Science Fair/Box of Light

Ang Cindric is willing to jump in and pilot or co-pilot. Mrs. Yost reached out to her, and they will work together to put it together. Dr. Reinard will assist. Will be held Monday, March 3, 2025.

Box of Light is available and can do 2 performances for \$775.00. He will do his Zap Electricity presentation. Recommending that Box of Light be held a month in advance to launch Science Fair and to get the kids excited. Avoid last week of February due to CDTs. Looking at end of January or beginning of February. Monday, 2/10 would be a great day. Backup date could be Tuesday, 2/11. Information will go home on 2/11 in the Tuesday Folders.

Dash and Dine

March 12, 2025 from 4pm-8pm Chipotle has approved. Flyer needs to go home.

Need to follow up with Burger King. We should forget this and try Quaker Steak and Lube.

Still need to connect with Wendy's.

Need to try Taco Bell.

Bason's coffee day.

Crest Haven Fundraiser

-3 different options, listed in order of success per Scott, owner

1. Whoopie Pie and Tandy Cake Fundraiser

-we buy for \$1.50; he recommends we sell them for \$2.50

-typically, people sell between 1200 and 2000 whoopie pies

-suggests we sell for 2-3 weeks and then he needs 2 weeks to get them ready. He will deliver to us on a Friday morning.

2. Hoagie Card

- we buy for \$6.00; he recommends we sell them for \$8.00
- the cards have no expiration date, and they are good at both stores.
- DPS did this fundraiser in the fall, and he said they sold more than most.

3. Freeze Dried Candy

- this is still fairly new
- we buy for \$7.00 a bag; he recommends we sell them for \$9.00 a bag
- again need 2-3 weeks and then he needs 2 weeks to get them ready and he will deliver them on a Friday morning.

****Before we move on Freeze Dried candy with Crest Haven, we need to check with Java Mama because they have provided lots of donations.**

Treasurer's Report

Not much to report because we have not spent or brought in any money since last month.

Insurance was purchased; still waiting on official certification.

Two things we need to do to keep coverage and if we ever submit a claim. 1. Yearly financial review. 2. Someone who is not a signer on the account needs to sign off on a bank statement monthly. Brenna will sign off on that when Kelly sends her the statement monthly.

January meeting will be on 1/22 at 6pm
