

Texarkana Independent School District
Dunbar Early Education Center
2024-2025 Campus Improvement Plan

Accountability Rating: F

Vision

Dunbar will be the most innovative Pre-K in the Ark-La-Tex!!!

Core Beliefs

At Dunbar Early Education Center, we believe that every child possesses the innate ability to learn and grow. Through a rich, hands-on environment, we nurture their curiosity, creativity, and critical thinking skills, fostering a lifelong love for learning. We recognize and celebrate the unique talents and potential of each student, ensuring that they thrive academically, socially, and emotionally.

Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

Dunbar Early Education Center serves a diverse and economically challenged student population. The key demographics are as follows:

Total Enrollment for the 2023-24 school year was 304 students, 18.09% economically disadvantaged, 84.54% African American, 4.28% White, 3.62% Hispanic, and 5.29% Two or More. A percentage of 39.80% of its students are at risk, with a Special Education population of 10.20%. The 2023-24 school year attendance average was 89.59%, falling short of the district and campus attendance goal of 94%. Dunbar Early Education Center is a Title One campus, with 81% of students qualifying for free and reduced lunch.

Dunbar EEC is committed to aligning with the TISD North Star Goal: By the 2026-27 school year, at least 75% of TISD students will attend an A or B-rated school, with no D or F-rated campuses. The faculty and staff at Dunbar recognize this goal begins with our PreK students. To meet the district goal, Dunbar teachers, administrators, and staff will implement rigorous programs, continuous teacher training, and data-driven instructional practices to improve overall school performance and ratings. The campus goal for 2024-25: By the end of the 2024-25 school year, 75% of all students and student groups will meet or exceed the Pre-K Guideline Indicators using Circle/CLI Assessment. CLI engage is the assessment tool used for PreK. The CLI Engage scores for the 2023-24 school year showed a slight decrease in rapid vocabulary from 49% (BOY), 75% (MOY) with a decrease to 71% (EOY). Phonological Awareness scores showed an increase from BOY (67%) and MOY (67%), with a slight decrease of 1% at EOY (66%). Math scores were average from the beginning of the year 76% (BOY), 80% (MOY), with a 1% increase at 81%(EOY).

Work must be done to ensure our students progress and retain what is being taught. The goal for 2024-25 is to dive deeply into the Heggery and Frog Street resources and continue small-group instruction. With the Dunbar campus preparing to transition to the new campus in the fall of 2025, a cohort group of six teachers will begin the school year in a rotation that fosters hands-on, experienced-based learning centered around teaching academics through themes. Every two weeks, one additional teacher will be added to the rotation to allow each teacher to experience the rotation with curriculum-based learning (similar to current practice) centered around real-life themes to enhance optimal student learning. The 2024-25 campus master schedule shows increased teacher planning/collaborative time, with 20 additional minutes added to address the concerns. Response to Intervention (RTI) time will continue daily with teachers, instructional aids, and the academic interventionist. Transition time in the hallways will be devoted to instruction as teachers lead students in counting, alphabet songs, nursery rhymes, and other educational activities. The Dunbar administration has taken measures to ensure increased classroom monitoring by using a mobile desk on wheels that can be situated in the hallways for teacher and student accessibility and more frequent classroom monitoring and observations.

The attendance average is 89.95 %, below the desired 94% benchmark for optimal student engagement and learning. Dunbar EEC will implement strategies to improve attendance rates, such as attendance incentives, parent engagement programs, and regular attendance monitoring. 39.80% of students are identified as at-risk, necessitating additional academic support. Dunbar EEC will develop targeted intervention programs (small group, RTI, etc) to support at-risk students, ensuring they meet educational standards and progress. In addition, 10.20% of students receive special education services. Dunbar will continue providing adequate resources, training, and support for exceptional education staff to implement individualized education plans (IEPs) effectively.

There is a high percentage of economically disadvantaged families with potential barriers to engagement. Dunbar will increase community and parent involvement through regular communication, make-and-take sessions, and events. We will utilize social media, Google Classroom, and the school marquee to keep families informed and engaged.

