Input Section 4: 2024-25 School Overview

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

At South Hills, we “Show What We Know” with a strong focus on instruction, school culture, and a thriving participation in extracurricular activities. We provide a relevant, high quality education that inspires our diverse student body to be prepared for college and career opportunities in a global society. Consequently, our staff is committed to providing all students with necessary skills and knowledge to become lifelong learners, effective communicators, and responsible and productive citizens. Our retrofitted campus is located in a suburban community on the eastern fringe of Los Angeles County. With panoramic views from Mount Wilson to Mount Baldy, South Hills High School (SHHS) serves the municipalities of Covina, West Covina, San Dimas, and Walnut. Community housing is mixed in this quiet residential area with mid-ranged priced homes located to the north, high-ranged priced homes to the south, and several subsidized apartment complexes within the school’s boundaries. We are situated in an ideal location with numerous community colleges and public and private universities nearby.

The South Hills enrollment has remained stable at 1,600 students with close to 600 of those students on permits from other districts because they want to attend one of the best high schools in the San Gabriel Valley, with South Hills being a destination school. The demographics have completely changed since its inception from predominantly Caucasian to Hispanic, with a representational number of students of African-American and Asian Pacific Rim ethnicities. South Hills currently serves a student body with approximately 66% free and reduced lunch.

The school day consists of seven, 52-minute periods, five days a week. Most content area teachers share a common prep period for additional collaboration time, as well as a teacher prep to plan for class work and planning every day. Twice a month

Input Section 4: 2024-25 School Overview

on Tuesdays, our staff has a late start with a modified bell scheduled for an additional 90 minutes of professional development time.

South Hills High School has a well-trained and dedicated staff, with a high teacher retention rate. Of the 66 full-time teachers, all are No Child Left Behind (NCLB) compliant and possess English Learner (EL) authorization. Out of all our teachers, 90% of the teaching staff is tenured. In addition to our teaching staff, the West-Covina Police Department partners with the District to provide a school resource officer (SRO) on campus, which is vital to maintaining a safe and secure school environment.

The SHHS Professional Development Program was implemented with the current administration and staff to help build capacity for professional learning and to serve as a catalyst for positive changes to our school and culture. Over the past two years, the program is responsible for creating a unified and focused Single Plan for Student Achievement (SPSA) that is based on our WASC, district and school goals, and aligns targeted and valuable professional development to help meet those goals. At the heart of our SHHS Professional Development Program, is the Instructional Leadership Team. The team is comprised of administrators, elected department chairs, program specialists, and coordinators. Student performance data, survey feedback, and evidence of best practices have helped to create a culture and foundation for sustained growth and improved achievement.

Input Section 5: 2024-25 Opportunities for Parental Involvement

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Parents and the community are highly supportive of the educational programs at South Hills High School. Numerous programs and activities are enhanced by the generous contributions from local businesses, community members, and parents. We have an active PTSA that meets monthly to explore new ways to support our school. They operate the snack bar at football games to fund student scholarships and organize our annual Grad Night celebration at Disneyland. Additionally, they manage our PTSA Reflections competition, which encourages student submissions in the arts, and provide lunch and snacks for our staff during staff appreciation days throughout the year.

Parents have multiple opportunities to engage with our staff through events like School Site Council, Coffee with the Principal, Back-to-School Night, various award ceremonies and Light Up the Night. Many parents also attend our student rallies and celebrations throughout the year. Those interested in joining South Hills High School's School Site Council, leadership team, committees, or school activities, or volunteering on campus, can reach out directly to the principal or contact the school office at (626) 974-6270.

To further support parent education and engagement, Title I funds allow us to offer additional resources and workshops designed to help parents navigate their students' academic journeys. These opportunities empower parents with the knowledge and skills to effectively support their children's success, creating a strong partnership between school and home.

Input Section 6: 2024-25 School Safety Plan

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

Note:

This section should include information about the school’s Comprehensive School Safety Plan (CSSP), including the dates on which the safety plan was last annually reviewed, updated, board approved and discussed with school faculty and a student representative, as well as a brief description of the key elements of the plan (do not paste your entire safety plan in this field).

