Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

Academic Success

ENGLISH LANGUAGE ARTS

Students meeting state grade-level expectations.

For 2020-21 English Language Arts data please visit:

www.oregon.gov/ode/schools-and-districts/reportcards/reportcards/Pages/Statewide-Assessment-Results-2021.aspx

School Environment

REGULAR ATTENDERS

Students who attended more than 90% of their enrolled school days.

For 2020-21 Regular Attenders data please visit:

School Goals

At Scappoose Middle School, we are committed to providing education that inspires students to embrace the challenges of the future. In this unique year, we accomplished this by providing every student and staff member with the technology needed to successfully navigate distance learning. We strived to build and maintain positive relationships with our students in a primarily virtual environment while also helping students master content standards.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school works to ensure all students and their parents feel welcome. The expectation is clearly set that every student will be treated with dignity and respect. When this expectation is not met, it is immediately addressed and corrected. We do so through schoolwide, classroom, and community efforts along with on-the-spot interventions. We strive to create a caring school culture with adults modeling positive behaviors for their students.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

In addition to a virtual school-wide anti-bullying presentation, we had a school-wide kindness week with various activities for our staff and students. Online bullying and harassment presentations taught our students about the dangers of online activity and how to avoid them. The SMS campus underwent some physical improvements as well with the installation of additional fencing to allow for the perimeter of the campus to be locked down which will enhance the safety of students when they return to full-time in-person learning.

EXTRACURRICULAR ACTIVITIES

To the extent possible during the pandemic, our school offered a variety of extracurricular opportunities for students including the following:

- Oregon Battle of the Books

- Art Club
- Cross Country
- Football
- Volleyball
- Basketball
- Wrestling
- Track
- Dance

PARENT ENGAGEMENT

To the extent possible given the pandemic SMS engaged our parents by virtually hosting a variety of events that they can attend such as:

- Back to School Night
- Parent Teacher Conferences
- All School Assemblies
- Site Council
- 8th Grade Celebration

Additionally, we constantly connected with parents through emails, phone calls, and home visits.

COMMUNITY ENGAGEMENT

At Scappoose Middle School we partner with local businesses to provide students with learning opportunities in connection with our community including:

- Local Museums
- Community Hospital
- OMIC
- Career Fair
