School Goals

At Scappoose Middle School, we are committed to providing education that inspires students to embrace the challenges of the future. SMS provides every student and staff member with the technology needed to successfully navigate learning in the 21st century. We strive to build and maintain positive relationships with our students and families. We strive to help all students master content standards by providing appropriate support for each student based on individual needs.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our school works to ensure all students and their parents feel welcome. The expectation is clearly set that every student will be treated with dignity and respect. When this expectation is not met, it is immediately addressed and corrected. We do so through schoolwide, classroom, and community efforts along with on-the-spot interventions. We strive to create a caring school culture with adults modeling positive behaviors for their students

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

In addition to frequent empathy lessons taught in Homeroom, we had a school-wide kindness week with various activities for our staff and students. Online bullying and harassment presentations taught our students about the dangers of online activity and how to avoid them. The SMS campus continues to undergo physical improvements which will further enhance the safety of all students such as new gates and fencing allowing for the perimeter of the campus to be locked down and new security cameras.

EXTRACURRICULAR ACTIVITIES

SMS offers a variety of extracurricular opportunities for students including the following:
Oregon Battle of the Books
Art Club