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school’s disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the “Great California ShakeOut”. The school’s Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is “fluid” and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office, have their ID run through our RAPTOR system, and wear a visitor badge while on school grounds. During lunch, breaks, and before and after school, staff members supervise students and school grounds, including the cafeteria and quad, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. Our plan was reviewed by our School Site Council and approved on October 11, 2022. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

Input Section 7: School Facility Conditions and Planned Improvements

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

South Hills High School was built in 1964 with portable buildings added in 1999, 2009, and 2011. School facilities are situated on 30 acres and span more than 189,000 square feet. They consist of permanent and portable classrooms, a gymnasium, administrative offices, restrooms, and storage rooms. Facility improvement projects at South Hills High School include modernization and expansion of the gymnasium. In April 2009 the modernization of H2 began. This is the transformation of 12 classrooms into 6 classrooms that are an Information Technology Academy. Also installed in August 2009, was an additional DSA approved elevator for H3. A new two story modular building has been completed and gives South Hills six additional state-of-the-art classrooms and new restroom facilities. In April 2011, a \$2.3 million dollar field improvement project began with complete renovation of all sports fields, a new football field with track lighting, restroom facilities, concrete basketball playing surface, erosion control, handicap access, and improved irrigation for water conservation. The facility strongly supports teaching and learning through its ample classrooms and recreational space.

Input Section 8: 2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Note:

List all textbooks and instructional materials used in the school in core subjects (reading/language arts, math, science, and history-social science).

If an insufficiency exists, the description must identify the percent of students who lack sufficient textbooks and instructional materials. Be sure to use the most recent available data collected by the LEA and note the year and month in which the data were collected.

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

Input Section 9: 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

These fields will be populated by DTS with data provided by CDE as it becomes available:

- District Average Teacher Salary
- State Expenditures Per Pupil (Unrestricted)
- State Average Teacher Salary
- Percent Difference - School Site and District
- Percent Difference - School Site and State

The fields listed below should be reviewed and updated by the LEA/School:

- School Total Expenditures Per Pupil (School)
- School Expenditures Per Pupil (Restricted)
- School Expenditures Per Pupil (Unrestricted)
- School Average Teacher Salary (School)
- District Expenditures Per Pupil (Unrestricted)

Note:
The most recent data available from CDE is for the fiscal year 2022-23. For comparison purposes, data for the same fiscal year is requested from the school.

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level | Total Expenditures Per Pupil | Expenditures Per Pupil (Restricted) | Expenditures Per Pupil (Unrestricted) | Average Teacher Salary |
|--|------------------------------|-------------------------------------|---------------------------------------|------------------------|
| School Site | \$10,561.45 | \$1,532.73 | \$9,028.72 | \$107,145.13 |
| District | N/A | N/A | \$3,331.89 | \$104,191 |
| Percent Difference - School Site and District | N/A | N/A | 92.2 | 2.8 |
| State | N/A | N/A | \$10,771 | \$97,756 |
| Percent Difference - School Site and State | N/A | N/A | -17.6 | 9.2 |

Input Section 10: 2023-24 Types of Services Funded

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

In addition to State general funding, Covina-Valley Unified School District receives State and Federal grant funding for special programs:

- Title I, II, III, IV
- Special Education
- Home-to-School Transportation
- Carl Perkins
- Expanded Learning Opportunities
- Universal PreKindergarten Planning & Implementation
- A-G Success
- Arts, Music & Instructional Materials
- Educators Effectiveness
- Homeless Children and Youth
- Learning Recovery
- Career Technical Education Incentive Grant (CTEIG)
- Strong Workforce
- Golden Pathways
- Middle College and Dual Opportunities
- CCAP College and Careers
- CAI California Apprentice Grant

These funds are used for personnel, materials, supplies, equipment, parent involvement, and professional development to help close the achievement gap for all students. Personnel costs include Title I Intervention teachers, EL TOSA, additional counselor hours, and additional hours for before/after school tutoring. Materials and supplies include supplemental reading, math, the arts, CTE, and mental health programs.

Input Section 11: 2023-24 California Physical Fitness Test Percentage of Students Participating

This field should be reviewed and updated by the LEA/School.

Only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) should appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

You may send your PFT Participation Percentages to DTS using the spreadsheet provided by [clicking here](#). You may send your results to DTS by [clicking here](#).

| Grade Level | Component 1: Aerobic Capacity | Component 2: Abdominal Strength and Endurance | Component 3: Trunk Extensor and Strength and Flexibility | Component 4: Upper Body Strength and Endurance | Component 5: Flexibility |
|-------------|----------------------------------|--|---|---|-----------------------------|
| Grade 9 | 100% | 100% | 100% | 100% | 100% |

Input Section 12: Professional Development

This field should be reviewed and updated by the LEA/School. The narrative field is optional, but the table data is required. Please keep the narrative content to 2-3 paragraphs.

