

Florence 1 Schools Child Find

Florence 1 Schools (F1S) has procedures in place to assist families and community entities in providing a continuous process of screening and evaluation designed to locate, identify, and evaluate all children residing in the school district with disabilities who may be in need of special education and related services. This program includes all children ages 3 to 21, who are not enrolled in Florence 1 Schools already.

Frequently Asked Questions

Child Find under the Individuals with Disabilities Education Act (IDEA) requires all public school districts, including Florence 1 Schools, to ensure that all children with disabilities residing within the district who need special education and related services are identified, located, and evaluated. This includes all children ages 3 to 21 who attend public or private schools, those who are homeschooled, and those who are homeless or are wards of the state.
