## SAFE SCHOOL NOTICE

The student drop-off/pick-up area is in the main parking lot in front of the school. Parent vehicles **MUST** remain in line and students are to be dropped off along the main front sidewalk. In order to keep the traffic flowing, please have your student exit/enter the vehicle quickly and depart in a timely manner. **Students will not be permitted to be dropped off in the parking area and walk through traffic.** Parking and Traffic Flow Reminders: As you may know, traffic congestion during the start of school and dismissal causes gridlock on Creekview Drive. We ask again that parents and students obey traffic laws, demonstrate common courtesy, comply with our crossing guards and campus supervisors, and think safety first!

Creekview Parents:

If you are picking your child up at the end of the school day, please **DO NOT** park in the parking lot and have your child walk from the pick up line to your car. This is not a safe practice and to keep all of our students, parents, and staff safe, we ask that you remain in your car and follow the traffic flow through the pick up line to pick up your student. Once your student has entered your vehicle please remain in the traffic flow throughout the pick up line. **DO NOT** pull around cars that are still parked and picking up students. Thank you for putting our students, parents, and staff safely first.
