NEW APPLE CORPS ROBOTICS OPEN HOUSE

FIRST® Robotics Team 93: NEW Apple Corps is gearing up for its annual Open House, an opportunity for students to showcase the work they have done this season and in seasons past. Participants will see first-hand how Team 93 is working to provide high-tech opportunities for students in the Appleton Area School District and enhance STEM Education in the Fox Valley and Northeast Wisconsin. The Open House will include a tour of the team's facilities along with a display of our newest robot in the works.

- Appleton East High School
- Friday, February 14th - 6-8 pm
- Saturday, February 15th - 1-4 pm