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (4 days)
- * UCI Math (2 days)
- * Principal Workshops (19 days)
- * Technology Mentor (8 days)
- * Staff Leadership (2 days)
- * Write from the Beginning and Beyond (7 days)
- * Math Intervention (1 day)
- * Twig Science (14 days)
- * New Teacher Orientation (2 days)
- * Iready (ongoing monthly)

This table displays the number of school days dedicated to staff development and continuous improvement.

| Subject | 2022-23 | 2023-24 | 2024-25 |
|---|---------|---------|---------|
| Number of school days dedicated to Staff Development and Continuous Improvement | 75 | 89 | 59 |

Input Section 13: Career Technical Education Programs (Grades 9-12 Only)

**This section applies to schools serving grades 9-12 only.
If your school does not serve grades 9-12, simply skip and leave this section blank.
It will not be included in the full SARC.**

2023-24 Career Technical Education Programs

This field should be reviewed and updated by the LEA/School. Please keep the narrative content to 2-3 paragraphs.

To complete this section, provide:

- **A list of programs offered by the school district in which pupils at the school may participate and that are aligned to the model curriculum standards adopted pursuant to Education Code Section 51226; and**
- **A list of program sequences offered by the school district. The list should identify courses conducted by a regional occupational center or program, and those conducted directly by the school district; and**
- **A listing of the primary representative of the district's CTE advisory committee and the industries represented on the committee.**

The Career and Technical Education (CTE) courses offered by South Hills High School follow the appropriate CTE course standards and offer a rigorous curriculum and work experience. The CTE courses provide a vehicle for students to develop the knowledge and skills needed to become educated and employable. The programs contain comprehensive offerings that integrate academics with occupation-specific knowledge and employable skills.

The Career Technical Education Advisory Committee validates current courses and provides additional recommendations in order to maintain a relevant CTE program. The Advisory Committee meets three times per year and includes representation from all pathways and Cal Poly Pomona and Mt. San Antonio College (Mt. Sac).

2023-24 Career Technical Education Programs

The Industries represented on the Advisory Committee include the following:

- Agriculture and Natural Resources
- Arts, Media and Entertainment
- Building and Construction
- Business and Finance
- Health Science and Medical Technology
- Hospitality, Tourism and Recreation
- Information and Communication Technology
- Public Services

SHHS offers CTE courses in Health Science and Medical Technology; Business and Finance; Arts, Media, and Entertainment; and Hospitality, Tourism, and Recreation. The following CTE courses are offered at SHHS:

Health Science and Medical Technology:

- A. Athletic Training
 - 1. Sports Medicine
 - 2. Advanced Sports Physical Therapy

South Hills High School 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

| | |
|---|---|
| Internet Access | Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents. |
| Admission Requirements for the University of California (UC) | Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ . |
| Admission Requirements for the California State University (CSU) | Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ . |

2024-25 School Description and Mission Statement

At South Hills, we “Show What We Know” with a strong focus on instruction, school culture, and a thriving participation in extracurricular activities. We provide a relevant, high quality education that inspires our diverse student body to be prepared for college and career opportunities in a global society. Consequently, our staff is committed to providing all students with necessary skills and knowledge to become lifelong learners, effective communicators, and responsible and productive citizens. Our retrofitted campus is located in a suburban community on the eastern fringe of Los Angeles County. With panoramic views from Mount Wilson to Mount Baldy, South Hills High School (SHHS) serves the municipalities of Covina, West Covina, San Dimas, and Walnut. Community housing is mixed in this quiet residential area with mid-ranged priced homes located to the north, high-ranged priced homes to the south, and several subsidized apartment complexes within the school’s boundaries. We are situated in an ideal location with numerous community colleges and public and private universities nearby.

The South Hills enrollment has remained stable at 1,600 students with close to 600 of those students on permits from other districts because they want to attend one of the best high schools in the San Gabriel Valley, with South Hills being a destination school. The demographics have completely changed since its inception from predominantly Caucasian to Hispanic, with a representational number of students of African-American and Asian Pacific Rim ethnicities. South Hills currently serves a student body with approximately 66% free and reduced lunch.

The school day consists of seven, 52-minute periods, five days a week. Most content area teachers share a common prep period for additional collaboration time, as well as a teacher prep to plan for class work and planning every day. Twice a month on Tuesdays, our staff has a late start with a modified bell scheduled for an additional 90 minutes of professional development time.

South Hills High School has a well-trained and dedicated staff, with a high teacher retention rate. Of the 66 full-time teachers, all are No Child Left Behind (NCLB) compliant and possess English Learner (EL) authorization. Out of all our teachers, 90% of the teaching staff is tenured. In addition to our teaching staff, the West-Covina Police Department partners with the District to provide a school resource officer (SRO) on campus, which is vital to maintaining a safe and secure school environment.

