School Goals

Grant Watts Elementary is a warm and inviting K-3 school with a rich sense of history and community. We strive to educate the minds, hearts, and spirits of all students through our academic programs and trauma-informed approach to learning. Teams meet regularly to ensure each child experiences success, and we offer tiered levels of intervention and support for reading, math, social-emotional skills, and attendance. Grant Watts celebrates all students and families, and strives to create and nurture critically-thinking, compassionate citizens.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

At Grant Watts we truly believe children are our focus, and our school team works diligently to ensure we serve every student and family well. Our front office includes bilingual staff, and interpreters are available for parent meetings with any teacher. We communicate regularly through a weekly newsletter, emails, and phone calls. At school, all adults model being safe, respectful, responsible, and most importantly, kind to others.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

We are dedicated to maintaining an inclusive environment where students are not only welcomed and supported but also feel socially, emotionally, and physically safe. Systems and supports include:

- Positive Behavior Support System
- School-wide behavior and character lessons
- CASEL SElect Designated Character Strong
- Character recognition program and positive office referrals
- Bullying and Harassment policy and prevention
- Counseling services-Stop, Walk, Talk
- Plans and protocols in place for weather events, fires, accidents, intruders, and other threats to safety. These protocols are practiced on a regular schedule throughout the school. We use the I Love You Guys standard response protocol.

EXTRACURRICULAR ACTIVITIES

All students at Grant Watts participate in Physical Education, Music, and Library classes each week. Grade levels participate in musical performances for families and community members throughout the year in our High School auditorium. We also recognize students who exemplify our Profile of a Graduate characteristics. These children demonstrate they are caring, leaders, communicators, thinkers, and show principle.

PARENT ENGAGEMENT

Grant Watts enjoys an active and supportive parent organization in our GWPO, and new members are always welcome to volunteer in a variety of ways at our school. There are monthly events to bring families together like Harvest Fest, Family Movie Night, and the Hearts & Arrows Dance. As a school, we host events including a Back to School Night, Fall/Spring Conferences, Kindergarten Connect, and opportunities to meet with the Principal throughout the year.

COMMUNITY ENGAGEMENT

We are dedicated to hearing the voices and ideas of all stakeholders in our community. One way members can participate in our school is through our Site Council. This team meets quarterly and consists of parents/community members, teachers, classified staff, and administration.
