# DATA'S WEEKLY NEWSLETTER

Today was the final day to make any changes to students' schedules for the upcoming school year. If a student has requested to meet with their counselor regarding their schedule, please be assured that they will have the opportunity to do so before the deadline. High school registration will take place next week for our eighth grade students on Monday January 27th. Additionally, the Wellness Center is collecting sweaters, jackets, and coats for the Caring Closet. If you have any of these items to donate, please contact one of the counselors to make arrangements.

Jan.  
27

- 8th Grade High School Registration Date

Jan.

- MERITO PD (1:35p-3:30p)

## WE NEED YOUR INPUT ON YOUR STUDENT'S FUTURE

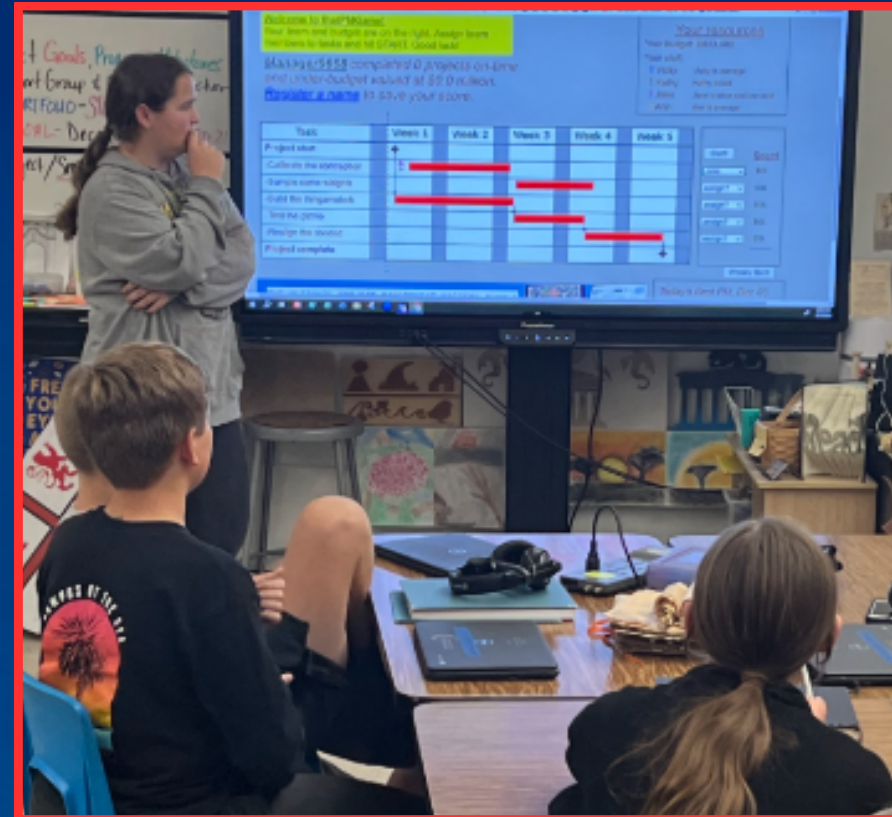

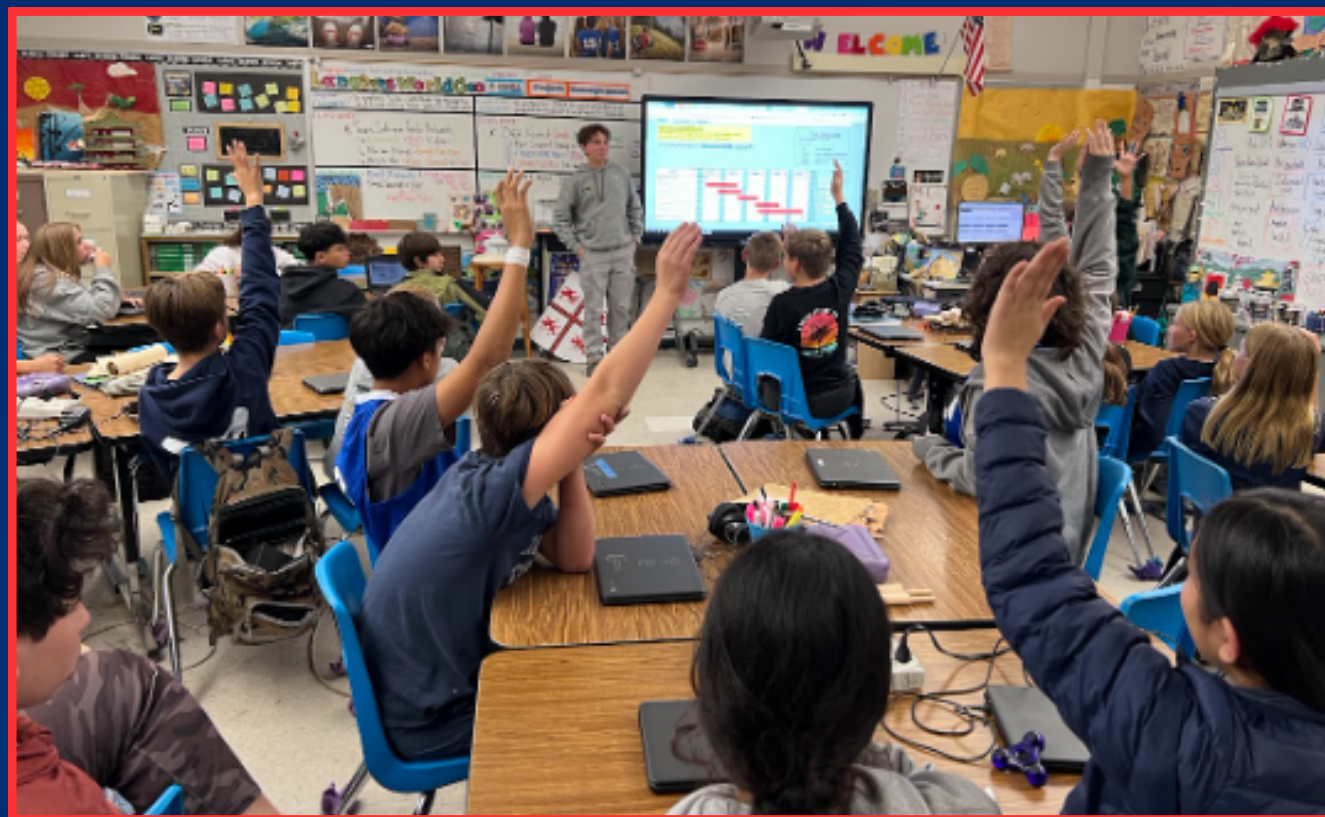

The LCAP Survey helps us target areas of need to improve student academic achievement while decreasing student group performance gaps, support positive student learning, student mental health, engage families as partners in education and much more!

Scan the QR code below or click [HERE](#) for survey

Click [HERE](#) for the survey  
The deadline is February 2!

# IDEA PROJECT MANAGEMENT

Students play a project management game utilizing a GANTT chart with project tasks for which they decided as a team which workers to assign certain tasks to see if they could finish the project on time and make a profit!

