Input Section 1: SARC Input Sections Overview	
SARC Overview	
SARC Publishing Deadline	The SARC publishing deadline is 2/1/25.
SARC Input Form Sections	<p>Use the SARC Input Sections to update SARC information that is not populated by DTS.</p> <p>The information you enter in the SARC Input Sections will automatically update the full SARC.</p> <p>Where available, the section header is linked to detailed guidance from CDE.</p> <p>A full version of CDE's Data Elements Document can be downloaded by clicking here. CDE's Data Elements Document was updated in September of 2024.</p>
SARC PDF from DTS	Once your updates are complete, please notify your district's SARC Coordinator (or DTS if you are a Single School District). DTS will provide a PDF export of the SARC with data and initiate translations (if applicable).
SARC Data from CDE	SARC data is typically released by CDE in December. DTS populates the data to your SARC as soon as it becomes available.
SARC Submission to CDE	<p>SARC Coordinators are required to register using MyCDEConnect. The LEA must submit the URL to the webpage on which the SARC is hosted to CDE. We have included instructions below on how to submit the URL to CDE directly.</p> <ul style="list-style-type: none"> - Access the school accounts main "School Accountability Report Card (SARC)" page. - Click the chain button for "External link to SARC" directly under the school's name within the blue box - Enter the full SARC URL, which will be the webpage that hosts your SARC documents on your district website.

Update Data for Multiple Sites	You can update data for multiple schools by clicking " Update Data - All Locations " in your Coordinator Menu (Coordinators only).
FIT Results	<p>DTS will import FIT Results for one or all schools on your behalf. You may send your completed CDE MS Excel FIT report to DTS by clicking here. Only the MS Excel version of the CDE FIT Tool can be imported to DTS. Please ensure that the FIT Tool sheet names have not been removed, renamed or otherwise altered.</p> <p>When downloading, please note that you may need to "Keep" the file based on your browser settings.</p>

PFT Results

LEAs are required to populate their own Physical Fitness Test Participation Percentages. We've created an import request spreadsheet to make it easy for you to provide the data to DTS. You can download the spreadsheet by [clicking here](#). Please provide one spreadsheet for all schools. You may send your results to DTS by [clicking here](#).

When downloading, please note that you may need to "Keep" the file based on your browser settings.

Input Section 4: 2024-25 School Overview

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Mesa Elementary Dual Language Immersion School currently serves roughly 750 Transitional Kindergarten through fifth-grade students with a strong emphasis on academic excellence and outstanding student achievement. Many families have had several generations of students attend Mesa Elementary School due to the quality education the school provides. A high level of community involvement and strong educational partnerships enrich Mesa's learning environment. Hundreds of volunteers are dedicated to the ongoing support of the school's vision as they donate thousands of hours each year.

Mesa's commitment to providing outstanding educational opportunities is reflected in the dedication of its teachers who routinely work well beyond the established school day. The staff is comprised of 33 regular classroom teachers, a Title I Intervention Teacher, one Special Education Teacher, a School Psychologist, a Speech and Language Specialist, two Transitional Kindergarten Teachers, six Dual Language Teachers, and 1 Adaptive Physical Education teacher. The Mesa staff is highly qualified with 100% of the teaching staff NCLB compliant, fully credentialed, and CLAD certified (or its equivalent). Mesa Elementary School continues to provide a strong support network for all teachers through collaboration and on-site mentorships. The staff is committed to preserving Mesa's tradition of academic excellence by maintaining high expectations and standards for student achievement. Teachers employ a wide range of effective teaching strategies and instructional methodologies and engage in professional development activities to maintain a working knowledge of the findings of current educational research.

