

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year) Input Sections

Input Section 1: SARC Input Sections Overview	
SARC Overview	
SARC Publishing Deadline	The SARC publishing deadline is 2/1/25.
SARC Input Form Sections	<p>Use the SARC Input Sections to update SARC information that is not populated by DTS.</p> <p>The information you enter in the SARC Input Sections will automatically update the full SARC.</p> <p>Where available, the section header is linked to detailed guidance from CDE.</p> <p>A full version of CDE's Data Elements Document can be downloaded by clicking here. CDE's Data Elements Document was updated in September of 2024.</p>
SARC PDF from DTS	Once your updates are complete, please notify your district's SARC Coordinator (or DTS if you are a Single School District). DTS will provide a PDF export of the SARC with data and initiate translations (if applicable).
SARC Data from CDE	SARC data is typically released by CDE in December. DTS populates the data to your SARC as soon as it becomes available.
SARC Submission to CDE	<p>SARC Coordinators are required to register using MyCDEConnect. The LEA must submit the URL to the webpage on which the SARC is hosted to CDE. We have included instructions below on how to submit the URL to CDE directly.</p> <ul style="list-style-type: none"> - Access the school accounts main "School Accountability Report Card (SARC)" page. - Click the chain button for "External link to SARC" directly under the school's name within the blue box - Enter the full SARC URL, which will be the webpage that hosts your SARC documents on your district website.
DTS SARC Support	
Update Data for Multiple Sites	You can update data for multiple schools by clicking " Update Data - All Locations " in your Coordinator Menu (Coordinators only).
FIT Results	<p>DTS will import FIT Results for one or all schools on your behalf. You may send your completed CDE MS Excel FIT report to DTS by clicking here. Only the MS Excel version of the CDE FIT Tool can be imported to DTS. Please ensure that the FIT Tool sheet names have not been removed, renamed or otherwise altered.</p> <p>When downloading, please note that you may need to "Keep" the file based on your browser settings.</p>

PFT Results

LEAs are required to populate their own Physical Fitness Test Participation Percentages. We've created an import request spreadsheet to make it easy for you to provide the data to DTS. You can download the spreadsheet by [clicking here](#). Please provide one spreadsheet for all schools. You may send your results to DTS by [clicking here](#).

When downloading, please note that you may need to "Keep" the file based on your browser settings.

Input Section 4: 2024-25 School Overview

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Northview High School has a strong focus on instruction, school culture, and thriving participation in extracurricular activities. We provide a relevant, high-quality education that inspires our diverse student body to be life-long learners who are prepared for college or career opportunities in a global society. Our staff is committed to providing all students with the necessary skills and knowledge to become problem solvers who effectively collaborate, critically think, and communicate. Northview High School sits on 43 acres in the northwest section of the City of Covina within the San Gabriel Valley. As one of three comprehensive high schools in the Covina-Valley Unified School District, Northview has a student enrollment of close to 1,255 students and 123 staff members. Northview offers 19 varsity sports that have won numerous league and CIF championships, as well as award-winning Cheer and Band programs. Seventeen Advanced Placement (AP) courses are offered to freshmen, sophomores, juniors, and seniors, and Northview is one of the few schools in the area that offers the AP Capstone program. To better prepare students for the rigor of Advanced Placement, we offer the Pre-AP program for every 9th and 10th-grade student in English, World History, Chemistry, and Biology.

Northview High School offers the following CTE Pathways for students: (FAME) Fine Arts, Media, and Entertainment, including Animation, Visual Commercial Art, and Film/Video Production; Health Science and Medical Technology; Building and Construction; Public Services; Information Technology and Education. Northview's FAME pathway has led students to careers at KTLA, CBS, ABC, and Disney, and is a recipient of the California School Boards Association (CSBA) Golden Bell Award for its approach to fostering student excellence in media arts and broadcast journalism.

Input Section 4: 2024-25 School Overview

Students in need of specialized instruction are mainstreamed as much as possible into the general education setting per their IEP goals. Northview has significantly increased co-teach courses within the core courses, which allows special education teachers to work collaboratively with general education teachers in order to plan instruction and provide more support for special education students.

The percentage of students meeting CSU/UC requirements has remained steady despite recent school closures due to COVID-19: 63% in 2018, 72.6% in 2019, 69.2% in 2020, 73.2% in 2021, 66% in 2022, 70.3% in 2023, and 67.4% in 2024.