Dunbar will continue implementing the district and campus initiatives of Leader in Me, Kagan Cooperative Learning Strategies, and Solutions Tree (PLC). Three additional Kagan Coaches were added to ensure teacher support for effective student engagement strategies. Campus coaches, consisting of teachers and administrators, will utilize a shared "Student Engagement Coaching Calendar" to create a schedule for coaching teachers. Coaches will look for certain particulars during their classroom visits.

In addition, expectations for the use and performance of the IXL program require frequent monitoring and tracking of student progress weekly. Each student is required to be monitored in reading and math two times per week, for 20 minutes each. There are teacher, campus-level, and district leadership expectations to monitor and track student's progress.

Teacher engagement in the IXL program is 75% or higher, with a district and campus average of 30 questions per student per week. Students are expected to spend an average of 20 minutes per subject per week.

Lastly, Dunbar is a Title One campus, highlighting the need for equitable resource distribution. Dunbar EEC Title One fund will effectively support educational programs, resources, and professional development to improve student outcomes.

Demographics

Demographics Summary

Dunbar Early Education Center, partnered with Head Start, served 304 students during the 2023-24 school year, with 257 (84.54%) African American students, 13 (4.28%) white, and 11 (3.62%) Hispanic-Latino, and 6% identifying as two or more. With an enrollment of nearly 7,654 students during the 2024-25 school year, Texarkana ISD is proud of its diverse population of students. 41.8% of the student body comprises African Americans, 49.4% - Hispanic-Latino, 31.4% - White, and 6% - two or more races, American Indian, Asian, and Pacific Islander. 56.9% of the students come from economically disadvantaged homes, and 8.7% are Emergent Bilingual.

The diversity of our district-wide teaching staff does not match the diversity of our students. During 2021-22, 44.7% of our students were African American, while 2020-21 data show approximately 16% of teachers across TISD are African American. White teachers comprise the largest group of teachers in TISD, at 75%. Only 6.7% of TISD teachers identified as Hispanic, an underrepresentation of our Hispanic student population. Although the Dunbar teaching staff is 45% African American and mirrors the district-wide student population of 44.7%, it still does not mirror the African-American student population at Dunbar at 80.2%.

The current enrollment capacity is 320 students, totaling 19 sections. Texarkana ISD currently employs 22 teachers to serve our students, including three special education teachers, 22 instructional aides, one library aide, and three STEAM instructional aides. We have one Principal and one Interventionist. The staff includes one Administrative Assistant, Receptionist, health aide, custodial staff, and child nutrition staff. Texarkana ISD offers students many opportunities throughout the district, beginning at Dunbar with STEAM opportunities. A strategic planning initiative has produced the need to provide a state-of-the-art learning environment for the students of Dunbar. Imagine 2026 Long Range Planning Committee involved 39 community members from across the district, including parents, community and business leaders, representatives from civic organizations, and elected officials. The impact for our students with the addition of the new Dunbar learning facility will provide the district with space to double enrollment to ensure that all students are provided with the highest quality learning environment in their most formative years.

Demographics Strengths

Paul Laurence Dunbar's strength is being in partnership with Texarkana Head Start. This allows us to serve approximately 75 additional students. We can provide early education services to students from a low socioeconomic background. We can provide a structured academic program and setting that will better prepare them for their future.

Frog Street Curriculum for three and four-year-olds in which we embed Conscious Discipline and Leader in Me strategies. Our new STEAM Program will help us empower our students to be curious learners who seek creative solutions to real-world problems. Our students have a diverse activity schedule, which includes Culinary, Art, Science Lab, Media, and Physical Education.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Student diversity is limited at Dunbar Early Education Center. **Root Cause:** Due to the school's location and low socioeconomic population served, our diversity is limited.

Problem Statement 2: Consistent parental involvement is a struggle. **Root Cause:** Due to the parents' work schedule, lack of transportation, and unreliable contact information, consistent parental involvement is a struggle.

Problem Statement 3: Learning gaps are more prevalent in low socioeconomic students. **Root Cause:** The inconsistent school years limited instructional contact days with students.