Mesa's staff serves a diverse population as indicated by the 11 different languages spoken by Mesa students. Predominant groups include Hispanics (67%), Caucasian (14%), Asian (11%), Filipino (3%), and African American (3%). Services are

Input Section 4: 2024-25 School Overview

provided for Gifted and Talented students (6%) who are clustered into GATE classes and receive differentiated instruction daily. English Language Learners (8%) are provided specially designed academic instruction in English by CLAD-certified teachers. Our SED population has increased from last year with 53.7% of our students currently receiving Free and Reduced Lunch. We were awarded the Title I Achievement School Award, and this is the third year we will receive Title I funding. Students respect one another and take pride in their school. Mesa's exemplary CAASPP scores are just one indicator of students' determination to fulfill their highest potential. Mesa's students continue to learn and have become student leaders, academic scholarship winners, and star athletes at the high school level.

Mesa is proud of its many accomplishments. Through the fundraising efforts of dedicated volunteers, PTA has continued to provide students with access to specialized and up-to-date learning materials. Over the past three years, our PTA and community have helped students raise over \$65,000 to support educational opportunities including field trips for every classroom, as well as high-quality assemblies. In 2003, As a significant support to our students, Mesa's library houses over 11,500 books, magazines, and reference materials for student use. Donations from our Spring Read-a-Thon purchased individual headphones for the incoming Transitional Kindergarten students, as well as computers, iPads, and new library books. Students have internet access in all classrooms. The Read-a-Thon, Book Fair, Family Movie Night, Walk-to-School Day, Book Character Parade, and Red Ribbon Week celebrations are just a few of the many activities regularly occurring on campus.

The genuine caring and respect among the community, the skilled teaching staff, the extensive collection of educational resources, and the strong collaboration among all members of the Mesa community continue to support students in achieving academic excellence.

MESA VISION AND MISSION STATEMENT

Mesa Elementary endeavors to provide a safe, educational environment which nurtures and empowers students to become balanced and productive citizens. As part of this vision, we hope to instill in our students a sense of integrity and compassion, a quest for knowledge and achievement, a respect for diversity, and appreciation of their community. We strive to help students not to only develop their intellectual intelligence, but their emotional intelligence as well. It is our expectation that when students leave Mesa elementary school they will have a firm foundation of academic skills as well as the ability to establish positive interpersonal relationships and be collaborative with others. They will be able to discern right from wrong and make ethical judgements to become contributing members of the community. Mesa Elementary provides the keys to successfully unlocking the doors of the future and each child holds a key.

INSTRUCTIONAL FOCUS

Students at Mesa Elementary School will engage in rich problem solving tasks that promote collaboration, reasoning and communication. In a dynamic, student-driven learning environment students will develop deep mathematical understanding. Counting Collections and Thinking Maps support students in developing number sense and organizing their thinking, while the ACE (Answer, Compute, Explain) strategy encourages clear, structured explanations of their mathematical processes. By integrating the Building Thinking Classroom practices, we aim to foster critical thinking, perseverance, and a growth mindset, empowering students to become confident, independent mathematicians.

Input Section 5: 2024-25 Opportunities for Parental Involvement

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Parents and the community are very supportive of the educational program at Mesa Elementary School. Numerous programs and activities are enriched by the generous contributions made by the Parent Teacher Association (PTA) and local businesses. Mesa currently has an active PTA, School Site Council, and English Learners Advisory Committee. Our Title I teacher recruits and trains over 50 parents to work in our LMC with students and teachers. The school holds many events throughout the school year in which parents and community members can get involved. These events include Kindergarten Parent Nights, Back-to-School Night, Book Character Parade, PTA Fundraisers, Classroom Performances, Read-a-Thon, Walk-to-School Day, Night of Giving, Book Fairs, and Family Nights. The PTA newsletter, monthly calendar, and flyers are sent home throughout the year to keep parents informed of these events. Parents who wish to participate in Mesa Elementary School's leadership teams, school committees, and school activities, or become volunteers may contact school office personnel at (626) 974-4600.

