Loma Vista Elementary School
2023-2024 School Accountability Report Card
(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
	- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
	- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
	- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
	A hard copy of the School Accountability Report Card is available at your School Office, upon request.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/.
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/.

2024-25 School Description and Mission Statement

Our Vision:
At Loma Vista School we believe that all students can flourish and that it is our duty to give each child the tools to believe in themselves, to feel successful, and to reach their full potential as positive citizens of our global community.

Principal's Comments:
Welcome to Loma Vista Elementary School where every student is a Superstar. Our school motto is "Be a Super S.T.A.R," which means show respect to all people and property, take responsibility for your actions, arrive at school on time and ready to

2024-25 School Description and Mission Statement

learn, and remember to keep me and others safe. Our school serves approximately 473 students from TK through sixth grade. We also have a preschool program for our pre-kindergarten students.

Our staff is highly skilled and dedicated. We know that to achieve educational excellence, we need parent support and participation in each student's educational program. Students, parents, and school staff must continue to work together to meet the needs of every child. Through your interest and involvement, you model for our children the importance of attending school, the love of reading, and the establishment and implementation of high academic and behavioral standards.

Our staff continues to work together using the Accelerated Reader program, which is an essential component of our instructional program in Language Arts to increase students' independent reading abilities. Our teachers teach Common Core Standards and are using the Language Arts and math curriculums along with research-based teaching strategies to give students a great education.

Major Achievements:
Loma Vista continues to implement the necessary interventions for students who need additional support. Kindergarten through sixth-grade students who score below the benchmark receive individual or small group instruction with either an instructional aide or a certificated teacher. All of the instructional aides receive district training and ongoing coaching on effective instructional strategies.

Our staff continues to improve our PBIS (Positive Behavior Intervention and Support) program. We help students become familiar with our school-wide expectations. Students receive positive reinforcement for following our school-wide expectations. This year we have rewarded our students with the Student Online Store, where they can "purchase" items based on their PBIS points.

Our school climate is implementing the Mindset Academy. A majority of our staff, including classified staff members, have been trained in the Mindset Academy program. Teachers are implementing class meetings and all staff is better able to address the mental health issues that they see.

Students participate in vocal music activities and art lessons offered by the Salinas Elementary School District.

The focus for Improvement:

Teachers are highly motivated to provide quality instruction for students in the Common Core State Standards for English Language Arts and Mathematics. Teachers are focusing their collaboration on how to best meet the student's needs in these areas. A district-provided academic coach assists teachers in improving their instruction in these areas.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The Salinas City Elementary School District has made every effort to comply with the Instructional Quality Commission of the California State Board of Education. Curriculum frameworks have provided guidance for implementing the content standards adopted by the state and the district. Approved supplemental materials have also been provided for school sites to support instructional differentiation and the Response to Intervention program model.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results.   The administration of the PFT requires only participation results for these five fitness areas.   Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement	State Priority: Parental Involvement
	The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents play an important role in the school community. Our School Site Council (SSC) monitors student progress and approves the school's annual plan which includes actions and services for students and the school budget. This group of parents, teachers, and administrators meets each trimester to monitor the School Plan for Student Achievement and to discuss issues of concern to the school community. In addition, we have an active English Learner Advisory Committee (ELAC) that monitors the programs for English Learners and trains parents to assist students in school and provide leadership. Our Parent Organization is involved in many aspects of our school including fundraising, volunteering, and enhancing programs for all of our students. ELAC meets monthly and our Parent Organization meets quarterly. To become more involved, please call or visit the school office (831) 753-5670.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

2024-25 School Safety Plan

Loma Vista has a fully surrounding security fence with three electronically controlled access via our vehicle gate. This gate and electronically controlled pedestrian gates behind our vehicle access gate, assure that all visitors enter our school through the main office when school is in session. Visitors are required to sign in at the school office and receive a visitor's pass. Staff members report anyone without a pass to the school office. Students who leave before the end of the school day must be signed out by a responsible adult at the school office.

Discipline and safety procedures are reviewed with the staff throughout the school year. We review campus rules with students to ensure safety on campus. The PBIS team has developed matrices of student expected behavior for all areas on campus. There is an intercom system and intercom telephones are located in each classroom. Students may be on campus 30 minutes before the start of instruction while a morning supervisor monitors students. Ten minutes before the start of instruction students report to the classrooms and are supervised by their teacher. Teachers supervise students during recess. During the lunch period, classified staff and the school administration provide supervision.

Loma Vista School has a Comprehensive School Safety Plan in place and it is updated annually and approved by the School Site Council. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies and also includes the following: Crime Report by Site, Child Abuse Reporting Procedures, Disaster Procedures, Suspension and Expulsion Policy, Procedures to Notify Teachers of Dangerous Pupils, Discrimination and Harassment Policy, School-wide Dress Code, Procedures of Safe Ingress/Egress of Students, Ensuring a Safe and Orderly Environment, Rules and Procedures on School Discipline, and the Loma Vista School Plan for Student Achievement. The plan is available in our school office, and we share it with all staff during staff meetings. We conduct the following emergency response drills at the noted minimum frequency: fire/monthly (after-school programs, 2 times annually); lockdown & shelter-in-place/twice a year (after-school programs twice a year) and earthquake/twice a year (after-school programs twice a year). We also participated in the Monterey County Disaster Drill which took place in October 2024. We share safety concerns at staff meetings and review procedures. We have also been trained on the Big 5 for the entire county.
