2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state’s high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

School Description
 During the 2023-2024 school year, Dos Caminos began the transition to a Dual Language Immersion school. Cohort 1 began with Preschool, Transitional Kindergarten and Kindergarten. First grade has been added this school year. DCS currently has grades, Preschool through Fifth grade, including Special Day classes in grades Kindergarten through 2nd grade.

Dos Caminos continues to benefit from Title I funds which provide instructional assistants and credentialed teachers to assist in the classroom with added small group instruction and ELD support for our second language learners. Our Title 1 Teachers and

2024-25 School Description and Mission Statement

Title 1 funded Instructional Assistants work to create one-on-one and small group environments for our students. Teachers work closely with our Title 1 Teachers to design lessons specifically targeted to meet the needs of our students. Furthermore, our students are supported the the AVID program.

Dos Caminos continues to focus on engaging, standards-aligned lessons that utilize the latest in educational technology. Dos Caminos offers its students a Makerspace classroom plus a fully functioning library. Additionally, every Kindergarten through 2nd grade classroom is provided with at least 6 student iPads. Furthermore, we have a 1:1 ratio in 1st through 5th grade of Chromebooks to students. Students at Dos Caminos are creating, collaborating, communicating, and thinking critically using technology.

Dos Caminos has continued its efforts to teach about wellness to our students. Each classroom has been furnished a planter box to teach students about the educational and personal rewards of gardening of plants ranging from vegetables to drought-tolerant California native plants. We also have a recycling program and an outdoor classroom to enable students to learn and create in outdoor environment.

DCS Vision Statement: Excellence for all.

DCS Mission Statement: Dos Caminos prepares and motivates students to be independent and responsible lifelong learners.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Instructional Materials (School Year 2022-23)

The school district held a public hearing on October 20, 2022 and November 17, 2022, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home.

Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

School Facility Conditions and Planned Improvements

School Facilities

Dos Caminos Elementary was originally constructed in 1964 and is comprised of 20 permanent classrooms, five portable classrooms, one multipurpose room, a Maker Space, a staff lounge, kitchen, and two playgrounds.

Cleaning Process

Two custodians (equivalent to 1.5 FTE) ensure that the cleaning of the school is maintained to provide for a clean and safe school.

Maintenance and Repair

District maintenance staff ensure that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parent and Family Involvement

Dos Caminos offers a variety of opportunities for parent/caregiver involvement. First and foremost, we have a thriving PTA that facilitates a number of activities for our students and families. Our PTA members help the school by raising funds to support programs, fund field trips, provide supplemental resources and enhance school culture. Parents/caregivers are invited to attend a variety of parent/caregiver education events, Back-to-School Night, and Open House. In addition, our School Site Council and ELAC (English Language Advisory Committee) provide parent/caregiver support and ongoing decision making regarding important items that affect our campus. Furthermore, we have family fundraiser nights that bring families together at local restaurants. Parents/caregivers may attend field trips, volunteer, and are an important part of our Dos Caminos community. A parent liaison assists with conferences or other communication needs for our Spanish speaking families. And, with the rise of social media, we are also reaching out to our families through a PTA Facebook page, Instagram, and Twitter, as well as our Dos Caminos webpage.

reviewed and updated in the fall and spring of each year. All revisions are communicated to both the classified and certificated staff. The school's Emergency Operations Plan (EOP) includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. Lockdown drills are held as needed. Students are supervised before and after school by campus supervisors and teachers, as well as during lunch and break periods. There is a designated area for student drop off and pick up. Dos Caminos is a closed campus. Visitors must sign in at the office and receive a badge, unauthorized visitors are not permitted on campus. Dos Caminos uses the Raptor visitor management security system.

Fiscal Year 2023-24 Types of Services Funded

Dos Caminos has a variety of interventions in place to provide support for our students with the goal of improving student achievement. Primarily, the Dos Caminos Title 1 Program functions to accomplish this task. Dos Caminos credentialed teachers and Instructional Assistants (IAs) are funded by Title 1. These teachers and Instructional Assistants work with students in small group environments and one-on-one with research-based instructional strategies. Our Title 1 Program also provides a parent workshop series on such topics as early literacy, technology and math to help provide our parents with the knowledge and tools to assist their children. In addition, PVSD has provided a Reading Specialist for Dos Caminos as a .50 employee to assist students struggling with reading. Furthermore, we offer after school math tutoring to targeted students during the school year. In addition, our school and our PTA fund a variety of other programs that provide enrichment for our students at Dos Caminos.

Professional Development

Staff Development

As part of the cycle of continuous improvement, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. Professional development is ongoing and based on teacher surveys, principal observation, and on examining ways to best support the planning, instruction, and assessment of California State Standards and adopted curricula. The district offers professional growth opportunities in curriculum, teaching strategies, and methodologies. Teachers are also provided with time to assess student achievement and work collaboratively to design instruction that is aligned to California State Standards utilizing adopted curricula. All Dos Caminos teachers are participating in Guided Language Acquisition and Design (GLAD) professional development with goal of full staff certification.