Input Section 5: 2024-25 Opportunities for Parental Involvement

Covina-Valley prioritizes Parental Involvement by actively engaging parents in decision-making processes at both the district and school levels. The collaborative efforts include the establishment of School Site Councils (SSC), English Learner Advisory Committees (ELAC), District Advisory Council/District English Learner Advisory Committee (DAC/DELAC), and participation in the Local Control and Accountability Plan (LCAP) advisory. In addition, we regularly seek parent input through surveys and involve them in other advisory councils and committees such as Dual Language Advisory Committee: A group specifically focused on supporting the dual immersion program, advising on curriculum development, language support, and strategies to ensure the success of both language groups (English and Mandarin). This committee would provide input on program policies, parent outreach, and bilingual education practices. Parents also can participate in the Safety Committee which ensures that the school environment is physically safe for students, staff, and visitors. This might involve reviewing safety protocols, developing emergency plans, conducting safety drills, and advocating for necessary improvements in infrastructure.

Through these forums, parents contribute valuable insights, perspectives, and feedback that play a crucial role in shaping the direction of our school and district. In addition, they ensure an inclusive approach to decision-making, reflecting our school and district community's diverse needs and perspectives.

Input Section 6: 2024-25 School Safety Plan

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Note:

This section should include information about the school's Comprehensive School Safety Plan (CSSP), including the dates on which the safety plan was last annually reviewed, updated, board approved and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field).

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer from the West Covina Police Department. The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

Input Section 7: School Facility Conditions and Planned Improvements

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Mesa Elementary School was built in 1960, with portable buildings added in 1989, 1994, 1998, and 2003. School facilities are situated on 10 acres and span nearly 45,500 square feet. They consist of permanent and portable classrooms, a cafeteria, a new Library Media Center, administrative offices, restrooms, and storage rooms. The school facilities modernization project was completed in Spring of 2004 with the grand opening of the Library Media Center. It has a state-of-the-art computer laboratory, wireless internet and an amplification system. The school received new hardscape and playground equipment. In August 2007, parking lots were patched, slurry sealed and all traffic/parking markings and curbs painted. In June 2008, the administration office and workroom were renovated with new paint, carpet, furniture, light fixtures, and a new entry door. The facility strongly supports teaching and learning through its ample classrooms and playground space. The exterior was repainted with a new color scheme in the Summer of 2013 and all portable classrooms received new carpet during the Summer of 2014.

Input Section 8: 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Note:

List all textbooks and instructional materials used in the school in core subjects (reading/language arts, math, science, and history-social science).

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

Input Section 9: 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

These fields will be populated by DTS with data provided by CDE as it becomes available:

- District Average Teacher Salary
- State Expenditures Per Pupil (Unrestricted)
- State Average Teacher Salary
- Percent Difference - School Site and District
- Percent Difference - School Site and State

The fields listed below should be reviewed and updated by the LEA/School:

- School Total Expenditures Per Pupil (School)
- School Expenditures Per Pupil (Restricted)
- School Expenditures Per Pupil (Unrestricted)
- School Average Teacher Salary (School)
- District Expenditures Per Pupil (Unrestricted)

Note:

The most recent data available from CDE is for the fiscal year 2022-23. For comparison purposes, data for the same fiscal year is requested from the school.

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$9,852.98	\$1,465.72	\$8,387.26	\$107,617.74

Input Section 10: 2023-24 Types of Services Funded

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

In addition to State general funding, Covina-Valley Unified School District receives State and Federal grant funding for special programs:

- Title I, II, III, IV
- Special Education
- Home-to-School Transportation
- Carl Perkins
- Expanded Learning Opportunities
- Universal PreKindergarten Planning & Implementation
- A-G Success
- Arts, Music & Instructional Materials
- Educators Effectiveness
- Homeless Children and Youth
- Learning Recovery
- Career Technical Education Incentive Grant(CTEIG)
- Strong Workforce
- Golden Pathways
- Middle College and Dual Opportunities
- CCAP College and Careers
- CAI California Apprentice Grant

These funds are used for personnel, materials, supplies, equipment, parent involvement, and professional development to help close the achievement gap for all students. Personnel costs include Title I Intervention teachers, EL TOSA, additional counselor hours, and additional hours for before/after school tutoring. Materials and supplies include supplemental reading, math, the arts, CTE, and mental health programs.

Input Section 11: 2023-24 California Physical Fitness Test Percentage of Students Participating

This field should be reviewed and updated by the LEA/School.

