

School District U-46 School Improvement Plans

February 26, 2024

School Improvement

is a continuous, collaborative process through which staff and stakeholders identify strengths and weaknesses of the entire school program and use the information as a basis for making deliberate, positive, cohesive, and observable changes in measurable student outcomes.

School Improvement Plan Highlights

Continuous School Improvement Plans are housed in Google Sites:

- Goals are linked to the School Instructional Maturity Model (SIMM)
- 45-day improvement goals
- School Improvement Plan pages include: Background (vision, mission, and theory of action), School Goals, Supporting Resources, Access to Multiple Data Sources, Meeting Minutes, and Agendas

****In addition, each Executive Director has a continuous improvement plan with goals for their network.****

Next Steps

For the 2024-2025 school year:

- School Improvement Plans will transition to a single document format (one document per school)
 - Alignment to SIMM will remain unchanged
 - Less navigation required
 - Simpler to upload and share for reporting purposes
 - More secure with less possible links to other data sources