The SHHS Professional Development Program was implemented with the current administration and staff to help build capacity for professional learning and to serve as a catalyst for positive changes to our school and culture. Over the past two years, the program is responsible for creating a unified and focused Single Plan for Student Achievement (SPSA) that is based on our WASC, district and school goals, and aligns targeted and valuable professional development to help meet those goals. At the heart of our SHHS Professional Development Program, is the Instructional Leadership Team. The team is comprised of administrators, elected department chairs, program specialists, and coordinators. Student performance data, survey feedback, and evidence of best practices have helped to create a culture and foundation for sustained growth and improved achievement.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

South Hills High School was built in 1964 with portable buildings added in 1999, 2009, and 2011. School facilities are situated on 30 acres and span more than 189,000 square feet. They consist of permanent and portable classrooms, a gymnasium, administrative offices, restrooms, and storage rooms. Facility improvement projects at South Hills High School include modernization and expansion of the gymnasium. In April 2009 the modernization of H2 began. This is the transformation of 12 classrooms into 6 classrooms that are an Information Technology Academy. Also installed in August 2009, was an additional DSA approved elevator for H3. A new two story modular building has been completed and gives South Hills six additional state-of-the-art classrooms and new restroom facilities. In April 2011, a \$2.3 million dollar field improvement project began with complete renovation of all sports fields, a new football field with track lighting, restroom facilities, concrete basketball playing surface, erosion control, handicap access, and improved irrigation for water conservation. The facility strongly supports teaching and learning through its ample classrooms and recreational space.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2022-23 | School 2023-24 | District 2022-23 | District 2023-24 | State 2022-23 | State 2023-24 |

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2023-24 Career Technical Education Programs

The Career and Technical Education (CTE) courses offered by South Hills High School follow the appropriate CTE course standards and offer a rigorous curriculum and work experience. The CTE courses provide a vehicle for students to develop the knowledge and skills needed to become educated and employable. The programs contain comprehensive offerings that integrate academics with occupation-specific knowledge and employable skills.

The Career Technical Education Advisory Committee validates current courses and provides additional recommendations in order to maintain a relevant CTE program. The Advisory Committee meets three times per year and includes representation from all pathways and Cal Poly Pomona and Mt. San Antonio College (Mt. Sac).

The Industries represented on the Advisory Committee include the following:

- Agriculture and Natural Resources
- Arts, Media and Entertainment
- Building and Construction
- Business and Finance
- Health Science and Medical Technology
- Hospitality, Tourism and Recreation
- Information and Communication Technology

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1: Aerobic Capacity | Component 2: Abdominal Strength and Endurance | Component 3: Trunk Extensor and Strength and Flexibility | Component 4: Upper Body Strength and Endurance | Component 5: Flexibility |

| Grade 9 | 100% | 100% | 100% | 100% | 100% |

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents and the community are highly supportive of the educational programs at South Hills High School. Numerous programs and activities are enhanced by the generous contributions from local businesses, community members, and parents. We have an active PTSA that meets monthly to explore new ways to support our school. They operate the snack bar at football games to fund student scholarships and organize our annual Grad Night celebration at Disneyland. Additionally, they manage our PTSA Reflections competition, which encourages student submissions in the arts, and provide lunch and snacks for our staff during staff appreciation days throughout the year.

Parents have multiple opportunities to engage with our staff through events like School Site Council, Coffee with the Principal, Back-to-School Night, various award ceremonies and Light Up the Night. Many parents also attend our student rallies and celebrations throughout the year. Those interested in joining South Hills High School's School Site Council, leadership team, committees, or school activities, or volunteering on campus, can reach out directly to the principal or contact the school office at (626) 974-6270.

To further support parent education and engagement, Title I funds allow us to offer additional resources and workshops designed to help parents navigate their students' academic journeys. These opportunities empower parents with the knowledge and skills to effectively support their children's success, creating a strong partnership between school and home.

2024-25 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office, have their ID run through our RAPTOR system, and wear a

2024-25 School Safety Plan

visitor badge while on school grounds. During lunch, breaks, and before and after school, staff members supervise students and school grounds, including the cafeteria and quad, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. Our plan was reviewed by our School Site Council and approved on October 11, 2022. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.

Professional Development

Covina-Valley provides over 50 days of dedicated professional development each year. Professional development aligns with the Local Control Accountability Plan (LCAP), Common Core State Standards, student needs, and professional needs. Professional Development is provided during the school day and on modified Tuesdays.

The district provided professional development in the following areas:

- * Lindamood-Bell (4 days)
- * UCI Math (2 days)
- * Principal Workshops (19 days)
- * Technology Mentor (8 days)
- * Staff Leadership (2 days)
- * Write from the Beginning and Beyond (7 days)