Student Learning

Student Learning Summary

Student achievement at Paul Laurence Dunbar EEC will be measured against the ten skill domains outlined by the State of Texas Pre-Kindergarten Guidelines. Using the Frog Street Press Pre-Kindergarten curriculum will provide us with a viable curriculum to address the 10 domains of Pre-Kindergarten readiness: Social and Emotional Development, Language and Communication Development, Emergent Literacy Reading, Emergent Literacy Writing, Mathematics, Sciences, Social Studies, Fine Arts, Physical Development and Technology. Students will be assessed three times a year (Beginning, Middle, and End) using the CLI Engage Assessment tools. Paul Laurence Dunbar EEC will aim towards a Reading Target Goal of 80% and a Math Target Goal of 80%, with at least 75% of our students mastering both goals.

Student Learning Strengths

The strengths of Paul Laurence Dunbar EEC include innovative learning through implementing a STEAM curriculum, scheduled daily WIN Time, after the beginning of the year testing with the interventionist pushing into classrooms to conduct additional pull-out sessions with small groups of students.

In addition, Paul Laurence Dunbar will continue implementing the Leader in Me program campus-wide to promote staff and student leadership, engage the students in setting and reaching goals, and support participation in service-learning opportunities.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: 78% of students showed mastery of the pre-kindergarten literacy component - rapid vocabulary **Root Cause:** Due to the timed format of testing, student achievement in literacy is a struggle.

Problem Statement 2: By the end of the 2023-24 school year, 66% of students showed mastery of the pre-kindergarten phonological awareness components. **Root Cause:** Due to phonological awareness being a difficult concept for early learners and a lack of reinforcement at home, mastery of phonological awareness components is a struggle.

Problem Statement 3: Some students struggle with academic content due to social and emotional development. **Root Cause:** Depending on a student's birthday, some three-year-olds are functioning as two-year-old when they enter Pre-K in August.

School Processes & Programs

School Processes & Programs Summary

To continue to increase learning and ensure targeted instruction, new and current staff will continue training to ensure and/or sustain the correct implementation of the Frog Street resource guide, intentional coaching work as needed with the academic interventionist, and continuing education through Professional Development sessions via the district. Stephanie Gow(LIM), the Solutions Tree Coach (Cristi Parsons) and the Prek district coordinator are devoted to the students and go above and beyond the criteria listed in their job description. Dunbar is participating in the district-wide Kagan Cooperative Learning initiative to train teachers on implementing cooperative learning structures designed to build strong social/emotional skills and increase student engagement and learning. They have received professional development and coaching from a certified Kagan trainer and campus administrators, pilot teachers, and district staff. Three new Kagan Coaches were trained in June 2024 to continue to provide support to classroom teachers. In addition, the Dunbar staff will begin staff development training from Solutions Tree Coach Cristi Parsons. The staff will focus on becoming a Professional Learning Community and building high-performing collaborative teams focused on student learning.

The students at Dunbar are exposed to various beyond-the-basic classroom learning opportunities. Dunbar offers theater/music, engineering/art, physical education, and library classes. The students rotate through these classes each week.

Dunbar EEC also currently houses three Early Childhood Special Education (ECSE) classrooms for the district.

School Processes & Programs Strengths

Dunbar EEC has an Interventionist that offers mini professional development sessions during their Instructional Focus Meetings and after school. During their planning time, the Interventionist plans with the teachers, coaches, and mentors the new teachers and offers suggestions during observation and shadowing by "whisper coaching." Teachers will also receive coaching on implementing cooperative learning structures to build social and emotional skills and increase academic learning.

There were discussions regarding School Climate and Culture using Dunbar's Leader In Me surveys for students, parents, and staff, focusing on strengths and weaknesses.

- **Strength:**

The Dunbar community felt good about the environment and student engagement.

- **Weakness:**

Continue to foster social and emotional skills for students to get along with one another.

There were discussions regarding Family and Community Involvement, focusing on the events for the 22-23 school year.

Strengths:

- Increase in attendance since COVID
- Increase in events than in the past
- Increase in publicity during and after events via Facebook, Website, and Google

After events, parents can leave with ideas they can do with their child at home.

