## Input Section 4: 2024-25 School Overview

**This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.**

Sierra Vista Middle School is located in the southwestern section of the City of Covina. The school was built in 1964 and serves approximately 775 students in grades 6th, 7th, and 8th. In the 2021-2022 school year, 65% of the students were identified as socioeconomically disadvantaged, 8% are identified as English Language Learners, and 12% are identified as students with disabilities. The makeup of the population of Sierra Vista is 78% Hispanic, 8% White, 7% Asian, and 7% other ethnicities.

Sierra Vista Middle School is committed to creating a better world through education. All students engage in a well-rounded, rigorous curriculum that encourages lifelong learning and character education in order to become caring, compassionate, and contributing members of society. To achieve these goals, Sierra Vista approaches learning through problem-solving, critical thinking, and real-world application. Our site Instructional Leadership Team established critical thinking as our school-wide focus. Our goal is to utilize depths of knowledge levels to support student mastery of content.

Sierra Vista has implemented an AVID program beginning in 2019. Teachers utilize several of AVID's best practices to help further the endeavor to align curriculum, instruction, assessments, and interventions to high academic standards. Over the last three years, the school has gone from having one AVID elective class to five, with 56% of the staff trained in AVID strategies. The Sierra Vista staff has embraced the Writing, Inquiry, Collaboration, Organization, and Reading (WICOR) strategies and is making progress toward implementing AVID schoolwide. Each department has selected specific WICOR strategies that they use in their classrooms across all three grade levels. AVID Close Reading strategies and Marking the Text are used as signature practices to help increase reading comprehension. Our PLCs spent collaborative time dissecting which WICOR

## Input Section 4: 2024-25 School Overview

strategy would work best for student learning in their content area. Once the strategy was determined, it was shared among all PLCs. Departments moved forward to adopt their own common WICOR strategies to support student learning.

Middle school students face not only academic challenges but many social and emotional challenges as well. The Sierra Vista student is no different. To address these needs, the staff is intentional when making attempts to engage and connect with their students. During distance learning, Sierra Vista began implementing the Character Strong program as a Tier 1 intervention that introduces social-emotional support into the classroom. Each week, a core teacher walks students through high-impact SEL lessons to help build a bridge with the students and support them emotionally. Since implementing this program, many teachers have highlighted how much more students are willing to open up to them and have increased the sense of community in the classroom and on campus.

Sierra Vista Middle School is proud to have been recognized as a California Pivotal Practice in 2022, California School To Watch in 2018 and 2022, an Honor Roll School in 2017, 2018, and 2020, a State School of Character in 2016, and California Distinguished School in 2014.

## Input Section 5: 2024-25 Opportunities for Parental Involvement

**This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.**

Parents and the community are very supportive of the educational and extracurricular programs at Sierra Vista Middle School. Many programs and activities are enriched by the generous contributions made by the Parent Teacher Association (PTA) and other business partnerships. The school holds several events throughout the school year in which parents and community members can participate including Renaissance Assemblies (student recognition), AVID Family Nights, Band and Chorus concerts, Drama productions, "Builders Club" (volunteer programs/community outreach and support), Career Day, School Site Council, English Learner Advisory Committee, and PTA Meetings.

The school calendar, Falcon e-news, and special event flyers are sent home throughout the year to keep parents informed of upcoming events. In addition, information is posted on the Sierra Vista Middle School web page.

Parents who wish to get involved in supporting activities may contact school office personnel at (626) 974-7300.

Covina-Valley prioritizes Parental Involvement by actively engaging parents in decision-making processes at both the district and school levels. The collaborative efforts include the establishment of School Site Councils, English Learner Advisory Committees (ELAC), District Advisory Council/District English Learner Advisory Committee (DAC/DELAC), and participation in the Local Control and Accountability Plan (LCAP) advisory.

Through these forums, parents contribute valuable insights, perspectives, and feedback that play a crucial role in shaping the direction of our school and district. In addition, they ensure an inclusive approach to decision-making, reflecting our school and district community's diverse needs and perspectives.

### Input Section 6: 2024-25 School Safety Plan

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

**Note:**

This section should include information about the school’s Comprehensive School Safety Plan (CSSP), including the dates on which the safety plan was last annually reviewed, updated, board approved and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field).

Safety of students and staff is our primary concern. We comply with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school’s disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, active shooter, and disaster drills are conducted regularly throughout the school year. We annually participate in the “Great California ShakeOut”. The school’s Safe School Plans are reviewed annually by a law enforcement officer.