## 6th grade parents:

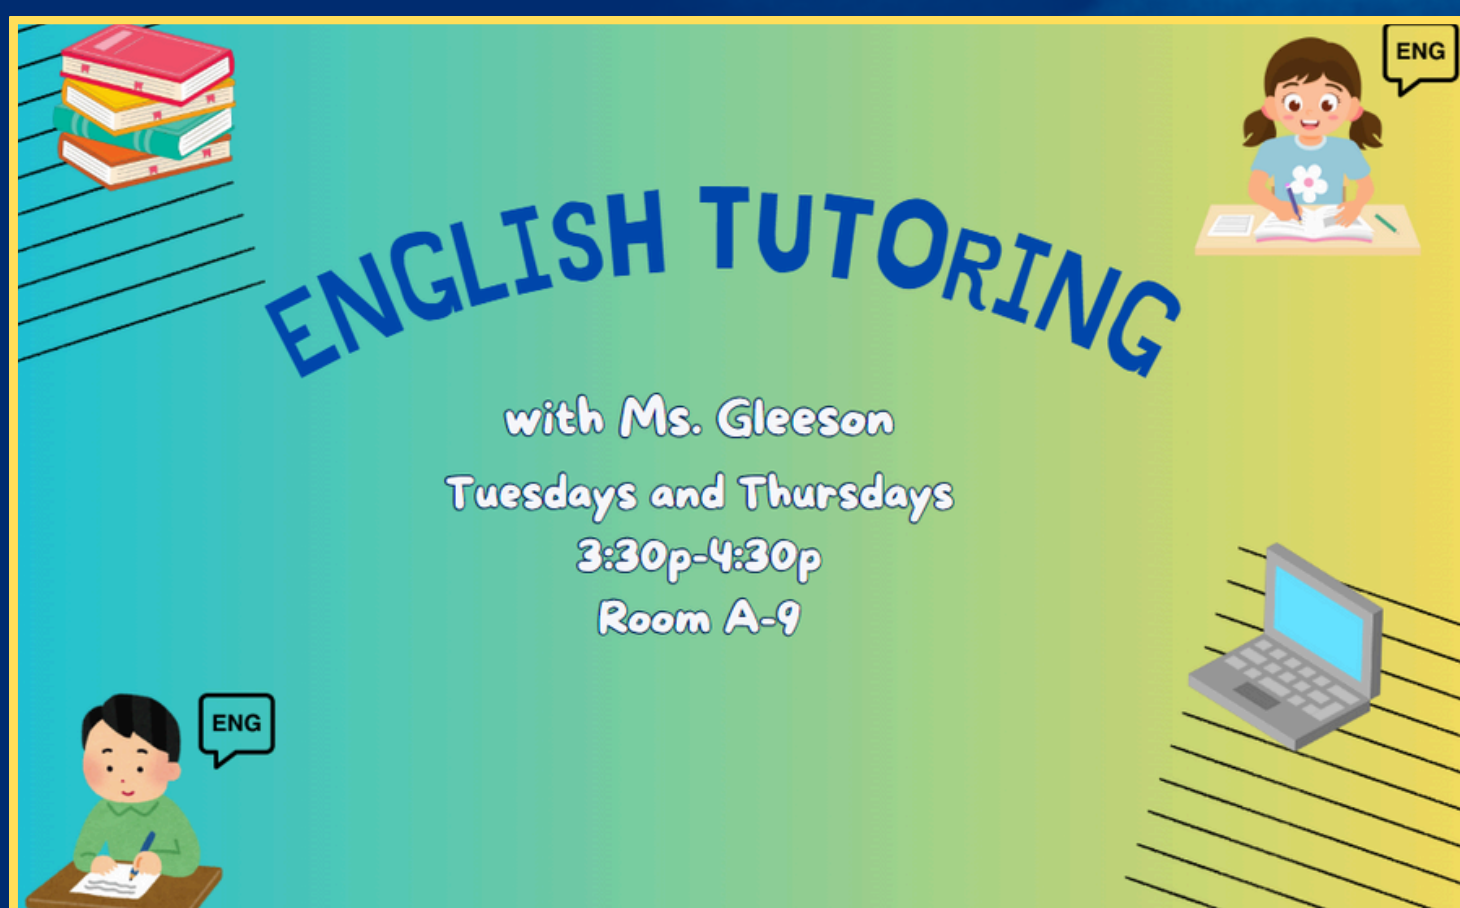

The Health Office needs the proof of your students Tdap booster (given on or after the 7<sup>th</sup> birthday), and any other required immunizations in order to attend 7<sup>th</sup> grade next school year. Without this proof on file, your student will not be registered for classes. Law SB277, effective January 1, 2016, no longer allows for personal belief exemptions for any immunizations.

Please consult with your physician and bring in proof as soon as possible so we can update your child's health information. Please call Health Office with any questions or to confirm if your 6<sup>th</sup> grader is current on Immunizations:

# BOLETÍN SEMANAL DE DATA

Hoy fue el último día para hacer cambios en los horarios de los estudiantes para el próximo año escolar. Si un estudiante ha solicitado reunirse con su consejero con respecto a su horario, tenga la seguridad de que tendrá la oportunidad de hacerlo antes de la fecha límite. La inscripción a la preparatoria se llevará a cabo la próxima semana el 27 de Enero para nuestros estudiantes de Octavo grado. Además, el Centro de Bienestar está recolectando suéteres, chaquetas y abrigos para el Caring Closet. Si tiene alguno de estos artículos para donar, comuníquese con uno de los consejeros para hacer los arreglos necesarios.