Weaknesses:

- Parents did not always know about the events
- Need more ways to have community participation
- Incorporate Literacy and Math Family Nights
- At the end of the year, provide ideas for families to work on during the summer months

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Based on our CLI Assessment and report card data, there has been an increase in the number of students who are struggling to master basic Pre-K Guidelines. Therefore, more individualized instruction and small group pullouts are needed to insure all students are successful. **Root Cause:** Due to the inconsistent attendance being a contributing factor which requires educating parents regarding Pre-K expectations related to attendance.

Perceptions

Perceptions Summary

Our goal at Paul Laurence Dunbar EEC is to become the model Pre-Kindergarten Center in our metropolitan area. We are partnered with Texarkana Head Start to ensure the academic readiness of Pre-Kindergarten students transitioning to Kindergarten by bridging the gap between Head Start and Pre-Kindergarten. We have a full-day Pre-Kindergarten program to assist students in their transition to elementary school. We provide all students with a safe and nurturing learning environment. We will continue implementing conscious discipline and Kagan's Cooperative Learning structures to improve students' social skills.

Each spring, the campus administers the Leader in Me Measurable Results Assessment (MRA) survey to parents and staff to determine the effectiveness of academics, culture, and leadership on the campus. 2023-2024 school year results showed an overall campus score of 78% for the 2023-24 school year, with leadership scoring 78%. Staff satisfaction regarding culture increased from 80% (2022-23) to 85% (2023-24), which was the highest of all scores. Over 90% of the students chose the "smiley face" when asked if their school was clean, felt safe, liked school, and if their teacher was proud of them and made them smile. Although a high number, only 79% stated that students in their class were nice to them. This perception also supports the need to incorporate social skills for our students throughout the school day. The cooperative learning structures and the implementation of the Conscious Discipline Approach will provide opportunities to learn the social/emotional skills needed to collaborate and work with others.

Partners, such as the Dunbar Alumni and other community members, are prime stakeholders in the success of our campus. We strive to keep parents and stakeholders involved with our campus activities through constant communication and opportunities for volunteerism. Opportunities for parent involvement are discussed and planned in weekly instructional and Head Start Partnership Team Meetings.

Perceptions Strengths

Dunbar EEC offers parent workshops, family game nights, and other family and community engagement events throughout the year. Parents/guardians and community members will attend each of these events. Dunbar EEC communicates school activities throughout the year on the District and campus Facebook page, school marquee, flyers sent home in students' folders, and Google Classroom.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): During the 2023-24 school year, only 16% of families participated in the LIM Multiple Measures Assessment. **Root Cause:** Some parents may not have seen the information that went out through email encouraging them to participate in the survey.

Problem Statement 2: Based upon the Leader In Me - Multiple Measures Results, staff voice decreased from 84 in 2023 to 82 in 2024. **Root Cause:** Teachers may not recognize the different opportunities available to provide input and feedback. There were opportunities throughout the school year to give teacher voice, however, it may not have been successfully communicated by administration.

Problem Statement 3: Based upon the student survey conducted, 10% of students feel that other students are not nice to them. **Root Cause:** Students are still developing socially and sometimes perceive normal conflict to mean their classmates do not like them.

Priority Problem Statements

Problem Statement 1: During the 2023-24 school year, only 16% of families participated in the LIM Multiple Measures Assessment.

Root Cause 1: Some parents may not have seen the information that went out through email encouraging the to participate in the survey.

Problem Statement 1 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Performance Objectives with summative review (prior year)
- Planning and decision making committee(s) meeting data

Student Data: Assessments

- Texas approved PreK - 2nd grade assessment data

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- Response to Intervention (RtI) student achievement data
- STEM and/or STEAM data

Student Data: Behavior and Other Indicators

- Attendance data
- Student surveys and/or other feedback

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus department and/or faculty meeting discussions and data
- T-TESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data
- Study of best practices

Goals

Goal 1: Produce students who possess the skills and knowledge that enable them to be future-ready citizens and leaders in the global workforce through access to state-of-the-art facilities.

Performance Objective 1: By June 2025, 75% of all students will master 80% of skills practiced in IXL for grades PK-3 in reading and mathematics.

