Welcome to Xello Family for Parent/Guardian

Welcome to the Xello Family! We are excited to partner with you in supporting your child's journey toward future success. Xello is an engaging, online program that helps students build the skills, knowledge, and plans they need to navigate their academic and career pathways.

What is Xello?
Xello is an innovative platform designed to empower students in Grades K-12 to explore their interests, develop self-awareness, and create meaningful academic and career goals. Through interactive lessons, self-assessment tools, and real-world career exploration, Xello equips students with the tools they need to make informed decisions about their futures.

How Can You Support Your Child with Xello?
As a parent or guardian, you play an essential role in guiding your child's educational and career choices. Xello provides you with a unique opportunity to stay involved in your child's planning process. You will have access to a parent/guardian account, where you can:

- Explore career options with your child.
- Review and discuss their interests, strengths, and goals.
- Support their course planning and post-secondary decisions.

What Can You Expect?
Throughout the school year, your child will engage with Xello in the classroom, working on assignments and activities that help them gain deeper insights into their personal interests and future aspirations. You can expect to see your child exploring career clusters, researching colleges, building résumés, and setting both short and long-term goals.

Get Started!
We encourage you to take an active role in your child's journey. Log into Xello with your parent/guardian account and explore the resources available to help guide conversations about their academic and career plans. We're confident that Xello will be a valuable tool in helping your child achieve success both in school and beyond.

The Xello Family account is an exciting feature that allows you to collaborate with your child in planning and preparing for life after high school. This is an opportunity to discuss, brainstorm, and support their future goals and aspirations.

<u>**Your Xello Family Account**</u>

A. **Log in to Your Account**

When your child's school or district has created a Xello Family account for you, you'll receive an email. The email will include a link to activate your account within 7 days of receiving it. All you will need to do to get started is create a password.
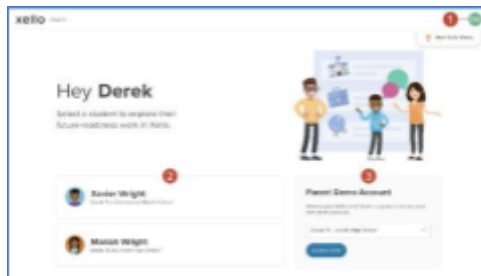

> **Note**: If you haven't received the activation email, it may have been redirected to your spam folder. Make sure to remove "xello.world" from your email spam settings to receive this and future messages from Xello.

If you forget your password:

1. Visit https://login.xello.world
2. Click **Having trouble signing in?**
3. Enter your email address and click **Send Email**.
4. You'll receive an email to reset your Xello Family password.If you don't have a Xello Family account, ask your child's teacher to create one for you

B. **Get Around Your Account**

The dashboard is the first page you'll see when you log in. From here, you can manage your personal account, check out your child's work, and access the demo account.

1. **Manage your personal account**
   o Customize your personal account. Access your profile menu in the top right corner of any page. Upload a profile image, add a mobile number, or change the language.
2. **View your child's work**
   o Check out the work your child has completed. Click on their name to begin. If you have more than one child using Xello, they'll each have their own profile that you can review.
3. **Try Xello yourself**
   o Select a grade and start exploring. Use this opportunity to experience firsthand what your child is working on in school. Try a Lesson, complete an assessment, or explore careers!