Only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) should appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

You may send your PFT Participation Percentages to DTS using the spreadsheet provided by [clicking here](#). You may send your results to DTS by [clicking here](#).

Input Section 12: Professional Development

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (4 days)
- * UCI Math (2 days)
- * Principal Workshops (19 days)
- * Technology Mentor (8 days)
- * Staff Leadership (2 days)
- * Write from the Beginning and Beyond (7 days)
- * Math Intervention (1 day)
- * Twig Science (14 days)
- * New Teacher Orientation (2 days)
- * Iready (ongoing monthly)

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	75	89	59

Input Section 13: Career Technical Education Programs (Grades 9-12 Only)

**This section applies to schools serving grades 9-12 only.
If your school does not serve grades 9-12, simply skip and leave this section blank.
It will not be included in the full SARC.**

2023-24 Career Technical Education Programs

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

To complete this section, provide:

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

Many families have had several generations of students attend Mesa Elementary School due to the quality education the school provides. A high level of community involvement and strong educational partnerships enrich Mesa's learning environment. Hundreds of volunteers

2024-25 School Description and Mission Statement

are dedicated to the ongoing support of the school's vision as they donate thousands of hours each year.

Mesa's commitment to providing outstanding educational opportunities is reflected in the dedication of its teachers who routinely work well beyond the established school day. The staff is comprised of 33 regular classroom teachers, a Title I Intervention Teacher, one Special Education Teacher, a School Psychologist, a Speech and Language Specialist, two Transitional Kindergarten Teachers, six Dual Language Teachers, and 1 Adaptive Physical Education teacher. The Mesa staff is highly qualified with 100% of the teaching staff NCLB compliant, fully credentialed, and CLAD certified (or its equivalent). Mesa Elementary School continues to provide a strong support network for all teachers through collaboration and on-site mentorships. The staff is committed to preserving Mesa's tradition of academic excellence by maintaining high expectations and standards for student achievement. Teachers employ a wide range of effective teaching strategies and instructional methodologies and engage in professional development activities to maintain a working knowledge of the findings of current educational research.

Mesa's staff serves a diverse population as indicated by the 11 different languages spoken by Mesa students. Predominant groups include Hispanics (67%), Caucasian (14%), Asian (11%), Filipino (3%), and African American (3%). Services are provided for Gifted and Talented students (6%) who are clustered into GATE classes and receive differentiated instruction daily. English Language Learners (8%) are provided specially designed academic instruction in English by CLAD-certified teachers. Our SED population has increased from last year with 53.7% of our students currently receiving Free and Reduced Lunch. We were awarded the Title I Achievement School Award, and this is the third year we will receive Title I funding. Students respect one another and take pride in their school. Mesa's exemplary CAASPP scores are just one indicator of students' determination to fulfill their highest potential. Mesa's students continue to learn and have become student leaders, academic scholarship winners, and star athletes at the high school level.

Mesa is proud of its many accomplishments. Through the fundraising efforts of dedicated volunteers, PTA has continued to provide students with access to specialized and up-to-date learning materials. Over the past three years, our PTA and community have helped students raise over \$65,000 to support educational opportunities including field trips for every classroom, as well as high-quality assemblies. In 2003, As a significant support to our students, Mesa's library houses over 11,500 books, magazines, and reference materials for student use. Donations from our Spring Read-a-Thon purchased individual headphones for the incoming Transitional Kindergarten students, as well as computers, iPads, and new library books. Students have internet access in all classrooms. The Read-a-Thon, Book Fair, Family Movie Night, Walk-to-School Day, Book Character Parade, and Red Ribbon Week celebrations are just a few of the many activities regularly occurring on campus.

The genuine caring and respect among the community, the skilled teaching staff, the extensive collection of educational resources, and the strong collaboration among all members of the Mesa community continue to support students in achieving academic excellence.

