Fiscal Year 2023-24 Types of Services Funded

Wardlaw School has received about $130,000 in LCAP funds. We also received about $86,000 in Federal Title One funds. These funds are used for support personnel, before and after school programs for students, parent involvement, enrichment activities, student incentives, and professional development for teachers. Our Teacher Leader primarily coaches and supports our teaching staff, works with our volunteer groups and does some direct support to students through assessment and small group work.

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.
All teachers are provided with professional development for an average of one hour per week. During the 2024-2025 school year, teachers will participate in professional development on the following topics: Reading and writing grade level text, problem solving in math, CORE literacy focused on 6 step explicit instruction, student talk, and small group instruction. We looked at our data--and collected pre and post data about the work we were doing in writing and math. We've also incorporated

Professional Development

Social Emotional Learning monthly themes and Schoolwide positivity practices. This year we will focus intensely on reading instruction and student support.

Evaluation/Improving Teachers – Most Recent Year
Teachers are evaluated, once they receive tenure, every other year, through a collaborative process between teacher and administrator. The emphasis is on growing and always learning as a professional.

Substitute Teachers – Most Recent Year
The District provides qualified substitute teachers.