Based on previous WASC recommendations, the school is committed to our WASC Critical Areas for follow-up, which includes:

#1: Continue to ensure all students are college and/or career-ready.

#2: Continue to provide interventions to increase the proficiency of all populations in core classes with an emphasis on ELA and Math

#3: Increase universal access across all core curricula for our SPED and English Learners (ELL) populations.

NORTHVIEW VISION STATEMENT

Our students will be independent, resilient, life-long learners who have the skills necessary to succeed in a global society.

NORTHVIEW MISSION STATEMENT

The core purpose of Northview High School is to establish and empower a community of problem solvers who effectively collaborate, think critically, and communicate.

Input Section 5: 2024-25 Opportunities for Parental Involvement

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Family support is an integral part of the educational process. Without this vital link, the goals set in the Mission and Vision statements of the school would be unachievable. Making parents feel welcome in the school is important and has been at the core of our strategy to send the message that family involvement is essential to advance the educational program. To promote parent involvement in their children's education, communication to parents occurs weekly through Parent Square emails. Other methods of communication include the Weekly Newsletter, Back to School Night, Showcase, Northview's website, and social media. Parents are informed of every statewide assessment tool currently used by the school. Daily communication between school and home takes place as teachers, counselors, and administrators call home to deal with individual student needs. The school-home communication tool, Parent Square, allows teachers to share positive comments, homework assignments, attendance, and discipline concerns with parents on a daily basis. AERIES Parent Portal is an online way for parents and students to access up to the minute grade status of their children.

A coordinated effort between the community and the school provides a safe and nurturing environment for all children. Parents are leaders in decision-making in the PTSA, LCAP Advisory Committee, Booster/Support Groups, School Site Council, ELAC, and DELAC meetings. Northview also hosts "Coffee with the Principal" meetings throughout the year which provides families with opportunities for parents to learn about programs, ask questions, and provide feedback directly to administrators and counselors. Actively working together with student and parent organizations help to support the successful implementation of our Mission and Vision. Parents who wish to participate in Northviews' school committees, school activities, or become volunteers may contact school office personnel at (626) 974-6120.

Input Section 6: 2024-25 School Safety Plan

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Note:

This section should include information about the school’s Comprehensive School Safety Plan (CSSP), including the dates on which the safety plan was last annually reviewed, updated, board approved and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field).

Northview High School’s Comprehensive School Safety Plan was developed by administrators, school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement. The plan is designed to ensure a safe and orderly learning environment for students and staff. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff and School Site Council, and an updated copy is available to the public at the school and district office.

At Northview High School, the safety of students and staff is our primary concern, and we take pride in our safe learning environment. Four campus supervisors and three administrators monitor the campus daily. Six campus custodians maintain a clean, sanitary, and safe campus. We have security cameras installed across campus, and we work closely with the Covina Police Department through our School Resource Officer. All visitors must check in at the school office to be screened by the Raptor Visitor Management System, and wear a visitor’s badge while on school grounds. Our discipline policies curtail fighting and bullying, and are included in the Student Handbook that every student is responsible for reviewing and following. The school’s Disaster Preparedness Plan includes steps for ensuring student and staff safety during a disaster. Staff members are trained in procedures and roles, and fire, lock down, and disaster drills are conducted regularly throughout the school year - including participation in the annual “Great California ShakeOut.” Recently, with staff collaboration and input, we modified and streamlined our evacuation routes, and made improvements to fences and gates to allow safer ingress and egress. Every classroom now has the Disaster Preparedness Plan in a red folder on a clipboard hanging by the door for easy access. The Disaster Preparedness Plan is reviewed annually.

Input Section 7: School Facility Conditions and Planned Improvements

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Northview High School was built in 1960 and modernized in 1994. School facilities are situated on 43 acres and span more than 155,000 square feet. They consist of permanent and portable classrooms, a cafeteria, administrative offices, restrooms, and storage rooms. Large-scale modernizations are taking place as well as daily upkeep of facilities such as restrooms, cafeteria, classrooms, and offices. The site is checked by a safety team monthly and the work order system is effective and efficient for general upkeep of all areas of the school. The gym modernization included a new hardwood floor, bleachers, air-conditioning, upgraded snack stand, a new digital scoreboard with message board, state-of-the-art computerized audio/visual equipment, upgraded handicap accessible restrooms, and new sports equipment. A new wrestling room has been added as the program is expanding and was completed in December 2016. Our cafeteria facility is set to remodel this school year with new furniture, graphics, and serving locations. We have completed a new front entrance to the school. We have completed a new all-weather track and turf football field. A pool has been added to the site along with a pool house, locker room, and snack bar. A brand new quad with a ship as a stage has been added this year, along with the renovation of the library and a science lab.

