Update Data for Multiple Sites	You can update data for multiple schools by clicking " Update Data - All Locations " in your Coordinator Menu (Coordinators only).
FIT Results	<p>DTS will import FIT Results for one or all schools on your behalf. You may send your completed CDE MS Excel FIT report to DTS by clicking here. Only the MS Excel version of the CDE FIT Tool can be imported to DTS. Please ensure that the FIT Tool sheet names have not been removed, renamed or otherwise altered.</p> <p>When downloading, please note that you may need to "Keep" the file based on your browser settings.</p>

PFT Results

LEAs are required to populate their own Physical Fitness Test Participation Percentages. We've created an import request spreadsheet to make it easy for you to provide the data to DTS. You can download the spreadsheet by [clicking here](#). Please provide one spreadsheet for all schools. You may send your results to DTS by [clicking here](#).

When downloading, please note that you may need to "Keep" the file based on your browser settings.

Input Section 4: 2024-25 School Overview

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

For more than a century, Covina-Valley Unified School District has served the communities of Covina, West Covina, San Dimas, and Irwindale. Covina-Valley Unified School District, established in 1896, serves approximately 12,000 students in Transitional Kindergarten through 12th grade on traditional school calendar systems. The District is comprised of nine elementary schools, three middle schools, three comprehensive high schools, a continuation high school, and an adult education program. The District also focuses on early childhood education to ensure that students have the readiness skills necessary to succeed in their TK-12 educational programs.

Covina High School has been at the hub of the San Gabriel Valley for over a century. Established in 1897, Covina High School served a community of citrus growers in a rural setting, which remained stable until after World War II. The post-war population boom hit the City of Covina significantly in the 1950's. Covina's population grew tenfold, stabilizing at its current population of just over 30,000. To meet this demand, a new campus was developed at its present location in 1956. Moreover, two additional comprehensive high schools were instituted by Covina-Valley Unified School District (C-VUSD) in the 1960's. An alternative high school campus and an adult education school complement the three comprehensive schools.

The campus retains a park-like setting featuring over 140 trees and a renovated student quad that promotes healthy student interaction. The environment is safe and positive. With a staff that features multiple Covina Alumni, loyalty to the school is a hallmark of the community. Covina High School is a school that values innovation, but also holds dear the respect of tradition. Enrollment in the current school year is approximately 1,200 students. Student demographics include 78% Hispanic, 8% White,

Input Section 4: 2024-25 School Overview

8% Asian, 3% African American and 3% of other diverse ethnic backgrounds. Covina High School is currently 78% socio-economically disadvantaged.

To attain accurate and valid measures of educational progress, Covina High School offers students multiple opportunities to meet our instructional focus of "expressing authentic ideas to real world situations." Multiple measures of student achievement are analyzed to monitor student progress and to evaluate the effectiveness of the instructional program.

Academically, At-Risk students are provided the following supports: a mandatory second English Language Intervention for all English Language Learners (ELL); Guided Study; Study Skills; Math Tutoring; Study Hall; ALEKS; READ 180; Khan Academy; Academic Saturday School; and Credit Recovery.

Specialized Department Statements:

Advanced Placement Program

Advanced Placement (AP) is a College Board program that offers Covina High School students the opportunity to take rigorous, college-level courses and earn college credit while in high school. Our AP teachers are highly trained and utilize research-based strategies to reach all students. Advanced Placement classes are open to all students. The content in AP courses is structured similarly to college coursework. Students who complete an AP course and take the end-of-course examination may qualify for college credit from postsecondary institutions, provided their score meets the institution's credit policy. These courses prepare students for further education and college admission offices often look favorably on a history of AP coursework on student transcripts.

