

# COUNSELOR CONNECTION

## The Scheduling Edition

### Determine your course requests

- Review Course Selection Sheet
  - Available in Counseling Google Classroom
- Have conversations with current teachers
- Consider your future goals & overall balance

### Complete the Course Planner in SchoolLinks

- Course planner is open from January 24-31
- View Scheduling Presentation for step-by-step instructions

### Review your Course Verification Sheet

- Course Verification Sheets will be handed out on February 18
- Please review closely... if changes are necessary, update form & return to the counseling office with a parent signature by February 20

### Tips to Keep in Mind for Scheduling!

- Keep your future plans in mind... make sure your courses align with your college & career goals!
- Student requests must align with teacher recommendations for Honors or Advanced Placement requests in Math, Science and English. Check the comments section of Course Planner!
- If you get an error message at submission, please proceed. Counselors will be reviewing all course plans to confirm accuracy.
- Be sure to select the appropriate course sequence for English and Math.
- Planning to use the PE Waiver? Be sure to complete the form if you've completed the seasons!