Input Section 8: 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Note:

List all textbooks and instructional materials used in the school in core subjects (reading/language arts, math, science, and history-social science).

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks. C-VUSD is currently piloting English Textbooks expected to be adopted in 2018-2019. Math is also reconsidering the adopted Prentice Text and are expected to pilot material in the very near future.

Input Section 9: 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

These fields will be populated by DTS with data provided by CDE as it becomes available:

- District Average Teacher Salary
- State Expenditures Per Pupil (Unrestricted)
- State Average Teacher Salary
- Percent Difference - School Site and District
- Percent Difference - School Site and State

The fields listed below should be reviewed and updated by the LEA/School:

- School Total Expenditures Per Pupil (School)
- School Expenditures Per Pupil (Restricted)
- School Expenditures Per Pupil (Unrestricted)
- School Average Teacher Salary (School)
- District Expenditures Per Pupil (Unrestricted)

Note:

The most recent data available from CDE is for the fiscal year 2022-23. For comparison purposes, data for the same fiscal year is requested from the school.

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$10,192.10	\$1,300.14	\$8,891.96	\$102,975.94
District	N/A	N/A	\$3,331.89	\$104,191

State	N/A	N/A	\$10,771	\$97,756
Percent Difference - School Site and State	N/A	N/A	-19.1	5.2

Input Section 10: 2023-24 Types of Services Funded

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

In addition to State general funding, Covina-Valley Unified School District receives State and Federal grant funding for special programs:

- Title I, II, III, IV
- Special Education
- Home-to-School Transportation
- Carl Perkins
- Expanded Learning Opportunities
- Universal PreKindergarten Planning & Implementation
- A-G Success
- Arts, Music & Instructional Materials
- Educators Effectiveness
- Homeless Children and Youth
- Learning Recovery
- Career Technical Education Incentive Grant(CTEIG)
- Strong Workforce
- Golden Pathways
- Middle College and Dual Opportunities
- CCAP College and Careers
- CAI California Apprentice Grant

These funds are used for personnel, materials, supplies, equipment, parent involvement, and professional development to help close the achievement gap for all students. Personnel costs include Title I Intervention teachers, EL TOSA, additional counselor hours, and additional hours for before/after school tutoring. Materials and supplies include supplemental reading, math, the arts, CTE, and mental health programs.

Input Section 11: 2023-24 California Physical Fitness Test Percentage of Students Participating

This field should be reviewed and updated by the LEA/School.

Only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) should appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

You may send your PFT Participation Percentages to DTS using the spreadsheet provided by [clicking here](#). You may send your results to DTS by [clicking here](#).

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	99%	99%	99%	99%	99%

Input Section 12: Professional Development

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (4 days)
- * UCI Math (2 days)
- * Principal Workshops (19 days)
- * Technology Mentor (8 days)
- * Staff Leadership (2 days)
- * Write from the Beginning and Beyond (7 days)
- * Math Intervention (1 day)
- * Twig Science (14 days)
- * New Teacher Orientation (2 days)
- * Iready (ongoing monthly)

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	75	89	59

Input Section 13: Career Technical Education Programs (Grades 9-12 Only)

**This section applies to schools serving grades 9-12 only.
If your school does not serve grades 9-12, simply skip and leave this section blank.
It will not be included in the full SARC.**

2023-24 Career Technical Education Programs

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

To complete this section, provide:

- **A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and**
- **A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and**
- **A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.**

The Career and Technical Education (CTE) courses offered by Northview High School follow the appropriate CTE course standards and offer a rigorous curriculum and work experience. The CTE courses provide a vehicle for students to develop the knowledge and skills needed to become educated and employable. The programs contain comprehensive offerings that integrate academics with occupation-specific knowledge and employable skills.

The Career Technical Education Advisory Committee validates current courses and provides additional recommendations in order to maintain a relevant CTE program. The Advisory Committee meets three times per year and includes representation from all pathways and Cal Poly Pomona and Mt. San Antonio College (Mt. Sac).