Agricultural Program

Our Agricultural Program was chosen as the #1 single teacher program in the FFA Orange Section and the #2 single teacher program in the Southern FFA Region. Our farm allows us to offer Agriculture Science and Animal Science courses. These courses acquaint students with the six classes of livestock, plant science, and the various fields and phases of Agriculture. The students are introduced to Agriculture Science in a changing world, Biological Science, Plant Science, Animal Science, and ways to create improved plants and animals through technology. The Agriculture Science course also serves as an introductory course to the Biological Sciences. Opportunities are provided for students to participate in the National Future Farmers of America (FFA) and in vocational agriculture projects. The National FFA Organization helps develop students' potential for leadership, personal growth and career success through the education of agriculture. Covina High School students have the chance to raise animals to take to the Orange County Fair each year for judging and they can earn money from selling their products to various supporters from the community. FFA members at Covina High School follow the National FFA motto which is "Learning to Do, Doing to Learn, Earning to Live, Living to Serve."

Advancement Via Individual Determination – AVID Program

AVID is a specialized national program designed to motivate students on the fringe of academic success for admission to a four-year university and college. AVID offers the extra resources to realize and achieve their potential. Approximately 25% of our student population is involved in the program. The AVID program is designed to increase schoolwide learning and performance for students in grades 9th-12th. The purpose of the AVID program is to restructure the teaching methods of an entire school and to open access to the curricula that will ensure four-year college eligibility for almost all students. The mission of AVID is to ensure that all students, especially those historically underserved, are capable of completing a college preparatory path. Students will succeed in rigorous curriculum, will enter mainstream activities of the school, will increase their enrollment in a four-year college, and will become educated, responsible participants and leaders in a democratic society.

ELL Program

The English Language Development program at Covina High School provides English Language support at three levels. Beginner and Early Intermediate students are placed in ELD I for two periods of support per day. ELD II, for Intermediate students, is offered as support to their language development. Early Advanced and Advanced students are placed into ELD III. Students in ELD II and ELD III are placed into a college preparatory English class, utilizing SDAIE strategies at their grade level. Covina High School also utilizes Read 180 and i-Ready.

Engineering & Robotics (PLTW)

This pathway currently offers four sequential courses: Introduction to Engineering, Principles of Engineering, Robotics Engineering and the capstone course, Engineering Design and Development

Special Education Program

Input Section 4: 2024-25 School Overview

Special Education is a program to provide additional services and support to students who qualify due to learning and/or other disabilities. Specialized academic instruction is provided to students based on their level of need. Covina High School supports an inclusion model for all students (we currently have 11 co-teach sections in our master schedule), including those enrolled in our L.E.A.P. program (non-diploma track). The school has the support of 7 SAI teachers, a full-time Psychologist, a district Speech and Language Pathologist, and an Adaptive Physical Education teacher.

Medical Pathway

This pathway is designed for students who want to investigate the college and career field of Nursing. Students complete an early pathway of Health Science and Anatomy. In their junior year, students choose an area of focus and complete two specialized courses. Covina High School hopes to empower students to pursue higher education and become industry leaders in the areas of Health Science.

Visual and Performing Arts (VAPA)

This pathway is designed to provide a comprehensive experience in multiple courses that focus on Visual and Performing Arts. The pathways include Choir, Band, Theater, Film, Art, and Technology. Our students are introduced to industry experts and state of the art equipment.

Early College Program

Covina HS and Mt. San Antonio College have partnered to offer students the opportunity to take up to 31 transferable UC/CSU credits while enrolled in high school.

COVINA VISION AND MISSION STATEMENT

"Every Student, Every Day"

Covina High School Vision Statement:

"Covina High School is a community inspiring, passionate, innovative and life-long learners."

Covina High School Core Values:

Compassion, Creativity, Determination, Integrity, Responsibility, Teamwork

Covina High School Instructional Focus Statement:

"All students at Covina High School will show measurable growth in their ability to express authentic ideas applied to real-world situations, through speaking, writing and/or artistic expression, as measured by internal and external assessments."

Input Section 5: 2024-25 Opportunities for Parental Involvement

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Parents and the community are supportive of the educational programs at Covina High School. Parents have the opportunity for communication through our Parent Portal Access; email links; CHS Anonymous Tip Line; telephone to all teachers, counselors, and administrators; PTSA newsletters; School newsletters; auto-dialer telephone messages via ParentSquare; Social Media; and access through the web site to school bulletins and announcements.

