Middle School Transition Options

Options for Shift of 6th Grade to Middle School

Option A

- Postpone the shift until the 2027-2028 school year for all schools.

Option B

- Transition 6th grade to middle school over two years.

★ Option C (preferred option)

- Transition all 6th grade to middle school in 2026-2027 using Abbott and Ellis as “swing space” until the new middle school in Elgin is ready for occupancy.

Option C for Shift of 6th Grade to Middle School

2026-2027

New Middle School in Elgin

Under Construction

6th Grade: Abbott*

7th - 8th Grade: Ellis

2027-2028

New Middle School in Elgin

6th, 7th, and 8th Grade

Ellis Closed
Abbott Closed

**Abbott would also keep its 8th graders in 2026-2027, eliminating an extra transition for these students. 6th and 7th grade students in Abbott attendance area will attend Kimball or Kenyon Woods.*

Options for Shift of 6th Grade to Middle School

		# Students with an additional transition	Other Considerations
A	Postpone shift until 2027-2028 when the new middle school will be ready for occupancy	550	Provides an extra planning year Removes any inequities Could move to departmentalization for 6th grade in elementary in 26-27
B	Transition 6th grade students over two years: 2026-2027 - east side 2027-2028 - west side	550	26-27 could serve as a "pilot year" for half of our schools
C	Transition all 6th grade students in 2026-2027 by keeping Ellis and Abbott open in a limited capacity	700	Consider maintaining ILP program at AMS to avoid an extra transition for those students