2023-24 Career Technical Education Programs

The Industries represented on the Advisory Committee include the following:

- Agriculture and Natural Resources
- Arts, Media and Entertainment
- Building and Construction
- Business and Finance
- Health Science and Medical Technology
- Hospitality, Tourism and Recreation
- Information and Communication Technology
- Public Services

NVHS offers CTE courses in Arts, Media, and Entertainment (Professional Theater, Animation, Visual Commercial Art and Film/Video Production); Health Science and Medical Technology; Building and Construction; Public Services; and Information Technology and Education. The following CTE courses are offered at NVHS:

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Northview High School has a strong focus on instruction, school culture, and thriving participation in extracurricular activities. We provide a relevant, high-quality education that inspires our diverse student body to be life-long learners who are prepared for college or career opportunities in a global society. Our staff is committed to providing all students with the necessary skills and knowledge to become problem solvers who effectively collaborate, critically think, and communicate. Northview High School sits on 43 acres in the northwest section of the City of Covina within the San Gabriel Valley. As one of three comprehensive high schools in the Covina-Valley Unified School District, Northview has a student enrollment of close to 1,255 students and 123 staff members. Northview offers 19 varsity sports that have won numerous league and CIF championships, as well as award-winning Cheer and Band programs. Seventeen Advanced Placement (AP) courses are offered to freshmen, sophomores, juniors, and seniors, and Northview is one of the few schools in the area that offers the AP Capstone program. To better prepare students for the rigor of Advanced Placement, we offer the Pre-AP program for every 9th and 10th-grade student in English, World History, Chemistry, and Biology.

Northview High School offers the following CTE Pathways for students: (FAME) Fine Arts, Media, and Entertainment, including Animation, Visual Commercial Art, and Film/Video Production; Health Science and Medical Technology; Building and Construction; Public Services; Information Technology and Education. Northview's FAME pathway has led students to careers at KTLA, CBS, ABC, and Disney, and is a recipient of the California School Boards Association (CSBA) Golden Bell Award for its approach to fostering student excellence in media arts and broadcast journalism.

Students in need of specialized instruction are mainstreamed as much as possible into the general education setting per their IEP goals. Northview has significantly increased co-teach courses within the core courses, which allows special education teachers to work collaboratively with general education teachers in order to plan instruction and provide more support for special education students.

The percentage of students meeting CSU/UC requirements has remained steady despite recent school closures due to COVID-19: 63% in 2018, 72.6% in 2019, 69.2% in 2020, 73.2% in 2021, 66% in 2022, 70.3% in 2023, and 67.4% in 2024.

Based on previous WASC recommendations, the school is committed to our WASC Critical Areas for follow-up, which includes:

#1: Continue to ensure all students are college and/or career-ready.

#2: Continue to provide interventions to increase the proficiency of all populations in core classes with an emphasis on ELA and Math

#3: Increase universal access across all core curricula for our SPED and English Learners (ELL) populations.

NORTHVIEW VISION STATEMENT

Our students will be independent, resilient, life-long learners who have the skills necessary to succeed in a global society.

NORTHVIEW MISSION STATEMENT

The core purpose of Northview High School is to establish and empower a community of problem solvers who effectively collaborate, think critically, and communicate.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks. C-VUSD is currently piloting English Textbooks expected to be adopted in 2018-2019. Math is also reconsidering the adopted Prentice Text and are expected to pilot material in the very near future.

School Facility Conditions and Planned Improvements

Northview High School was built in 1960 and modernized in 1994. School facilities are situated on 43 acres and span more than 155,000 square feet. They consist of permanent and portable classrooms, a cafeteria, administrative offices, restrooms, and storage rooms. Large-scale modernizations are taking place as well as daily upkeep of facilities such as restrooms, cafeteria, classrooms, and offices. The site is checked by a safety team monthly and the work order system is effective and efficient for general upkeep of all areas of the school. The gym modernization included a new hardwood floor, bleachers, air-conditioning, upgraded snack stand, a new digital scoreboard with message board, state-of-the-art computerized audio/visual equipment, upgraded handicap accessible restrooms, and new sports equipment. A new wrestling room has been added as the program is expanding and was completed in December 2016. Our cafeteria facility is set to remodel this school year with new furniture, graphics, and serving locations. We have completed a new front entrance to the school. We have completed a new all-weather track and turf football field. A pool has been added to the site along with a pool house, locker room, and snack bar. A brand new quad with a ship as a stage has been added this year, along with the renovation of the library and a science lab.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 Career Technical Education Programs

The Career and Technical Education (CTE) courses offered by Northview High School follow the appropriate CTE course standards and offer a rigorous curriculum and work experience. The CTE courses provide a vehicle for students to develop the knowledge and skills needed to become educated and employable. The programs contain comprehensive offerings that integrate academics with occupation-specific knowledge and employable skills.

