

SGC Meeting

1/23/2025

Quorum Met: In attendance: Ms. Rashida Armstrong, Principal Octavius Harris, Ms. Tiadora Battle, Ms. Jasmine Hall, Mr. Deion Nash, Mrs. Josie Brown, Judge Njeri Maldonado

School Updates: Presented by Principal Harris

- Budget season is approaching
 - Projected for at least 2000 students next year
 - Should see an increase in budgeted funds
 - Mr. Harris will share budget at next meeting along with updated CCRPI
- Concern addressed: Moving forward, lost devices will be covered by the schools instead of solely being placed on parents. This is a concern because more money may need to be set aside in the budget to cover the cost.
 - Possible suggestions: Students who have lost a computer sit out of extracurricular activities until paid or have students with lost devices register last.
 - Do more device checks and send parents reminders (automatic callouts/emails)
 - Other team members can/will share other ideas.

Budget and Finance Committee will meet after budget has been provided.

Principal Selection Committee does not need to meet as Principal Harris is staying.

Outreach and Communication meeting will schedule a meeting in the near future to brainstorm ideas to discuss how to minimize the costs of lost devices.

Principal Update: No further updates

Meeting adjourned at 5:16pm