Parents have opportunities for collaboration and feedback through many student/parent activities provided on our campus. Our Parent Teacher Student Association meets on the first Wednesday of each month and provide scholarships and support for our students throughout the year. Parents of our English Learners have an opportunity to participate in our ELAC (English Language Learner Acquisition Committee) to communicate with our staff regarding ELPAC scores and progress students are making to reach proficiency in English. School Site Council meets four times a year and is responsible for working together with the school site to approve our School Plans and monitor our School Site Budget. Our Booster Organizations for sports and extracurricular activities meet on a monthly basis as support groups and raise funds to help maintain a viable program. We provide other activities to help open lines of communication such as Back to School Night and our 8th Grade Parent Orientation Night. We have athletic, musical, and theatrical events throughout the year that allows parents to watch their students' performances. At the end of the year we have a Senior Awards Ceremony that parents attend to celebrate the accomplishments of their students throughout their career at Covina High School.

Input Section 5: 2024-25 Opportunities for Parental Involvement

Our counseling department has a College Career Fair and College and Financial Aid night for our parents and feeder schools to provide valuable information on colleges and the process of application and career planning. We also provide the Naviance Succeed Program which is a premier student success planning solution that provides support and guidance to students, families, and school staff to promote student achievement and post-secondary success. Counselors go to our feeder elementary schools and talk about college to prepare students for college readiness. Each student and parent meet once a year with their student's counselors to discuss their Individual Learning Plans and to monitor progress towards meeting graduation requirements and post secondary opportunities. Our counselors also go to nearby private schools and share our programs to recruit students to our campus.

Once a year all students attend a suicide prevention program to make students aware of the high rate of suicide among teens and steps on how to help students who are showing signs of at-risk behavior. There is a follow up meeting for all parents to share this important information with them so all stakeholders are informed. Counselors are available for any support needed after this information is received.

If you have any questions regarding any of our parent opportunities please feel free to contact 626-974-6020.

Input Section 6: 2024-25 School Safety Plan

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Note:

This section should include information about the school's Comprehensive School Safety Plan (CSSP), including the dates on which the safety plan was last annually reviewed, updated, board approved and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field).

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During brunch, lunch, and before and after school, staff members supervise students and school grounds, including the cafeteria to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office

Input Section 7: School Facility Conditions and Planned Improvements

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Covina High School was built in 1957 and modernized in 1994. School facilities are situated on 40 acres and span more than 132,000 square feet. They consist of permanent and portable classrooms, a gymnasium, a cafeteria, administrative offices, restrooms, and storage rooms. Recent renovations include new paint on the classroom doors, cement work around the buildings, resurfacing the student parking lot, and beautification of the campus to create a park-like setting. In the summer of 2007, there were athletic field improvements, the parking lots were patched and slurry sealed, and traffic/parking markings and curbs were painted. In June 2008, the roofs on buildings M and P were replaced. The interior of the kitchen, cafeteria, teachers' lounge, and restrooms were painted. ASB continued on the beautification of the campus by purchasing tables and benches, installing them in the quad for students to enjoy. In 2010, a 3.5 million dollar gym renovation project was completed which was supported by our Bond measure. In the summer of June 2011 modernization began on 8 classrooms to provide a Business Academy to our campus, the project was completed in July of 2012. Safety and cleanliness of our campus is a priority. Monthly inspections are made on classrooms and restrooms to meet district safety and cleanliness guidelines. District Maintenance and Grounds maintain the facilities and keep them in good repair. The facility strongly supports teaching and learning through its ample classrooms and recreational space

Input Section 8: 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Note:

List all textbooks and instructional materials used in the school in core subjects (reading/language arts, math, science, and history-social science).

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

Input Section 9: 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

These fields will be populated by DTS with data provided by CDE as it becomes available:

- District Average Teacher Salary
- State Expenditures Per Pupil (Unrestricted)
- State Average Teacher Salary
- Percent Difference - School Site and District
- Percent Difference - School Site and State

The fields listed below should be reviewed and updated by the LEA/School:

- School Total Expenditures Per Pupil (School)
- School Expenditures Per Pupil (Restricted)
- School Expenditures Per Pupil (Unrestricted)
- School Average Teacher Salary (School)
- District Expenditures Per Pupil (Unrestricted)

Note:

The most recent data available from CDE is for the fiscal year 2022-23. For comparison purposes, data for the same fiscal year is requested from the school.

