Kelly Calderwood, Parent
Brittnie Sautter, School Employee
Justin Bassett, School Employee
Cindy Page, Teacher Rep

Absent:

Rich White, excused

Visitors:

1. Brief Introductions were made of parents and staff members on the 2024-25 South Cache Community Council.

2. Ysabel Segovia was nominated as Chairperson for the 2024-25 school year. Liz Halaufia, seconded. All voted yes to approve.

Amie Earl was nominated as Vice Chairperson. Wendy Osborn seconded. All voted yes. To approve.

Michelle Scott will continue as scribe.

4. Randy shared the school vision and direction: Caring community, Safe, High levels of learning.

He shared the Expectation Matrix that was created over the Summer. It has been shared with students and staff. There is a large poster hanging on the walls in each classroom, the halls, the cafeteria, and on the buses. It was suggested to come up with an acronym to help the kids remember Safe, Caring, and High Level of Learning.

5. These changes were made at South Cache over the summer:

More new student tables and chairs were put into four classrooms.

The concrete skirt around the main building has been finished. It is to pull the water away from the school. New sod was also put in as part of the process.

A leaking pipe in the East parking lot was fixed and asphalt patched.

The GYM floor was sanded, painted and finished. It hadn't been done in 30 years.

20 new cameras were installed to help with security.

450 cracked floor tiles were replaced to keep the school environment looking good.

Rooms were scrubbed and cleaned; the hallways shined and waxed.

The Art, sewing and FACS rooms were remodeled. Walls were added where accordion dividers had been.

More ceiling fans were installed in classrooms to help with air circulation.

They are in the process of installing 2" blinds in every classroom.

6. Thursday 9/12, all 8th graders will be bused to North Logan to a 9/11 Remembrance Walk.

7. Cell Phone pouches are now in all classrooms. Students are to put their cell phone in the pouch during each class.

8. Minga, a digital hall pass system, is now being used. It keeps track of students who ask to use a hall pass. This is to help keep track of kids that are using hall passes that might be meeting up with friends or in places when they aren't supposed to be there, for example an 8th grader out during 7th grade lunch, not where they were supposed to be.

9. A district Community Council training will be held via Zoom on October 8th from 6:00 - 7:00 p.m. for any community council members who can/would like to attend. After we receive the meeting link will be sent out at a later date .

10. Ysabel asked if South Cache has a PTA. No, but South Cache has a Friends of South Cache organization.

11. Positive Behavior Supports will be discussed at our next meeting.

12. Next meeting will be Oct 10, 2024, depending on need.
