# Student Summit

- March 3, 2022
- Approximately 200 students participated from all 7 high schools
- Superintendent Advisors facilitated table top conversations in three areas:
  - ◆ Mental Health
  - ◆ Post Secondary Success
  - ◆ Student Engagement

# Mental Health

Based on feedback from all high schools, our biggest takeaways in the area of mental health were:

## → Access To Mental Health Resources

- QR Codes on IDs, posters, etc. To make appointments
  - Confidentiality
- Crisis Hotlines on announcements and IDs

## → Counselors/Social Workers

- *Need more staff*
- Know counselor more than social worker
  - Everyone should know their social worker- emails, short assembly, etc.
- Need communication with students
  - What can remain confidential?
  - What are things that should be talked about with a counselor/social worker?

## → Teachers

- Professional learning on identifying mental issues

# Mental Health

Based on feedback from all high schools, our biggest takeaways in the area of mental health were:

## → Available Resources

- Create **Sensory Rooms** with a supervisor
  - For *everyone*
  - In an office
  - Independent
  - Scan in/out for attendance
- Informative meeting for parents
  - Inform parents on what mental health is and how they can identify it
  - Have social workers there to be able to answer parents questions
  - Being able to have this meeting in Spanish and English
- Mental Health Mondays (Larkin)
  - Short-lived
  - Should be continued

# Post-Secondary Success

Based on feedback from all high schools, our biggest takeaways in the area of Post-Secondary Success were:

## → Access to Guidance Counselors

- Grade-Specific Counselors
- Decrease Student-to-Counselor Ratio
- Increase Counselor Meetings and Four-Year Planning
- Increase Collaboration with Teachers and Staff

## → College and Career Planning

- Work-based Learning, Job Shadows, Field Trips
- Earlier, More Frequent Access to Resources (Workshops, Information, Scouts)
- Advertise Available Resources

# Student Engagement:

Based on feedback from all high schools, our biggest takeaways in the area of student engagement are:

## → Increasing Resources to Join Extracurriculars

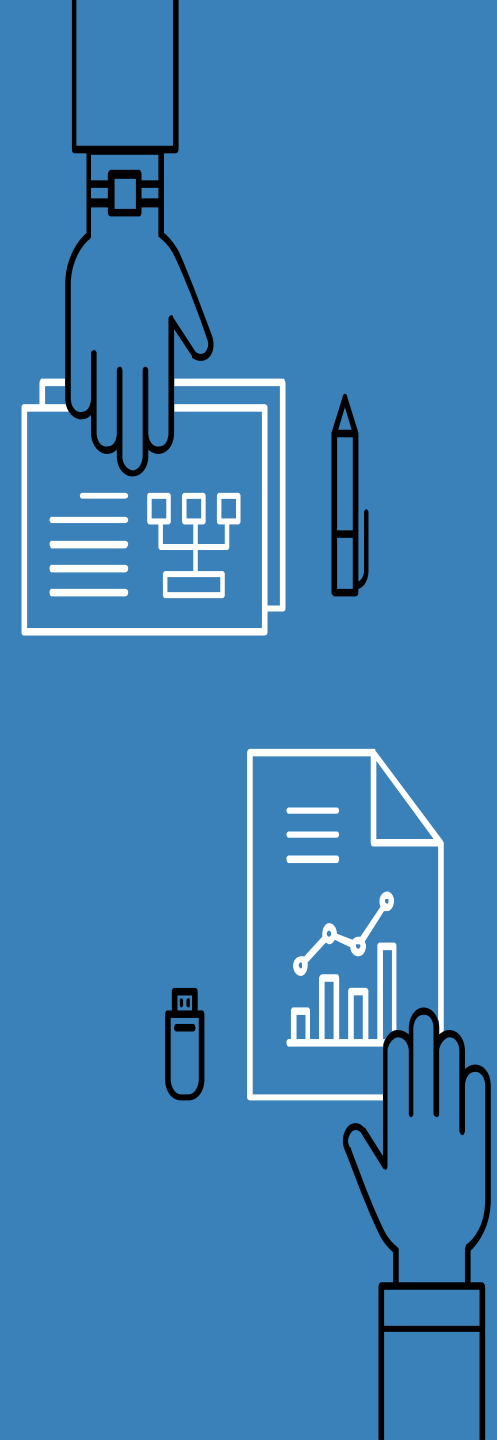

- We want an up-to-date list of all extracurricular activities with the names of the sponsors
- Advertise transportation resources (ex: the activity bus) for extracurriculars/sports more

## → Increase Communication

- Open house for athletics and activities in the beginning of the year
- Faculty promotes events going on at school
- Create opportunities to have the same clubs district-wide

## → Encouragement

- Promote openness to try new activities
- Lead to a welcoming, fun, environment within the school
