School Social Workers are **trained mental health professionals** who provide services related to a person's **social, emotional, and behavioral** health needs and provide **the link** between home, school, and community. School Social Workers assist with:

- **Mental health service access.**
- **Address school bullying concerns.**
- **Problem-solving school and home communication barriers.**
- **Crisis Intervention.**
- **Problem-solving truancy concerns.**
- **Academic barriers.**
- **Strategies to address any other problems impacting student education.**

- **Food & meal assistance.**
- **Coats, clothing, & shoes resources.**
- **Utility assistance referral.**
- **School technology problem-solving.**
- **Housing assistance & homelessness prevention.**
- **Transportation problem-solving.**
- **School-Based Counseling.**