All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, passing periods, and before and after school, staff members supervise students and school grounds, including the cafeteria and quad area, to ensure a safe and orderly environment. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

### Input Section 7: School Facility Conditions and Planned Improvements

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Sierra Vista Middle School was built in 1962, with portable buildings added in 1995, 1997, 1999, 2001, and 2004. School facilities are situated on 15 acres and span more than 78,000 square feet. They consist of permanent and portable classrooms, a multipurpose room, administrative offices, restrooms, and storage rooms. Recent improvement projects at Sierra Vista Middle School include new electrical and air conditioning systems to promote energy conservation, new carpeting, re-painting of all facilities, complete renovation of 24 classrooms and the library. These projects were completed by June 2006. In the summer of 2007 the administration building and staff lounge were renovated with paint, carpet, and tile. Parking lot was patched and slurry sealed, traffic/parking markings and curbs painted. The expansion of Sierra Vista's Library Media Center and new quad area was completed in October 2009. In the summer of 2010 the front parking lot and fire lane were completely removed and replaced with new asphalt to help the site with increased flow of traffic. New concrete basketball courts were also completed in this project. The facility strongly supports teaching and learning through its ample classrooms and playground space.

### Input Section 8: 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

**This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.**

**Note:**

**List all textbooks and instructional materials used in the school in core subjects (reading/language arts, math, science, and history-social science).**

**If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.**

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

**Input Section 9: 2022-23 Expenditures Per Pupil and School Site Teacher Salaries**

These fields will be populated by DTS with data provided by CDE as it becomes available:

- District Average Teacher Salary
- State Expenditures Per Pupil (Unrestricted)
- State Average Teacher Salary
- Percent Difference - School Site and District
- Percent Difference - School Site and State

The fields listed below should be reviewed and updated by the LEA/School:

- School Total Expenditures Per Pupil (School)
- School Expenditures Per Pupil (Restricted)
- School Expenditures Per Pupil (Unrestricted)
- School Average Teacher Salary (School)
- District Expenditures Per Pupil (Unrestricted)

**Note:**  
The most recent data available from CDE is for the fiscal year 2022-23. For comparison purposes, data for the same fiscal year is requested from the school.

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

## Input Section 10: 2023-24 Types of Services Funded

**This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.**

In addition to State general funding, Covina-Valley Unified School District receives State and Federal grant funding for special programs:

- Title I, II, III, IV
- Special Education
- Home-to-School Transportation
- Carl Perkins
- Expanded Learning Opportunities
- Universal PreKindergarten Planning & Implementation
- A-G Success
- Arts, Music & Instructional Materials
- Educators Effectiveness
- Homeless Children and Youth
- Learning Recovery
- Career Technical Education Incentive Grant(CTEIG)
- Strong Workforce
- Golden Pathways
- Middle College and Dual Opportunities
- CCAP College and Careers
- CAI California Apprentice Grant

These funds are used for personnel, materials, supplies, equipment, parent involvement, and professional development to help close the achievement gap for all students. Personnel costs include Title I Intervention teachers, EL TOSA, additional counselor hours, and additional hours for before/after school tutoring. Materials and supplies include supplemental reading, math, the arts, CTE, and mental health programs.

## Input Section 11: 2023-24 California Physical Fitness Test Percentage of Students Participating

**This field should be reviewed and updated by the LEA/School.**

**Only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) should appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.**

**You may send your PFT Participation Percentages to DTS using the spreadsheet provided by [clicking here](#). You may send your results to DTS by [clicking here](#).**

## Input Section 12: Professional Development

**This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.**

Covina-Valley provides over 80 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- \* Lindamood-Bell (27 days)
- \* UCI Math (13 days)
- \* Principal Workshops (19 days)
- \* Technology Mentor AI (4 days)
- \* Steve Ventura ( 10 days)
- \* Staff Leadership (3 days)
- \* Write from the Beginning and Beyond ( 4 days)
- \* Math Intervention (2 days)
- \* Science Adoption ( 3 days)
- \* New Teacher Orientation (2 days)
- \* Iready (2 days)

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	75	89	

## Input Section 13: Career Technical Education Programs (Grades 9-12 Only)

**This section applies to schools serving grades 9-12 only.  
If your school does not serve grades 9-12, simply skip and leave this section blank.  
It will not be included in the full SARC.**

### 2023-24 Career Technical Education Programs

**This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.**

**To complete this section, provide:**

- A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and
- A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and
- A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.