Evaluation Data Sources: IXL Reports

Strategy 1 Details	Reviews			
<p>Strategy 1: All Dunbar students will utilize IXL at least 2 times per week in reading and and 2 times per week math for 20 minutes per day.</p> <p>Strategy's Expected Result/Impact: Student Growth</p> <p>Staff Responsible for Monitoring: Principal</p>	Formative			Summative

APPENDIX

STATE MANDATES IMPLEMENTATION REFERENCE

Texas law and Board Policies mandate the following be addressed with strategies for improving student performance. To increase Texarkana ISD's ability to focus on a limited number of targeted initiatives in this improvement plan, Texarkana ISD will plan, implement, monitor and evaluate the following mandates through other procedures and practices. When requested, Texarkana ISD Person Responsible will report progress to the site-based committee.

MANDATE	REFERENCES	TISD PERSON RESPONSIBLE	LOCATION OF DOCUMENTATION (IMPLEMENTATION and EVALUATION)
1. Bullying <ul style="list-style-type: none"> ● Prevention, identification, response to and reporting of bullying or-bully-like behavior 	TEC 11.252(a)(3)(E)	Sherry Young	The school will follow the Student Handbook and Board Policies: FFI, FDB, FFF, FFH, FO, CQA, and FFB.
2. Coordinated Health Program <ul style="list-style-type: none"> ● Student fitness assessment data ● Student academic performance data ● Student attendance rates ● Percentage of students who are Economically Disadvantaged ● Use and success of methods of physical activity ● Other indicators 	TEC 11.253(d) Board Policy FFA(Local)	Jennelle Ingram	The school will follow Board Policies: FFA and EHAA.
3. DAEP Requirements <ul style="list-style-type: none"> ● Student groups served – monitoring over-representation ● Attendance rates ● Pre- and post- assessment results ● Dropout rates ● Graduation rates ● Recidivism rates 	TEC 37.008 TAC 19 103.1201(b) Board Policy FOCA(Legal)	Holly Tucker	The school will follow the Student Code of Conduct and Board Policies: FOCA, FO, FEA, and FOC.
4. District's Decision-Making and Planning Policies <ul style="list-style-type: none"> ● Evaluation – every two years 	TEC 11.252(d)	Holly Tucker	The school will follow Board Policies: BQ, BQA, and BQB.

5. Dropout Prevention	TEC 11.252		The school will follow Board Policy EHBC.
6. Dyslexia Treatment Programs <ul style="list-style-type: none"> ● Treatment and accelerated reading program 	TEC 11.252(a)(3)(B)	Laurie Pace	The school will follow Board Policy EHB, F, EHBC, and EKB.
7. Migrant Plan (Title I, Part C) <ul style="list-style-type: none"> ● An identification and recruitment plan ● New Generation System (NGS) ● Early Childhood Education ● Parental Involvement ● Graduation Enhancement ● Secondary Credit Exchange and Accrual ● Migrant Services Coordination ● A priority services action plan with instructional interventions based upon disaggregated migrant student data 	P.L. 107-110, Section 1415(b)	Mindy Basurto	
8. Pregnancy Related Services <ul style="list-style-type: none"> ● District-wide procedures for campuses, as applicable 		Sherry Young	The school will follow the Student Handbook, Student Accounting Handbook and Board Policy FFAC.
9. Post-Secondary Preparedness/Higher Ed Information/Career Education <ul style="list-style-type: none"> ● Strategies for providing to middle school, junior high and high school students, teachers, counselors and parents information about: <ul style="list-style-type: none"> ○ Higher education admissions and financial aid, including sources of information ○ TEXAS grant program ○ Teach for Texas grant programs ○ The need to make informed curriculum choices for beyond high school ○ Sources of information on higher education admissions and financial aid 	TEC 11.252(4) TEC 11.252(3)(G)	Christy Tidwell	The school will follow the Student Handbook and the TISD Program of Studies handbook.