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary

Input Section 10: 2023-24 Types of Services Funded

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

In addition to State general funding, Covina-Valley Unified School District receives State and Federal grant funding for special programs:

- Title I, II, III, IV
- Special Education
- Home-to-School Transportation
- Carl Perkins
- Expanded Learning Opportunities
- Universal PreKindergarten Planning & Implementation
- A-G Success
- Arts, Music & Instructional Materials
- Educators Effectiveness
- Homeless Children and Youth
- Learning Recovery
- Career Technical Education Incentive Grant(CTEIG)
- Strong Workforce
- Golden Pathways
- Middle College and Dual Opportunities
- CCAP College and Careers
- CAI California Apprentice Grant

These funds are used for personnel, materials, supplies, equipment, parent involvement, and professional development to help close the achievement gap for all students. Personnel costs include Title I Intervention teachers, EL TOSA, additional counselor hours, and additional hours for before/after school tutoring. Materials and supplies include supplemental reading, math, the arts, CTE, and mental health programs.

Input Section 11: 2023-24 California Physical Fitness Test Percentage of Students Participating

This field should be reviewed and updated by the LEA/School.

Only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) should appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

You may send your PFT Participation Percentages to DTS using the spreadsheet provided by [clicking here](#). You may send your results to DTS by [clicking here](#).

Input Section 12: Professional Development

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (4 days)
- * UCI Math (2 days)
- * Principal Workshops (19 days)
- * Technology Mentor (8 days)
- * Staff Leadership (2 days)
- * Write from the Beginning and Beyond (7 days)
- * Math Intervention (1 day)
- * Twig Science (14 days)
- * New Teacher Orientation (2 days)
- * Iready (ongoing monthly)

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	75	89	59

Input Section 13: Career Technical Education Programs (Grades 9-12 Only)

**This section applies to schools serving grades 9-12 only.
If your school does not serve grades 9-12, simply skip and leave this section blank.
It will not be included in the full SARC.**

2023-24 Career Technical Education Programs

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

To complete this section, provide:

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

The Career and Technical Education (CTE) courses offered by Covina High School follow the appropriate CTE course standards and offer a rigorous curriculum and work experience. The CTE courses provide a vehicle for students to develop the knowledge and skills needed to become educated and employable. The programs contain comprehensive offerings that integrate academics with occupation-specific knowledge and employable skills.

The Career Technical Education Advisory Committee validates current courses and provides additional recommendations in order to maintain a relevant CTE program. The Advisory Committee meets three times per year and includes representation from all pathways and Cal Poly Pomona and Mt. San Antonio College (Mt. Sac).

2023-24 Career Technical Education Programs

The Industries represented on the Advisory Committee include the following:

Agriculture and Natural Resources
Arts, Media, and Entertainment
Building and Construction
Business and Finance
Health Science and Medical Technology
Hospitality, Tourism, and Recreation
Information and Communication Technology
Public Services

CHS offers CTE courses in Agriculture and Natural Resources; Health Science and Medical Technology, Arts, Media and Entertainment; and Engineering. The following CTE courses are offered at CHS:

Agriculture and Natural Resources:

1. Agriscience Soil Chemistry
2. Biology Sustainable Agriculture
3. Agriculture Economics
4. Animal Science
5. Vet Science

Health Science and Medical Technology:

1. Health Science

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

For more than a century, Covina-Valley Unified School District has served the communities of Covina, West Covina, San Dimas, and Irwindale. Covina-Valley Unified School District, established in 1896, serves approximately 12,000 students in Transitional Kindergarten through 12th grade on traditional school calendar systems. The District is comprised of nine elementary schools, three middle schools, three comprehensive high schools, a continuation high school, and an adult education program. The District also focuses on early childhood education to ensure that students have the readiness skills necessary to succeed in their TK-12 educational programs.