**THE REMAINING SECTIONS ARE PROVIDED FOR REVIEW AND INCLUDE THE UPDATES FROM YOUR INPUT SECTIONS**

## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

### Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

Sierra Vista has implemented an AVID program beginning in 2019. Teachers utilize several of AVID's best practices to help further the endeavor to align curriculum, instruction, assessments, and interventions to high academic standards. Over the last three years, the school has gone from having one AVID elective class to five, with 56% of the staff trained in AVID strategies. The Sierra Vista staff has embraced the Writing, Inquiry, Collaboration, Organization, and Reading (WICOR) strategies and is making progress toward implementing AVID schoolwide. Each department has selected specific WICOR strategies that they use in their classrooms across all three grade levels. AVID Close Reading strategies and Marking the Text are used as signature practices to help increase reading comprehension. Our PLCs spent collaborative time dissecting which WICOR strategy would work best for student learning in their content area. Once the strategy was determined, it was shared among all PLCs. Departments moved forward to adopt their own common WICOR strategies to support student learning.

Middle school students face not only academic challenges but many social and emotional challenges as well. The Sierra Vista student is no different. To address these needs, the staff is intentional when making attempts to engage and connect with their students. During distance learning, Sierra Vista began implementing the Character Strong program as a Tier 1 intervention that introduces social-emotional support into the classroom. Each week, a core teacher walks students through high-impact SEL lessons to help build a bridge with the students and support them emotionally. Since implementing this program, many teachers have highlighted how much more students are willing to open up to them and have increased the sense of community in the classroom and on campus.

Sierra Vista Middle School is proud to have been recognized as a California Pivotal Practice in 2022, California School To Watch in 2018 and 2022, an Honor Roll School in 2017, 2018, and 2020, a State School of Character in 2016, and California Distinguished School in 2014.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

## School Facility Conditions and Planned Improvements

Sierra Vista Middle School was built in 1962, with portable buildings added in 1995, 1997, 1999, 2001, and 2004. School facilities are situated on 15 acres and span more than 78,000 square feet. They consist of permanent and portable classrooms, a multipurpose room, administrative offices, restrooms, and storage rooms. Recent improvement projects at Sierra Vista Middle School include new electrical and air conditioning systems to promote energy conservation, new carpeting, re-painting of all facilities, complete renovation of 24 classrooms and the library. These projects were completed by June 2006. In the summer of 2007 the administration building and staff lounge were renovated with paint, carpet, and tile. Parking lot was patched and slurry sealed, traffic/parking markings and curbs painted. The expansion of Sierra Vista's Library Media Center and new quad area was completed in October 2009. In the summer of 2010 the front parking lot and fire lane were completely removed and replaced with new asphalt to help the site with increased flow of traffic. New concrete basketball courts were also completed in this project. The facility strongly supports teaching and learning through its ample classrooms and playground space.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2024-25 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational and extracurricular programs at Sierra Vista Middle School. Many programs and activities are enriched by the generous contributions made by the Parent Teacher Association (PTA) and other business partnerships. The school holds several events throughout the school year in which parents and community members can participate including Renaissance Assemblies (student recognition), AVID Family Nights, Band and Chorus concerts, Drama productions, "Builders Club" (volunteer programs/community outreach and support), Career Day, School Site Council, English Learner Advisory Committee, and PTA Meetings.

The school calendar, Falcon e-news, and special event flyers are sent home throughout the year to keep parents informed of upcoming events. In addition, information is posted on the Sierra Vista Middle School web page.

Parents who wish to get involved in supporting activities may contact school office personnel at (626) 974-7300.

Covina-Valley prioritizes Parental Involvement by actively engaging parents in decision-making processes at both the district and school levels. The collaborative efforts include the establishment of School Site Councils, English Learner Advisory

## 2024-25 Opportunities for Parental Involvement

Committees (ELAC), District Advisory Council/District English Learner Advisory Committee (DAC/DELAC), and participation in the Local Control and Accountability Plan (LCAP) advisory.

Through these forums, parents contribute valuable insights, perspectives, and feedback that play a crucial role in shaping the direction of our school and district. In addition, they ensure an inclusive approach to decision-making, reflecting our school and district community's diverse needs and perspectives.

## 2024-25 School Safety Plan

Safety of students and staff is our primary concern. We comply with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, active shooter, and disaster drills are conducted regularly throughout the school year. We annually participate in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer.

All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, passing periods, and before and after school, staff members supervise students and school grounds, including the cafeteria and quad area, to

ensure a safe and orderly environment. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.
