

Odessa High Indoor Fundraising Project

The Odessa High Broncos are looking to raise money to purchase an indoor facility/weight room that will greatly help our OHS programs. There are multiple ways to donate: visit the OHS Fieldhouse and speak with Ms. Dawson or Coach Hartman, scan one of the QR codes below to donate through Paypal or Venmo, or visit City Bank (donate to OHS Indoor account).

Donations of \$500 or more will receive a brick with their name that will be a part of the weight room area. Donations over \$5,000 or more will also have their names on an elite donation plaque to be hung in the building.

****Please share this information with businesses around town to get this project done!!!**

THANK YOU BRONCHO NATION!!!

Please fill in google form after donation.