Covina High School has been at the hub of the San Gabriel Valley for over a century. Established in 1897, Covina High School served a community of citrus growers in a rural setting, which remained stable until after World War II. The post-war population boom hit the City of Covina significantly in the 1950's. Covina's population grew tenfold, stabilizing at its current population of just over 30,000. To meet this demand, a new campus was developed at its present location in 1956. Moreover, two additional comprehensive high schools were instituted by Covina-Valley Unified School District (C-VUSD) in the 1960's. An alternative high school campus and an adult education school complement the three comprehensive schools.

The campus retains a park-like setting featuring over 140 trees and a renovated student quad that promotes healthy student interaction. The environment is safe and positive. With a staff that features multiple Covina Alumni, loyalty to the school is a hallmark of the community. Covina High School is a school that values innovation, but also holds dear the respect of tradition. Enrollment in the current school year is approximately 1,200 students. Student demographics include 78% Hispanic, 8% White, 8% Asian, 3% African American and 3% of other diverse ethnic backgrounds. Covina High School is currently 78% socio-economically disadvantaged.

To attain accurate and valid measures of educational progress, Covina High School offers students multiple opportunities to meet our instructional focus of "expressing authentic ideas to real world situations." Multiple measures of student achievement are analyzed to monitor student progress and to evaluate the effectiveness of the instructional program.

Academically, At-Risk students are provided the following supports: a mandatory second English Language Intervention for all English Language Learners (ELL); Guided Study; Study Skills; Math Tutoring; Study Hall; ALEKS; READ 180; Khan Academy; Academic Saturday School; and Credit Recovery.

Specialized Department Statements:

Advanced Placement Program

Advanced Placement (AP) is a College Board program that offers Covina High School students the opportunity to take rigorous, college-level courses and earn college credit while in high school. Our AP teachers are highly trained and utilize research-based strategies to reach all students. Advanced Placement classes are open to all students. The content in AP courses is structured similarly to college coursework. Students who complete an AP course and take the end-of-course examination may qualify for college credit from postsecondary institutions, provided their score meets the institution's credit policy. These courses prepare students for further education and college admission offices often look favorably on a history of AP coursework on student transcripts.

Agricultural Program

Our Agricultural Program was chosen as the #1 single teacher program in the FFA Orange Section and the #2 single teacher program in the Southern FFA Region. Our farm allows us to offer Agriculture Science and Animal Science courses. These courses acquaint students with the six classes of livestock, plant science, and the various fields and phases of Agriculture. The

2024-25 School Description and Mission Statement

students are introduced to Agriculture Science in a changing world, Biological Science, Plant Science, Animal Science, and ways to create improved plants and animals through technology. The Agriculture Science course also serves as an introductory course to the Biological Sciences. Opportunities are provided for students to participate in the National Future Farmers of America (FFA) and in vocational agriculture projects. The National FFA Organization helps develop students' potential for leadership, personal growth and career success through the education of agriculture. Covina High School students have the chance to raise animals to take to the Orange County Fair each year for judging and they can earn money from selling their products to various supporters from the community. FFA members at Covina High School follow the National FFA motto which is "Learning to Do, Doing to Learn, Earning to Live, Living to Serve."

Advancement Via Individual Determination – AVID Program

AVID is a specialized national program designed to motivate students on the fringe of academic success for admission to a four-year university and college. AVID offers the extra resources to realize and achieve their potential. Approximately 25% of our student population is involved in the program. The AVID program is designed to increase schoolwide learning and performance for students in grades 9th-12th. The purpose of the AVID program is to restructure the teaching methods of an entire school and to open access to the curricula that will ensure four-year college eligibility for almost all students. The mission of AVID is to ensure that all students, especially those historically underserved, are capable of completing a college preparatory path. Students will succeed in rigorous curriculum, will enter mainstream activities of the school, will increase their enrollment in a four-year college, and will become educated, responsible participants and leaders in a democratic society.

