2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Solano Widenmann Leadership Academy is a TK-8 school. Each new school year brings opportunities for academic growth and growth in all areas of development. Our goal is to support students to be knowledgeable, healthy, engaged, responsible, and caring people by the time they graduate by implementing the following:

The Leader in Me provides our school with the vision and language to lead the school in a way that addresses all areas of development. As each child discovers and develops his/her unique gifts and talents, they are given opportunities to lead. As leaders they (1) become active and engaged partners in their own education; (2) exhibit growth in self-confidence, responsibility, and initiative. The children quickly understand the benefits of different gifts and talents; they learn to listen to new ideas, work together to achieve results, and motivate one another to be the best.

Positive Attendance allows scholars the ability to listen, learn and lead every minute of the day. Absences are limited to illness and appointments with an excuse note.

Academic Proficiency is achieved when every minute of instruction is used towards success and every student has the ability to work toward their potential.

2024-25 School Description and Mission Statement

Positive Behavior works in unison with Leader in Me, Positive Attendance and Academic Proficiency. Staff and students are expected to model, learn and grow from the 7 Habits, Mindfulness, Positive Behavior Intervention and Support (PBIS) Strategies, and Restorative Practices.

At SWLA We...

Dream Big, Set Goals, Take Action

We set academic and personal goals leading to highly effective people.

Our Vision is to have Solano Widenmann leaders working toward becoming Leaders of Tomorrow.

We Value the 7 Habits leading to an increase in student self-confidence, teamwork, initiative, responsibility, creativity, leadership, communication and diversity awareness.

Our Goal is to increase academic performance and improve school culture including positive attendance and behavior, staff engagement and parent involvement.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)

Teachers Without Credentials and Misassignments ("ineffective" under ESSA)						
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)						
Unknown/Incomplete/NA						
Total Teaching Positions						

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks are from the most recent adoption. There are sufficient textbooks and instructional materials for each student. Supplemental materials are utilized to support student interventions and are outlined in the School Plan for Student Achievement. All textbooks are selected from the most recent list of standards-based materials by the State Board of Education (SBE). 100% of students have their own assigned textbook and instructional materials. Every student also has access on-line via 1:1 Chromebooks in the classroom.

School Facility Conditions and Planned Improvements

Due to the passage of the 1997 local school bond, Measure A, Solano Widenmann Leadership Academy received modernization which consisted of renovation or replacement of heating, ventilation, air-conditioning and electric systems. Renovation included repairing or replacing roofs and exterior doors and windows, addressing plumbing and dry rot problems, installing new floor finishes, providing new paint, upgrading handicap access; and providing technology pathways and cabling infrastructures to all classrooms and learning facilities.

All teachers have been given a COW (Computer on Wheels) that holds 36 laptops. Also, each teacher has been given a 70 inch presentation station and /or a Promethium Board to support student achievement. Teachers have access LCD projectors and document readers to support student instruction in the classroom.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

The positive relationship between the school, families and the community is imperative to the growth of our students. We see our parents as valued partners and advocates for the success of our students and school programs. We encourage parents to take an active role in our stakeholder groups such as Parent-Teacher Organization, School Site Council, English Learners Advisory Council, and Design/Leadership Team. All parents that will be working directly with our students, will need to be fingerprinted and TB tested. To date, we are encouraging our parents to become employees by applying for open positions on our site and in our district.

Please contact the school at (707) 556-8600 for information regarding organized opportunities for parental involvement.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

2024-25 School Safety Plan

Safety of all students and staff is one of our highest priorities at Solano Widenmann Leadership Academy. We ensure student safety through our school wide student management plan which provides due process leading to appropriate results for all parties involved. We have continued the implementation of our district-wide Positive Behavior Interventions and Supports (PBIS) plan which addresses the behavior needs of our students in a positive, proactive framework. We have also added the Leader in Me process which identifies our school culture as important to supporting student academic success and student wellness as a whole.

SWLA is a closed campus unless a parent / guardian has an appointment with a teacher or staff member and / or for school-wide events. When coming onto the campus, everyone must go directly to the Main Office to identify their purpose for being on the campus. After the appointment / meeting is verified, the visitor is escorted onto the campus by VCUSD staff.

The Comprehensive School Safety Plan (updated in October 2024) addresses crisis management and emergency procedures for fires, earthquakes, intruders, major health crises, etc. We train students and staff to adequately respond to these situations, holding required drills with staff and students. Every classroom has an emergency packet that includes all the pertinent information necessary for all types of emergencies.

Fiscal Year 2023-24 Types of Services Funded

Solano Widenmann has expended resources received from the Local Control Accountability Plan funds to monitor academic progress of students. These funds provided internal coaches and teacher professional development that support student learning. The English Language Advisory Council approved English Language Acquisition Program expenditures for supplies, materials, and technology, as well as opportunities for collaboration and professional development to support our English Language Learners. Supplemental funds were used to provide substitute teachers for teacher-release time to focus on professional development, coaching and review of assessment data. These funds also provided for intervention programs for students who need additional support in ELA and Math.

We are able to offer enrichment opportunities for our students that include computer technology, science-based projects .

Our After School Education and Safety Program provided funding for student tutoring and additional enrichment classes.

We offer the Leader in Me to all students and staff through training and application.

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period. All teachers are provided with professional development for 1.5 hours per week. During the 2022-2023 school year, teachers participated in professional development on the following topics:

PBIS
Common Core

Professional Development

Project-based Learning
Best Instructional Practices
ELD/SPED Support
Trauma Informed Care
Reading and Interpreting Student's Data
Social/Emotional Learning

In 2022-2023, we have added the Leader in Me .

Professional development is delivered during collaborative staff/department meetings, grade level meetings, district and off-site workshops and coaching. They require a process of learning, application and reflection. All learning is supported by feedback through dsitric and site admin/peer walkthroughs, teacher meetings, formal and informal discussions and data reporting.

In 2-23-2024, all staff particpate in weekly Leader in Me collaboration / training for at least 1hour . Staff and students in grades K-8 particpate in collaborative Leader in Me learning Monday, Tuesday, Thursday and Friday during 3rd period.