Ene.  
27

- Fecha de inscripción para el 8º grado de secundaria

Ene.  
31

- MÉRITO PD (1:35p-3:30p)

## NECESITAMOS TU OPINIÓN SOBRE EL FUTURO DE TU ESTUDIANTE

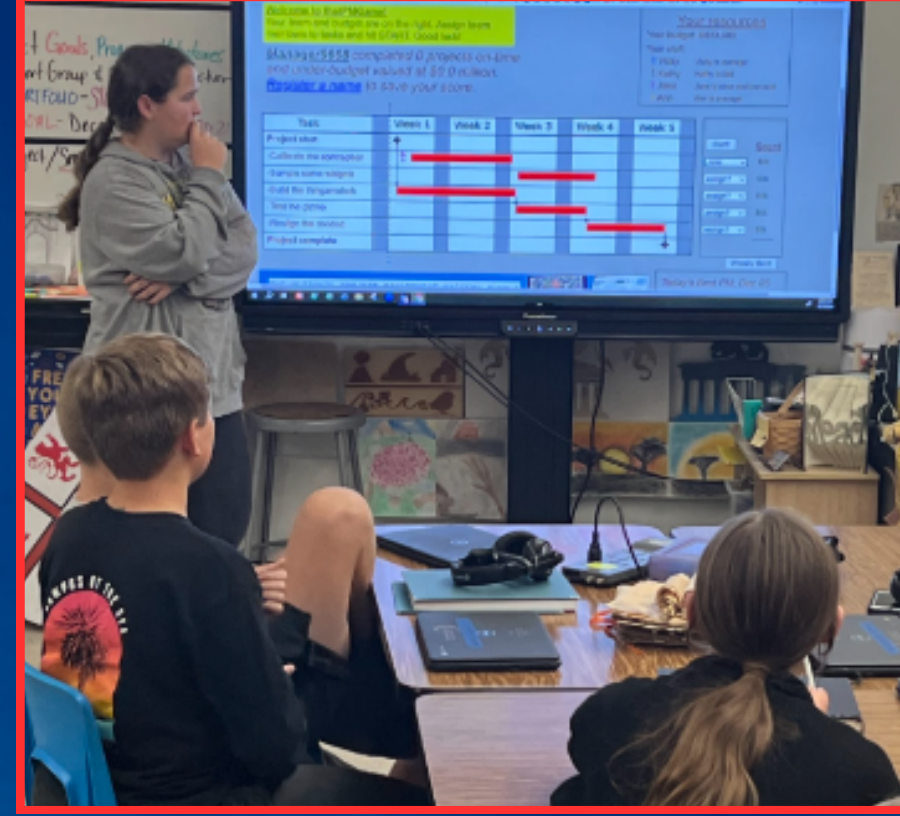

La encuesta LCAP nos ayuda a identificar áreas de necesidad para mejorar el rendimiento académico de los estudiantes mientras disminuimos las brechas de desempeño de los grupos de estudiantes, apoyamos el aprendizaje positivo de los estudiantes, la salud mental de los estudiantes, involucramos a las familias como socios en la educación y mucho más...

Escanee el código QR a continuación o haga clic [AQUI](#) para ver la encuesta

Haga clic [AQUI](#) para la encuesta ¡Tiene hasta el 2 de febrero!

# GESTIÓN DE PROYECTOS IDEA

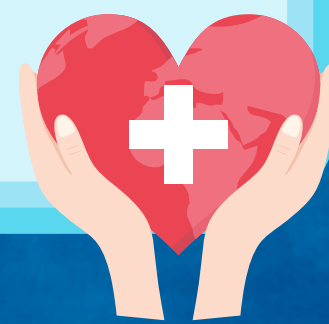

Los estudiantes juegan un juego de gestión de proyectos utilizando un diagrama de GANTT con tareas de proyecto para el cual decidieron en equipo a qué trabajadores asignar determinadas tareas para ver si podían terminar el proyecto a tiempo y obtener ganancias.

## Padres de 6to grado:

La Oficina de Salud necesita la prueba del refuerzo de Tdap de sus estudiantes (administrado en o después del 7º cumpleaños), y cualquier otra vacuna requerida para asistir al 7º grado el próximo año escolar. Sin esta prueba en el archivo, su estudiante no se registrará para las clases. La Ley SB277, vigente a partir del 1 de enero de 2016, ya no permite exenciones de creencias personales para ninguna inmunización. Consulte con su médico y traiga pruebas 10 días antes posible para que podamos actualizar la información de salud de su hijo. Llame a la Oficina de Salud si tiene alguna pregunta o para confirmarse si su estudiante de 6º grado está al día con las vacunas:
