

Updated Cycle 3 Primary Student Activities V2

Group/Activity	Description	Max Size	Day	Location
PreK-K2 EY After School Program Monday	<p>Our After School Programme offers students an opportunity to explore their interests and participate in a range of engaging experiences including construction, outdoor and indoor games, and arts. The After School Programme will be run by our Early Years teachers and teaching assistants. Children registered in the After School Programme will choose what they would like to do each afternoon they attend. Parents do not need to sign up for individual activities.</p> <p>Children participating in the After School Programme will be supervised between 3 p.m. – 3.15 p.m. while they eat a snack (brought from home). Children must be collected at 4.15 pm from the Early Years' Center or they will be accompanied to the Centre to meet the bus ayi.</p>	25	Mon	Early Years
G1-3 Making Homemade Snacks	Every week we will make healthy desserts. We will talk about why some foods are healthier than others. We will have fun making desserts.	10	Mon	EY Kitchen
G2-5 Cross Stitch	Cross-stitching is a type of needlework where you can create pictures and designs. It's a great activity for students because it helps develop their hand-eye coordination, attention to detail, and patience. It's also a calming activity that can improve focus and concentration.	6	Mon	D228
G3-5 Crochet and Knitting Club	Come and Join Crochet and Knitting Class. We will learn basic of it and will try to create different and interesting yarn creations. This activity will improve hand-eye coordination and will be great fun.	10	Mon	C105
G3-5 Origami	Origami is the Japanese art of paper folding, transforming a single sheet into intricate designs without cutting or gluing. It combines creativity and precision, symbolizing patience and artistry.	8	Mon	C140
G3-5 The Unity Singers Semester 2	<p>Children will develop singing skills, harmony, rhythm, and musical understanding through enjoyable rehearsals and performances. Joining the choir is a commitment and children are expected to attend regularly. Students who are truly interested in being a part of a choir that cultivates friendship and teamwork should register.</p> <p>This year the Unity Choir will be a semester-long activity. It will start on February 10th and finish on June 6th.</p>	40	Mon	M252
G4-5 Debate Club	Students will have the opportunity to develop their own opinions and try to persuade their peers to agree with them. Through the activity, they will build their confidence speaking in front of others while providing their own thoughts and values.	10	Mon	C125

K1-G5 AI Football Academy	<p>This is a fee-paying activity. 8 sessions for 1360 RMB.</p> <p>At AIFA Football Academy, we train our young athletes to excel in various football situations. Through drills like 1 vs 2, 2 vs 3, and 1 vs 1, we teach them how to adapt, make strategic decisions, and utilize their individual skills effectively. We also emphasize teamwork and cooperation through exercises like 2 vs 2 and 3 vs 3. By incorporating these different scenarios into our training program, we provide a well-rounded and enjoyable experience for your children, helping them develop both technical skills and a deeper understanding of the game. Thank you for choosing AIFA Football Academy for your child's football journey.</p>	30	Tue	Soccer Field 1
K1-G5 Skateboarding	<p>This is a fee-paying activity. 8 sessions for 1360 RMB.</p> <p>Join the fun! Try skateboarding and learn awesome tricks while building balance and confidence. Whether you're a beginner or have some skills, skateboarding is a great way to make new friends and enjoy the outdoors. Don't forget your skateboard, helmet and pads—let's roll and have an amazing time together!</p>	12	Tue	Courtyard
G1-2 Arts and Craft	<p>Join us for an exciting student activity adventure where creativity knows no bounds. Perfect for students who love to express themselves through art. This is a wonderful opportunity to explore new techniques and have fun with friends!</p>	10	Tue	Design Centre
G1-2 STEAM	<p>Come join our STEAM activity to develop your DIY ability through science, technology, engineering, art and math education.</p>	10	Tue	D228
G2-3 Chess	<p>This class is for beginners only. In the lessons, we will get to know each chess piece, learn how they move, and cover the basic rules of chess. For students who are already familiar with these rules, please look forward to the next cycle of activities. Chess helps children improve critical thinking, enhance memory, and develop patience. Plus, it's a fun and challenging game!</p>	8	Tue	EY Kitchen
G3-5 Floor Hockey	<p>Floor hockey is a fun and fast-paced game where you use a stick to hit a puck or ball into the other team's goal. It's like ice hockey, but played indoors on the gym floor, and it helps you build teamwork and stay active!</p>	14	Tue	Green Gym 1
PreK-K2 EY After School Program Wednesday	<p>Our After School Programme offers students an opportunity to explore their interests and participate in a range of engaging experiences including construction, outdoor and indoor games, and arts.
