

STRATEGIC PLAN GOALS

Student Achievement

Increase student achievement in a learning environment that inspires and supports all students

Strategies:

- ⊙ Expand curricular opportunities to prepare graduates to compete in a global society
- ⊙ Align and ensure the implementation of K-12 curriculum within and across subject areas, courses, and grade levels
- ⊙ Provide district-wide support and intervention for students who are not making expected academic progress

Teaching and Learning Practices

Expand curricular, instructional, and assessment practices that promote student engagement

Strategies:

- ⊙ Provide a continuous program of professional learning based on best practice and current research
- ⊙ Implement and maintain a balanced assessment system where students and staff utilize multiple data sources to monitor and adjust learning
- ⊙ Utilize differentiated teaching and learning approaches to engage and challenge all students
- ⊙ Seamlessly integrate technology into all levels of teaching and learning

School and Community Relations

Collaborate with families and the community to support student learning

Strategies:

- ⊙ Facilitate partnerships that expand learning connections beyond the classroom setting
- ⊙ Foster a positive culture where all students are academically, emotionally, and physically supported and valued
- ⊙ Increase frequency and methods of communication with all stakeholders

Financial Responsibilities & Operations

Maintain a sustainable budget and optimize the use of resources to enhance the quality of educational programs and facilities

Strategies:

- ⊙ Evaluate and implement new and innovative revenue sources and partnerships
- ⊙ Review and prioritize instructional and long term capital needs
- ⊙ Prioritize the allocation and expenditures of funds to support district goals
- ⊙ Develop and implement a short/long range plan for maintenance & improvement of facilities, technology, ground, and other capital improvements

◆ *Creating a culture for learning by working together* ◆ *Providing a curriculum that challenges and engages all students*
◆ *Implementing research based strategies to maximize student learning* ◆ *Monitoring and supporting each student's achievement*
