

Board Review of Regulations

The Board reserves the right to review regulations issued by the administration at its discretion, but it shall revise or veto such regulations only when, in the Board's judgment, they are inconsistent with policies and regulations adopted by the Board.

Regulations shall be officially approved by the Board when this is required by state or federal law or when strong community, staff or student attitudes make it advisable for the regulations to have Board approval.

Before issuance, regulations shall be properly titled and coded as appropriate to the policy codification system selected by the Board.