<ul style="list-style-type: none"> • Career education to assist students in developing the knowledge, skills, and competencies necessary for a broad range of career opportunities 			
<p>10. Recruiting Certified Teachers and Highly-Qualified Paraprofessionals</p> <ul style="list-style-type: none"> • Assisting teachers and paraprofessionals to meet certification requirements and/or highly qualified requirements • Strategies and activities to ensuring the campus and district is making progress toward having all classes taught by state certified, highly effective teachers • Ensuring that teachers are receiving high-quality professional development • Attracting and retaining certified, highly effective teachers 	ESSA	Amy Nix	The school will follow the Retention and Recruitment Plan and Board Policy DC.
<p>11. Sexual Abuse and Maltreatment of Children</p>	TEC 38.0041(c) TEC 11.252(9)	Sherry Young	The school will follow Board Policies: DG, DH, DHB, FFG, FFH, and GRA.
<p>12. Campus Quality Improvement Council (CQIC) Meeting

05/22/23

3:30

Dunbar EEC

Agenda: Comprehensive Needs Assessment Process

1. Welcome
2. Good News
3. Review Dunbar EOY data for all available areas:
 - i. CIRCLE,
 - ii. discipline reports,
 - iii. attendance,
 - iv. school climate and culture (survey results), and
 - v. family and community involvement.
4. Highlight Areas of Strength (Plus) and Areas of Growth (Delta) for the Campus

This information will be used to:

- Complete summative review in CIP: evaluate goals, strategies, and schoolwide instructional program to determine effectiveness (Mark all goals/strategies in Plan4Learning)
 - Begin Development of:
 - 2023-24 CNA Multiple Measures Narratives and
 - 2023-24 Campus Improvement Plan Goals/Strategies.
5. Approve the 2023-2024 Campus Professional Development Plan

TEXARKANA ISD

Paul Laurence Dunbar
Early Education Center

Campus Quality Improvement Council Agenda Topics with Meeting Notes and Discussion

05/22/2023, 3:30, Dunbar EEC Gym

Evaluate campus programs and campus improvement plan strategies to determine effectiveness. The 2023-24 Comprehensive Needs Assessment Process will begin and the 2023-24 Campus Improvement Plan will be developed collaboratively.

- There were discussions regarding Dunbar's EOY/Wave 3 CIRCLE Assessment
 - **Pluses:**
 - There was increase of 13% in Rapid Letter Naming,
 - There was an increase of 3% in Rapid Vocabulary
 - There was only a 1% decrease in Phonological Awareness and 2% decrease in Math with 3 new teachers and 2 Instructors added to the staff mid-year for 22-23.
 - **Deltas:**
 - Post COVID is still impacting students' academic performance
 - Provide more training to teachers with Haggerty to support Phonological Awareness and monitor with fidelity.
- There were discussions regarding BOY-MOY-EOY Discipline Report
 - **Plus:**
 - The district has clear procedures for the discipline process for the students who ride the bus which the campus is following.
 - The campus documents behaviors in Award if they are related to safety and impeding learning.
 - **Delta:**
 - Increase in turnover of bus aides and drivers

- There were discussions regarding the Attendance Report by comparing each six week and looking at trending year data.
 - **Pluses:**
 - Parent Monthly Incentives (Baskets per each team)
 - Class and Individual Students Weekly Incentives
 - Weekly Check-In by Administration
 - **Deltas:**
 - New parent misconception regarding attendance for PreK
 - Flu season

- There were discussions regarding School Climate and Culture using Dunbar's Leader In Me surveys for students, parents, and staff.
 - **Plus:**
 - The Dunbar community felt good about the environment and student engagement.
 - **Delta:**
 - Continue to foster the social and emotional skills for students getting along with one another.

- There were discussions regarding Family and Community Involvement with a focus on the events that took place for the 22-23 school year.
 - **Pluses:**
 - Increase in attendance since COVID
 - Increase in events than in the past
 - Increase in publicity during and after events via Facebook, Website, and Google Classroom
 - After events, parents are able to leave with ideas they can do with their child at home.
 - **Deltas:**
 - Parents did not always know about the events
 - Need more ways to have community participation
 - Incorporate Literacy and Math Family Nights

- At the end of the year provide ideas for families to work on during the summer months.

We shared with the committee that the discussions and information from above will be part of the development of the **2023-24** CNA Narratives and the **2023-24** Campus Improvement Plan in Plan4Learning. The committee also discussed and approved the **2023-2024** Campus Professional Development Plan.
