### School Goals

Warren Elementary strives to create a safe and welcoming atmosphere. We believe in building strong relationships with students, families and the community, celebrating the unique qualities of all of our students, and creating a safe and welcoming environment that inspires and positively impacts our students. We utilize a collaborative approach to review student performance and plan instruction to maximize learning outcomes for all students.

### State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

### Safe & Welcoming Environment

Warren is a Positive Behavior Intervention and Supports (PBIS) school. We believe in teaching four behavioral goals that guide student actions; Be Safe, Be Respectful, Be Responsible and Be Kind. We believe by teaching these four goals and being proactive in our monitoring we create a positive climate.