ELL Program

The English Language Development program at Covina High School provides English Language support at three levels. Beginner and Early Intermediate students are placed in ELD I for two periods of support per day. ELD II, for Intermediate students, is offered as support to their language development. Early Advanced and Advanced students are placed into ELD III. Students in ELD II and ELD III are placed into a college preparatory English class, utilizing SDAIE strategies at their grade level. Covina High School also utilizes Read 180 and i-Ready.

Engineering & Robotics (PLTW)

This pathway currently offers four sequential courses: Introduction to Engineering, Principles of Engineering, Robotics Engineering and the capstone course, Engineering Design and Development

Special Education Program

Special Education is a program to provide additional services and support to students who qualify due to learning and/or other disabilities. Specialized academic instruction is provided to students based on their level of need. Covina High School supports an inclusion model for all students (we currently have 11 co-teach sections in our master schedule), including those enrolled in our L.E.A.P. program (non-diploma track). The school has the support of 7 SAI teachers, a full-time Psychologist, a district Speech and Language Pathologist, and an Adaptive Physical Education teacher.

Medical Pathway

This pathway is designed for students who want to investigate the college and career field of Nursing. Students complete an early pathway of Health Science and Anatomy. In their junior year, students choose an area of focus and complete two specialized courses. Covina High School hopes to empower students to pursue higher education and become industry leaders in the areas of Health Science.

Visual and Performing Arts (VAPA)

This pathway is designed to provide a comprehensive experience in multiple courses that focus on Visual and Performing Arts. The pathways include Choir, Band, Theater, Film, Art, and Technology. Our students are introduced to industry experts and state of the art equipment.

Early College Program

Covina HS and Mt. San Antonio College have partnered to offer students the opportunity to take up to 31 transferable UC/CSU credits while enrolled in high school.

COVINA VISION AND MISSION STATEMENT

"Every Student, Every Day"

Covina High School Vision Statement:

"Covina High School is a community inspiring, passionate, innovative and life-long learners."

2024-25 School Description and Mission Statement

Covina High School Core Values:
Compassion, Creativity, Determination, Integrity, Responsibility, Teamwork

Covina High School Instructional Focus Statement:
"All students at Covina High School will show measurable growth in their ability to express authentic ideas applied to real-world situations, through speaking, writing and/or artistic expression, as measured by internal and external assessments."

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Covina High School was built in 1957 and modernized in 1994. School facilities are situated on 40 acres and span more than 132,000 square feet. They consist of permanent and portable classrooms, a gymnasium, a cafeteria, administrative offices, restrooms, and storage rooms. Recent renovations include new paint on the classroom doors, cement work around the buildings, resurfacing the student parking lot, and beautification of the campus to create a park-like setting. In the summer of 2007, there were athletic field improvements, the parking lots were patched and slurry sealed, and traffic/parking markings and curbs were painted. In June 2008, the roofs on buildings M and P were replaced. The interior of the kitchen, cafeteria, teachers' lounge, and restrooms were painted. ASB continued on the beautification of the campus by purchasing tables and benches, installing them in the quad for students to enjoy. In 2010, a 3.5 million dollar gym renovation project was completed which was supported by our Bond measure. In the summer of June 2011 modernization began on 8 classrooms to provide a Business Academy to our campus, the project was completed in July of 2012. Safety and cleanliness of our campus is a priority. Monthly inspections are made on classrooms and restrooms to meet district safety and cleanliness guidelines. District Maintenance and Grounds maintain the facilities and keep them in good repair. The facility strongly supports teaching and learning through its ample classrooms and recreational space

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	26	22	35	37	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2023-24 Career Technical Education Programs

The Career and Technical Education (CTE) courses offered by Covina High School follow the appropriate CTE course standards and offer a rigorous curriculum and work experience. The CTE courses provide a vehicle for students to develop the knowledge and skills needed to become educated and employable. The programs contain comprehensive offerings that integrate academics with occupation-specific knowledge and employable skills.

The Career Technical Education Advisory Committee validates current courses and provides additional recommendations in order to maintain a relevant CTE program. The Advisory Committee meets three times per year and includes representation from all pathways and Cal Poly Pomona and Mt. San Antonio College (Mt. Sac).

