

Hunters Glen January News

Dear Hunters Glen Families,

January has just shown us that Winter is upon us! As a reminder, we try to go outside most days when the temperature is above 20 degrees. Please ensure your child is wearing a warm coat and any other appropriate clothing for being outside.

Grade Cards

Grades for students are currently being finalized and will be released to parents via the Parent Portal/Infinite Campus on January 17th, at 4:00 PM. As a reminder, all Elementary Schools in Adams 12 use standards based grading. This means, even though we have another full semester, teachers are grading based on **end of year mastery**. Most concepts are taught again and have additional learning added during the second semester. For 1st semester grades, if your child receives a '2', that means they are progressing towards end of year mastery, but they didn't earn a '3' because there is more instruction that will occur. So, for 1st semester report cards, a grade of 2, 3, or 4 means your child is progressing. We will have our second semester conferences on Tuesday, February 11th and Thursday, February 13th for you to receive additional information about your child's progress.

Bear Den Resource Closet

A reminder to all families that Hunters Glen has a resource closet available to all Hunters Glen Families in need. We have food, clothing (including winter gear), diapers, and other hygiene items available for families who need assistance. If you need assistance please contact Mrs. Carlson at 720-972-5446 or sco025583@adams12.org.

Attendance

As we begin the second semester, I wanted to take a moment to remind you of our district's attendance policy.

Parents may excuse up to five (5) absences per semester without any documentation. However, any absences beyond the five (5) will be considered unexcused unless proper documentation is provided.

This means that each student may have up to 5 more absences excused this semester as long as the absence is communicated by calling the school attendance line or main office. Thank you for your continued support in ensuring our students' success. Please feel free to reach out to Mrs. Brandi or Mrs. Reilly if you have any questions.
