

## SESSION 1: JUNE 9–13

---

### Summer Camp Throwback | Pre-Primary

Enjoy an unplugged week of classic camp crafts, activities, games, and snacks! Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

### Nature Detectives | SRK–Grade 3

Spend a week as a sleuth of the environment as you explore, observe, and discover! Unlock the hidden wonders of the natural world.

### Sensory Escape | SRK–Grade 3

Immerse yourself in activities that spark creativity, engage the senses, and encourage experimental tactile creativity.

### Tag Warriors | SRK–Grade 3

Enjoy a week of high-energy fun with a creative twist on the classic schoolyard game! Engage in strategy, teamwork, and friendly competition.

### Wheels in the Park | SRK–Grade 3

A Forsyth Summer Discovery favorite! Learn and practice bike safety, navigation, and etiquette in the neighborhood around Forsyth and across the street in Forest Park. **Must be able to ride a two-wheeled bike independently.**

---

### 3D Printing | Grades 3–7

Become a digital creator! Design, model, and 3D-print digital objects into real-world products.

### Action & Adventure | Grades 3–7

Conquer the climbing wall and traverse the high ropes course! Spend the week in the rafters of the Rand Center and watch your confidence soar to new heights!

### Wizards & Wonders | Grades 3–7

Delve into the fantastical worlds of everyone's favorite wizards. Bring the books and movies to life with magical games, fanciful crafts, and mythical creatures!

## SESSION 2: JUNE 16–20

### NO CAMP ON JUNE 19

---

#### Summer Camp Throwback | Pre-Primary

The first week was so nice, we are doing it twice! Enjoy an unplugged week of classic camp crafts, activities, games, and snacks. Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

#### Climbing & Capers | SRK–Grade 3

Brave the climbing wall and challenge yourself on the high ropes course in the Adventure Center! Hone your team-building skills back down on the ground with backyard games.

#### Code Breakers | SRK–Grade 3

Sharpen your sleuthing skills! Tackle scavenger hunts, brain teasers, secret codes, riddles, and puzzles all week long.

#### Museum Masters | SRK–Grade 3

Find inspiration in our neighborhood museums! Create meaningful, original artwork to take home and enjoy.

#### Season Swap | SRK–Grade 3

Experience the spirit of winter without the freezing temperatures! Create lasting memories with festive fun, frosty adventures, and activities inspired by the snowy season.

---

#### Code Breakers | Grades 4–7

Sharpen your sleuthing skills! Tackle scavenger hunts, brain teasers, secret codes, riddles, and puzzles all week long.

#### Museum Masters | Grades 4–7

Find inspiration in our neighborhood museums! Create meaningful, original artwork to take home and enjoy.

#### Ultimate Team Challenge | Grades 3–7

Enjoy a week of camaraderie and team-building! Work together to tackle challenges, solve problems, and overcome obstacles.

## SESSION 3: JUNE 23–27

---

### Rainbow Rally | Pre-Primary

Have fun with color! Expand your imagination on a journey through the rainbow. Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

### Coach's Closet Raid | SRK—Grade 3

Have you ever wanted to raid the coach's closet? Now is your chance! Work together to decide what team sports or activities should fill the day. Find inspiration in the equipment at hand!

### Gears & Gadgets | SRK—Grade 3

Tinker to your heart's content! Spark your curiosity with a week of hands-on building and engineering. Find inspiration in a week focused on innovation and design.

### Wizards & Wonders | SRK—Grade 3

Delve into the fantastical worlds of everyone's favorite wizards. Bring the books and movies to life with magical games, fanciful crafts, and mythical creatures!

---

### Endurance Explorers Biking | Grades 3–7

Explore St. Louis by bike as you pedal to exciting local attractions and destinations each day. **Must be able to bike more than five miles, 9:30am–2:00pm.**

### Gears & Gadgets | Grades 4–7

Tinker to your heart's content! Spark your curiosity with a week of hands-on building and engineering. Find inspiration in a week focused on innovation and design.

### Sew Much Fun | Grades 3–7

Learn the basics of sewing! Craft and create fun fabric-based projects all week long.

### Wheels in the Park | Grades 3–7

A Forsyth Summer Discovery favorite! Learn and practice bike safety, navigation, and etiquette in the neighborhood around Forsyth and across the street in Forest Park. **Must be able to ride a two-wheeled bike independently.**

## SESSION 4: JUNE 30–JULY 3

### NO CAMP ON JULY 4

---

#### Summer of Sensations | Pre-Primary

Awaken your sense of creativity and fun with dances, songs, and games! Learn about and practice tapping into all five senses: sight, smell, hearing, taste, and touch. Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

#### Micro Makers | SRK–Grade 3

Think big—on a small scale! Invent, create, and engineer small-scale ideas for big-time fun!

#### Obstacle Odyssey | SRK–Grade 3

Launch into a high-energy week of champion-level challenges! Work as a team to problem-solve and overcome obstacles together.

#### Sticky Science | SRK–Grade 3

Don your apron and roll up your sleeves for a week of science experiments that are gooey, sticky, slimy, and messy in all the best ways!

#### Wheels in the Park | SRK–Grade 3

A Forsyth Summer Discovery favorite! Learn and practice bike safety, navigation, and etiquette in the neighborhood around Forsyth and across the street in Forest Park. **Must be able to ride a two-wheeled bike independently.**

---

#### Arrows & Paddles | Grades 3–7

Arc your arrows and pitch your paddles! Split the week between archery and pickleball to beat the heat while staying active and having fun.