The Industries represented on the Advisory Committee include the following:

- Agriculture and Natural Resources
- Arts, Media, and Entertainment
- Building and Construction
- Business and Finance
- Health Science and Medical Technology
- Hospitality, Tourism, and Recreation
- Information and Communication Technology

2023-24 Career Technical Education Programs

Public Services

CHS offers CTE courses in Agriculture and Natural Resources; Health Science and Medical Technology, Arts, Media and Entertainment; and Engineering. The following CTE courses are offered at CHS:

Agriculture and Natural Resources:

1. Agriscience Soil Chemistry
2. Biology Sustainable Agriculture
3. Agriculture Economics
4. Animal Science
5. Vet Science

Health Science and Medical Technology:

1. Health Science
2. Health Career
3. Nurse Assistance

Arts, Media, and Entertainment:

1. Introduction to Theater Arts
2. Play Production
3. Introduction and Advanced Acting
4. Choir
5. Pop Ensemble

Business and Finance; Marketing Sales and Services

1. Introduction to Personal Finance

Engineering and Architecture:

1. Introduction to Engineering and Design - PLTW
2. Principles of Engineering and Design
3. Robotics Engineering
4. Engineering Design and Development - PLTW

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents and the community are supportive of the educational programs at Covina High School. Parents have the opportunity for communication through our Parent Portal Access; email links; CHS Anonymous Tip Line; telephone to all teachers, counselors, and administrators; PTSA newsletters; School newsletters; auto-dialer telephone messages via ParentSquare; Social Media; and access through the web site to school bulletins and announcements.

Parents have opportunities for collaboration and feedback through many student/parent activities provided on our campus. Our Parent Teacher Student Association meets on the first Wednesday of each month and provide scholarships and support for our students throughout the year. Parents of our English Learners have an opportunity to participate in our ELAC (English Language Learner Acquisition Committee) to communicate with our staff regarding ELPAC scores and progress students are making to reach proficiency in English. School Site Council meets four times a year and is responsible for working together with the school site to approve our School Plans and monitor our School Site Budget. Our Booster Organizations for sports and extracurricular activities meet on a monthly basis as support groups and raise funds to help maintain a viable program. We provide other activities to help open lines of communication such as Back to School Night and our 8th Grade Parent Orientation Night. We have athletic, musical, and theatrical events throughout the year that allows parents to watch their students' performances. At the end of the year we have a Senior Awards Ceremony that parents attend to celebrate the accomplishments of their students throughout their career at Covina High School.

Our counseling department has a College Career Fair and College and Financial Aid night for our parents and feeder schools to provide valuable information on colleges and the process of application and career planning. We also provide the Naviance Succeed Program which is a premier student success planning solution that provides support and guidance to students, families, and school staff to promote student achievement and post-secondary success. Counselors go to our feeder elementary schools and talk about college to prepare students for college readiness. Each student and parent meet once a year with their student's counselors to discuss their Individual Learning Plans and to monitor progress towards meeting graduation requirements and post secondary opportunities. Our counselors also go to nearby private schools and share our programs to recruit students to our campus.

Once a year all students attend a suicide prevention program to make students aware of the high rate of suicide among teens and steps on how to help students who are showing signs of at-risk behavior. There is a follow up meeting for all parents to share this important information with them so all stakeholders are informed. Counselors are available for any support needed after this information is received.

If you have any questions regarding any of our parent opportunities please feel free to contact 626-974-6020.

2024-25 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During

2024-25 School Safety Plan

brunch, lunch, and before and after school, staff members supervise students and school grounds, including the cafeteria to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office

Professional Development

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (4 days)
- * UCI Math (2 days)
- * Principal Workshops (19 days)
- * Technology Mentor (8 days)
- * Staff Leadership (2 days)
- * Write from the Beginning and Beyond (7 days)
- * Math Intervention (1 day)
- * Twig Science (14 days)
- * New Teacher Orientation (2 days)
- * Iready (ongoing monthly)

This table displays the number of school days dedicated to staff development and continuous improvement.