MESA VISION AND MISSION STATEMENT

Mesa Elementary endeavors to provide a safe, educational environment which nurtures and empowers students to become balanced and productive citizens. As part of this vision, we hope to instill in our students a sense of integrity and compassion, a quest for knowledge and achievement, a respect for diversity, and appreciation of their community. We strive to help students not to only develop their intellectual intelligence, but their emotional intelligence as well. It is our expectation that when students leave Mesa elementary school they will have a firm foundation of academic skills as well as the ability to establish positive interpersonal relationships and be collaborative with others. They will be able to discern right from wrong and make ethical judgements to become contributing members of the community. Mesa Elementary provides the keys to successfully unlocking the doors of the future and each child holds a key.

INSTRUCTIONAL FOCUS

Students at Mesa Elementary School will engage in rich problem solving tasks that promote collaboration, reasoning and communication. In a dynamic, student-driven learning environment students will develop deep mathematical understanding. Counting Collections and Thinking Maps support students in developing number sense and organizing their thinking, while the ACE (Answer, Compute, Explain) strategy encourages clear, structured explanations of their mathematical processes. By integrating the Building Thinking Classroom practices, we aim to foster critical thinking, perseverance, and a growth mindset, empowering students to become confident, independent mathematicians.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Mesa Elementary School was built in 1960, with portable buildings added in 1989, 1994, 1998, and 2003. School facilities are situated on 10 acres and span nearly 45,500 square feet. They consist of permanent and portable classrooms, a cafeteria, a new Library Media Center, administrative offices, restrooms, and storage rooms. The school facilities modernization project was completed in Spring of 2004 with the grand opening of the Library Media Center. It has a state-of-the-art computer laboratory, wireless internet and an amplification system. The school received new hardscape and playground equipment. In August 2007, parking lots were patched, slurry sealed and all traffic/parking markings and curbs painted. In June 2008, the administration office and workroom were renovated with new paint, carpet, furniture, light fixtures, and a new entry door. The facility strongly supports teaching and learning through its ample classrooms and playground space. The exterior was repainted with a new color scheme in the Summer of 2013 and all portable classrooms received new carpet during the Summer of 2014.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Mesa Elementary School. Numerous programs and activities are enriched by the generous contributions made by the Parent Teacher Association (PTA) and local businesses. Mesa currently has an active PTA, School Site Council, and English Learners Advisory Committee. Our Title I teacher recruits and trains over 50 parents to work in our LMC with students and teachers. The school holds many events throughout the school year in which parents and community members can get involved. These events include Kindergarten Parent Nights, Back-to-School Night, Book Character Parade, PTA Fundraisers, Classroom Performances, Read-a-Thon, Walk-to-School Day, Night of Giving, Book Fairs, and Family Nights. The PTA newsletter, monthly calendar, and flyers are sent home throughout the year to keep parents informed of these events. Parents who wish to participate in Mesa Elementary School's leadership teams, school committees, and school activities, or become volunteers may contact school office personnel at (626) 974-4600.

Covina-Valley prioritizes Parental Involvement by actively engaging parents in decision-making processes at both the district and school levels. The collaborative efforts include the establishment of School Site Councils (SSC), English Learner Advisory Committees (ELAC), District Advisory Council/District English Learner Advisory Committee (DAC/DELAC), and participation in

2024-25 Opportunities for Parental Involvement

the Local Control and Accountability Plan (LCAP) advisory. In addition, we regularly seek parent input through surveys and involve them in other advisory councils and committees such as Dual Language Advisory Committee: A group specifically focused on supporting the dual immersion program, advising on curriculum development, language support, and strategies to ensure the success of both language groups (English and Mandarin). This committee would provide input on program policies, parent outreach, and bilingual education practices. Parents also can participate in the Safety Committee which ensures that the school environment is physically safe for students, staff, and visitors. This might involve reviewing safety protocols, developing emergency plans, conducting safety drills, and advocating for necessary improvements in infrastructure.

Through these forums, parents contribute valuable insights, perspectives, and feedback that play a crucial role in shaping the direction of our school and district. In addition, they ensure an inclusive approach to decision-making, reflecting our school and district community's diverse needs and perspectives.

2024-25 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer from the West Covina Police Department. The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff

members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.