#### Micro Makers | Grades 4–7

Think big—on a small scale! Invent, create, and engineer small-scale ideas for big-time fun!

#### Obstacle Odyssey | Grades 4–7

Launch into a high-energy week of champion-level challenges! Work as a team to problem-solve and overcome obstacles together.

## SESSION 5: JULY 7–11

---

### Movement & Mayhem | Pre-Primary

Ignite your imagination with a high-energy week of active play, physical movement, creative exploration, and silly expression. Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

### Mad Science Mayhem | SRK–Grade 3

Dive into the organized chaos of mad science! Enjoy a week of eccentric experiments.

### Moving & Grooving | SRK–Grade 3

Express yourself through creative movement! Build your confidence and skills while having fun during an energetic week of dance.

### Summer Survivors | SRK–Grade 3

Exercise your survival skills and test your resourcefulness with team challenges and games. Who will outwit, outplay, and outlast?

---

### 3D Printing | Grades 3–7

Become a digital creator! Design, model, and 3D-print digital objects into real-world products.

### Moving & Grooving | Grades 4–7

Express yourself through creative movement! Build your confidence and skills while having fun during an energetic week of dance.

### Summer Survivors | Grades 4–7

Exercise your survival skills and test your resourcefulness with team challenges and games. Who will outwit, outplay, and outlast?

## SESSION 6: JULY 14–18

---

### Messy Art | Pre-Primary

Tap into your inner artist and find joy in getting messy as you explore different art mediums and concepts! Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

### Backyard Games Lab | SRK–Grade 3

Create games from your imagination using everyday items found around the house. Gather your materials, engineer the equipment, set the rules, and PLAY!

### Books & Board Games | SRK–Grade 3

Take a break with a week of indoor activities. Team up with friends to play a classic board game — or learn a new one! Dive into a good book or start a new writing project.

### Wacky Water | SRK–Grade 3

Have fun in the sun with a week of wet and wild water play and games!

---

### Books & Board Games | Grades 4–7

Take a break with a week of indoor activities. Team up with friends to play a classic board game — or learn a new one! Dive into a good book or start a new writing project.

### Endurance Explorers Biking | Grades 3–7

Explore St. Louis by bike as you pedal to exciting local attractions and destinations each day. **Must be able to bike more than five miles, 9:30am–2:00pm.**

### Geology Rocks | Grades 3–7

Discover why rocks rock! Learn about fossils, gems, and minerals through games, experiments, and other gritty activities.

### Threads of Creativity | Grades 3–7

Explore textile arts with fabric, thread, and your creativity! Spend the week sewing, weaving, quilting, and more.

## SESSION 7: JULY 21–25

---

### Summertime Snowflakes | Pre-Primary

Experience the spirit of winter with festive fun, frosty adventures, and activities inspired by the snowy season. Each day is filled with indoor and outdoor fun, music and movement, water play, and peaceful nap or rest time after lunch.

---

### Climbing & Capers | SRK–Grade 3

Brave the climbing wall and challenge yourself on the high ropes course in the Adventure Center! Hone your team-building skills back down on the ground with backyard games.

### Colorful Creations | SRK–Grade 3

Have fun with color! Journey through the rainbow with themed activities, games, and projects.

### Park Prowlers | SRK–Grade 3

Enjoy a week of exploration in Forest Park! Visit the local attractions, picnic by the ponds, and learn about the creatures that call the park home.

### Super Summer Squad | SRK–Grade 3

Bring your favorite big-screen and comic book characters to life! Enjoy a week of activities themed around the magical powers and superhuman strength of legendary heroes.

---

### Camp Chronicles | Grades 3–7

Observe other camps, interview counselors, and engage with campers of all ages to capture the details of summer life at Forsyth. Curate your findings into a publication to share!

### Fitness Fun | Grades 3–7

Have fun with fitness! Learn about stretching, movement, and strengthening with workouts and games that promote healthy habits.

### Sculpting Tales | Grades 3–7

Blend art and literature to bring your favorite books, characters, and stories to life in 3D!

## SESSION 8: JULY 28–AUGUST 1

---

### Digging Dinosaurs | Pre-Primary

Enjoy a week of excavation and discovery with a dinosaur dig! Each day is filled with indoor and outdoor fun, music and movement, a water park, and peaceful nap or rest time after lunch.

---

### Bead Bonanza | SRK–Grade 3

Work with your hands to turn colorful beads into original designs! From jewelry to decorative art projects, the possibilities are endless!

### Camp Classics | SRK–Grade 3

Enjoy an unplugged week of summer camps gone by! Revisit the good old days with classic camp crafts, activities, games, and snacks.

### Candy Chemistry | SRK–Grade 3

Science is sweet! Explore colors and flavors and use your newfound knowledge to craft candy and conduct sugary experiments.

### Fitness Fun | SRK–Grade 3

Have fun with fitness! Learn about stretching, movement, and strengthening with workouts and games that promote healthy habits.

---

### Action & Adventure | Grades 3–7

Conquer the climbing wall and traverse the high ropes course! Spend the week in the rafters of the Rand Center and watch your confidence soar to new heights!

### Bead Bonanza | Grades 3–7

Work with your hands to turn colorful beads into original designs! From jewelry to decorative art projects, the possibilities are endless!

### Candy Chemistry | Grades 4–7

Science is sweet! Explore colors and flavors and use your newfound knowledge to craft candy and conduct sugary experiments.

### Park Prowlers | Grades 4–7

Enjoy a week of exploration in Forest Park! Visit the local attractions, picnic by the ponds, and learn about the creatures that call the park home.
