

February

4th Grade

Reading

Our next parent event will be on National Parks Thursday, February 6, 2025 from 9:30 am to 10:00 am In Unit 4, we are working on fiction. Skills we are working on are finding key events, summarizing, inferences, and analyzing first-person and third-person point of view.

Math

Our next math unit will focus on geometry. We will do a deep dive on the specific names for the triangles and quadrilateral. Using a shapes attributes will be a key part of identifying a shape for this unit.

Writing

Students have been working hard on writing an informative essay about a National park!

Science/ Social Studies

The students worked on the electromagnetism unit. We focused on finding circuits or pathways that energy runs on. We discussed conductors and insulators of electricity. The students were able to use light bulbs and motors to create their are own circuits.
