

Junction Avenue TK-8 School

Athletic Registration

2024-2025

Athletics is an integral part of the development of students in Middle School. It is the Mission of the Livermore Valley Joint Unified School District Athletic Department to inspire each student to extraordinary achievement every day. We provide a comprehensive athletic program that emphasizes the development of lifelong learning, values and skills through hard work, sportsmanship, ethical conduct, and fair play.

During each season of sport, the school's athletic department may ask for donations to contribute to the expenses of uniforms, equipment, and officials. While any donation is appreciated, the suggested donation amount is \$100 per sport. The California Constitution's free school guarantee prohibits charging students any fee, charge, or deposit for extracurricular, credit, or non-credit activities that are part of the District's or school site's educational program. Though many programs request parent/guardian donations, which are permissible, these donations are not mandatory. Donations should be made through the school's webstore found on the school's website or in person. Donations are not refunded. All donations will be made to the General Athletics Account. Donations in any amount are very much appreciated and will be equitably distributed to athletic teams in compliance with Title IX.
