

Claiborne Parish School Board

Wellness Policy 2024-25 Assessment Meeting

The Wellness Policy Committee held a meeting on January 21, 2025 by Zoom, to discuss development, implementation, monitoring, and reviewing of the district-wide nutrition and physical activity policies. Each school was contacted to provide a member to serve on the Wellness Policy Subcommittee. Information was placed on the website.

The following individuals have volunteered to serve on the Claiborne Parish Wellness Policy Subcommittee:

Tracy Purvis – Haynesville Elementary *

Amy Farley – Summerfield High*

Katherine Wasson – Homer Elementary *

Maze Bursey – Homer Junior High

LaDarien Amos – Homer Junior High *

LaFrance Cooper – Homer High

Shermadee McDaniel – Parent*

Dr. Shakera Williams – LSU AgCenter*

Jermichael Moore – Homer High

*Present at meeting

The areas to address in the Wellness Policy include:

- 1) Nutrition Education
- 2) Physical Activity
- 3) Other School-Based Activities
- 4) Nutrition Guidelines

The school district will promote and implement quality nutrition and physical education to foster lifelong habits of health eating and physical activity. The plan shall make effective use of school and community resources that equitably serve the needs and interest of all schools.

Nutrition Education

Students are presented information on nutrition in health and consumer education classes. Homer Junior High participated in the Fresh Fruit and Vegetable Program for the 2023-2024 school. Students was able to taste different fruits and vegetables, in conjunction with that Dr. Williams and LaDonna Cheerne, LSU AgCenter along with Dr. John Bond. Total Health Heroes Foundation, put together an education program for the students. They donated banners that encouraged health eating habits. Schools will be encouraged to talk with students regarding healthy eating habits and physical activity. The food service department also encourages students to eat healthy.

Physical Education and Activity

Students are encouraged to participate in vigorous activities such as kick ball, jump rope, etc. Older students participate in more vigorous activities such as sports, walking the track, etc. Elementary students participate in a field day event each year.

No Suggestions by the committee were made at this time.

Wellness Policy Assessment Tool

This template provides information on wellness policy goals and practices within the SFA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school, or at a minimum, each school level. The wellness policy and completed assessment must be available to the public. Triennial assessment is required by USDA, annual assessments are encouraged in Louisiana.

Wellness Policy Assessment Tool

This template provides information on wellness policy goals and practices within the SFA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school, or at a minimum, each school level. The wellness policy and completed assessment must be available to the public. Triennial assessment is required by USDA, annual assessments are encouraged in Louisiana.

Wellness Policy Assessment Tool

This template provides information on wellness policy goals and practices within the SFA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school, or at a minimum, each school level. The wellness policy and completed assessment must be available to the public. Triennial assessment is required by USDA, annual assessments are encouraged in Louisiana.

II. Nutrition Education

Our district's written wellness policy includes measureable goals for nutrition education.

We offer standards based nutrition education in a variety of subjects (e.g. science, health, math, etc).

We offer Nutrition education to students in:
 Elementary School Middle School High School

III. Nutrition Promotion

Our district's written wellness policy includes measurable goals for nutrition promotion.

We promote healthy eating and nutrition education with signage, use of creative menus, posters, bulletin boards, etc.

We have reviewed *Smarter Lunchroom* techniques and evaluated our ability to implement some of them.

We place fruits and vegetables where they are easy to access (e.g. near the cafeteria cashier or near the front of the line).

- We ensure students have access to hand washing facilities prior to meals.
- We annually evaluate how to market and promote our school meal program(s).
- We regularly share school meal nutrition, calorie, and sodium content information with students and families.
- We offer taste testing or menu planning opportunities to our students.
- We participate in Farm to School activities and/or have a school garden.
- We only advertise and promote nutritious foods and beverages on school grounds (e.g. buildings, playing fields, etc).
- We price nutritious foods and beverages lower than less nutritious foods and beverages.
- We offer fruits or non-fried vegetables in:
 - Vending Machines School Stores Snack Bars à La Carte
- We have nutritional standards for foods/beverages served at school parties, celebrations, events, etc.
- We provide teachers with samples of alternative reward options other than food or beverages.
- We prohibit the use of food and beverages as a reward.

Yes No N/A
