

# BEFORE AND AFTER SCHOOL CARE AT YOUR SCHOOL

LOCATED IN YOUR SCHOOL DISTRICT

## EMPOWERING STUDENTS

The YMCA of Greater Pittsburgh is thrilled to welcome your soon-to-be kindergartener! We understand how busy life can get, and we're here to help. The YMCA of Greater Pittsburgh offers safe, engaging, and educational care right in your school district.

**Before School Care** (not available in all districts): Kick-start your child's day with our Before School Care program. We provide a nurturing atmosphere where children can catch up on homework, engage in stimulating activities, and get ready for the school day ahead. Our dedicated staff ensures a smooth transition to school, setting the tone for a positive and productive day.

**After School Care** (available in all districts served by the YMCA): After a full day of learning, let your child unwind and continue their growth at our After School Care program. From homework help to exciting recreational activities, we offer a variety of opportunities for your child to explore their interests and develop new skills.

**Check out our website for more information. Registration opens on February 10 at 8:00 AM. We hope to be part of your exciting kindergarten year.**

**SPACES FILL UP QUICKLY - ACT FAST!**
