Meeting	Jan 8, 2025 - Board Organization & Public Meeting

Pursuant to Board Policy 0164, Roberts' Rules of Order shall govern the Board of Education in its deliberations and in the conduct of its meetings. As such, all comments from the public and from other members of the Board should be directed to the Board President who is responsible for presiding over the meeting.

Public comments can be made at 7:00 p.m.

The President shall direct all inquiries or comments to the appropriate Administrator or Board member for response, as appropriate. The law requires a period of public comment at our meetings, not a question or answer session or debate. The board president at his discretion may or may not feel it is appropriate to answer questions raised during the public comment period. The board and administration do take all public comments seriously and consider them when conducting business.

The President may interrupt, warn, or terminate a participant's statement when the statement is too lengthy, abusive or obscene. In addition, Security Personnel may direct any individual to leave the meeting when that person does not observe reasonable decorum, whether the person is at the microphone or at any other place in the meeting room. New Jersey law makes it a crime for any person to intentionally disrupt a public meeting. Law enforcement will be contacted if a person disrupts the meeting and fails to desist after being directed to do so.

Finally, we ask that you silence all electronic devices.

RESOLVED, the Board of Education hereby adopts the following Code of Ethics as per N.J.S.A 18A:12-21 *et seq.* and Policy 0142.

The members of the Board of Education recognize that they hold authority not as individuals but as members of the Board. In order to make a clear public statement of its philosophy of service to the pupils of the district, the Board adopts this Code of Ethics:

- a. I will uphold and enforce all laws, rules and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes shall be brought about only through legal and ethical procedures.

- c. I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
- d. I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
- e. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
- f. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
- g. I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. In all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its school.
- h. I will vote to appoint the best qualified personnel available after consideration of the recommendation of the chief administrative officer.
- i. I will support and protect school personnel in proper performance of their duties.

j. I will refer all complaints to the chief administrative officer and will act on the complaints at public meetings only after failure of an administrative solution; and