The Career Technical Education Advisory Committee validates current courses and provides additional recommendations in order to maintain a relevant CTE program. The Advisory Committee meets three times per year and includes representation from all pathways and Cal Poly Pomona and Mt. San Antonio College (Mt. Sac).

The Industries represented on the Advisory Committee include the following:

- Agriculture and Natural Resources
- Arts, Media and Entertainment
- Building and Construction
- Business and Finance
- Health Science and Medical Technology
- Hospitality, Tourism and Recreation
- Information and Communication Technology

2023-24 Career Technical Education Programs

Public Services

NVHS offers CTE courses in Arts, Media, and Entertainment (Professional Theater, Animation, Visual Commercial Art and Film/Video Production); Health Science and Medical Technology; Building and Construction; Public Services; and Information Technology and Education. The following CTE courses are offered at NVHS:

Arts, Media, and Entertainment - Animation:

1. Introduction to Animation 1
2. Digital Animation
3. Advanced Digital Animation

Arts, Media, and Entertainment - Visual Commercial Art:

1. Photo Communication Art

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade 9	99%	99%	99%	99%	99%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Family support is an integral part of the educational process. Without this vital link, the goals set in the Mission and Vision statements of the school would be unachievable. Making parents feel welcome in the school is important and has been at the core of our strategy to send the message that family involvement is essential to advance the educational program. To promote parent involvement in their children's education, communication to parents occurs weekly through Parent Square emails. Other methods of communication include the Weekly Newsletter, Back to School Night, Showcase, Northview's website, and social media. Parents are informed of every statewide assessment tool currently used by the school. Daily communication between school and home takes place as teachers, counselors, and administrators call home to deal with individual student needs. The school-home communication tool, Parent Square, allows teachers to share positive comments, homework assignments, attendance, and discipline concerns with parents on a daily basis. AERIES Parent Portal is an online way for parents and students to access up to the minute grade status of their children.

A coordinated effort between the community and the school provides a safe and nurturing environment for all children. Parents are leaders in decision-making in the PTSA, LCAP Advisory Committee, Booster/Support Groups, School Site Council, ELAC, and DELAC meetings. Northview also hosts "Coffee with the Principal" meetings throughout the year which provides families with opportunities for parents to learn about programs, ask questions, and provide feedback directly to administrators and counselors. Actively working together with student and parent organizations help to support the successful implementation of our Mission and Vision. Parents who wish to participate in Northviews' school committees, school activities, or become volunteers may contact school office personnel at (626) 974-6120.

2024-25 School Safety Plan

Northview High School's Comprehensive School Safety Plan was developed by administrators, school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement. The plan is designed to ensure a safe and orderly learning environment for students and staff. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff and School Site Council, and an updated copy is available to the public at the school and district office.

2024-25 School Safety Plan

At Northview High School, the safety of students and staff is our primary concern, and we take pride in our safe learning environment. Four campus supervisors and three administrators monitor the campus daily. Six campus custodians maintain a clean, sanitary, and safe campus. We have security cameras installed across campus, and we work closely with the Covina Police Department through our School Resource Officer. All visitors must check in at the school office to be screened by the Raptor Visitor Management System, and wear a visitor's badge while on school grounds. Our discipline policies curtail fighting and bullying, and are included in the Student Handbook that every student is responsible for reviewing and following. The school's Disaster Preparedness Plan includes steps for ensuring student and staff safety during a disaster. Staff members are trained in procedures and roles, and fire, lock down, and disaster drills are conducted regularly throughout the school year - including participation in the annual "Great California ShakeOut." Recently, with staff collaboration and input, we modified and streamlined our evacuation routes, and made improvements to fences and gates to allow safer ingress and egress. Every classroom now has the Disaster Preparedness Plan in a red folder on a clipboard hanging by the door for easy access. The Disaster Preparedness Plan is reviewed annually.
