Justin Bassett, School Employee, excused

Visitors:

1-The meeting was called to order by Ysabel.

2-Randy made a motion to approve the meeting minutes from October. Amie seconded the motion. All present were in favor. Wendy did ask a question - can we zoom into the SCC meeting if we can't make it? Randy took that suggestion and it is a possibility.

3-Digital Citizenship: Net Smartz is who we have used to present to our students about internet safety. This year they had a turnover in their organization, they lost two of their presenters. Due to this, we had to postpone, then had to cancel all together for this year because they still don't have presenters. Internet safety will be on our own this year.
Monitoring is ongoing with Digital Safety with our Go Guardian program. URL's can be blocked by the district.

4-The three middle schools in our district scored highest in the state on the RISE tests. From the district, "Each school district in Utah participates in the annual RISE test, a summative examination of proficiency in English Language Arts, Mathematics, and Science for students grades 3-8. Students with disabilities participate in both regular and alternative assessments. CCSD students have long performed well in these tests, but this year boasts a remarkable achievement. For all Utah school districts with 10,000 students or more, Cache County School District students ranked first in over ELA, Math, and Science proficiency for both the RISE test and the alternative assessment for students with significant disabilities! Congratulations to our wonderful students and teachers!" It was suggested by the Council that we have a banner displayed in our school to recognize this achievement.

5-Randy will be attending a board presentation today seeking \$125,000 to get a band and orchestra storage area. Randy is continuing to make improvements to our school.

6-Events update:

Choir concert - last Tuesday night

Guitar concert - last night

Safety night - last night

Food drive - all week

CEF board presentation - today

Nov. 15th - end of trimester

Nov. 18th - transition day, no school

Nov. 19th - start of trimester

Nov. 27-29 - Thanksgiving Break

7-2025 school calendar presented. Was voted on and option #2 received the most votes.

Question was asked - who votes? It is a breakdown of administrators, teachers/counselors, classified staff and parents.

8-Any future items? Wendy asked how we celebrate the positive going on in our school. Randy talked about the Spartan Way - teachers nominate great things their students are doing. Their name goes into a raffle, then three names are drawn out each day. They get to pick a \$5 gift card from a variety of places.

9-Next meeting will be December 12th. Meeting adjourned.
