

Culinary Arts

(Dual Enrollment)

NGTC's Culinary Arts Prep Cook Certificate prepares students for the demands of a career in a professional kitchen. The program emphasizes technical and theoretical knowledge combined with practical application of cooking, serving, and managing food.

Year 1:

- Culinary Safety & Sanitation
- Fundamentals of Culinary Arts

Year 2:

- Principles of Cooking
- Foundations of Cooking Principles

Work Based Learning is available to Juniors and Seniors that have completed a CTAE Pathway and/or who are enrolled in a CTAE course and are working toward pathway completion.

CTAE Student Organizations:

Future Business Leaders of America

The mission of *FBLA* is to bring business and education together in a positive working relationship through innovative leadership and career development programs.

Future Farmers of America

FFA makes a positive difference in the lives of young people by developing their potential for premier leadership, personal growth, and career success through agricultural education.

HOSA—Future Health Professionals

The mission is to empower *HOSA—Future Health Professionals* to become leaders in the global health community through education, collaboration, and experience.

Technology Students Association

The mission of Georgia *TSA* is to prepare its members to be successful leaders and responsible citizens in a technological society through co-curricular activities within the technology education program.

National Technical Honor Society

NTHS is an honor society dedicated to recognizing excellence in career, technical, agricultural education.

CTAE PATHWAYS

2024-2025

Agriscience Systems

- Basic Ag Science
- Animal Science*
- Plant Science*

Agricultural Mechanics Systems

- Basic Ag Science
- Ag Mechanics I
- Ag Mechanics II

Agricultural Mechanics/Metal Fabrication

- Basic Ag Science
- Ag Mechanics I
- Ag Metals and Fabrication

Food Animal Systems

- Basic Ag Science
- Animal Science*
- Ag Animal Production

Animal/Mechanical Systems

- Basic Ag Science
- Ag Mechanics I
- Ag Animal Production

**High School Science Credits*

Veterinary Science

(new pathway)

- **Basic Ag Science**
- **Animal Science***
- **Veterinary Science**

Plant/Mechanical Systems

- Basic Ag Science
- Ag Mechanics I
- Plant Science*

Audio/Video Technology & Film I & II

- Audio Video Technology & Film I
- Audio Video Technology & Film II
- Audio Video Technology & Film III/Broadcast Video Production

Business & Technology

- Intro. Business & Technology
- Business & Technology
- Business Communications

Business Accounting

- Intro. Business & Technology
- Financial Literacy
- Principles of Accounting

Game Design

(new pathway)
