## **How To Get Your Form I-20**

*Certificate of Eligibility for F-1 Student Status*

**IMPORTANT:** The information on the following pages carefully explains how to get your Form I-20. Please read it and follow the directions completely to avoid delays in getting your I-20.

**NOW THAT YOU ARE PLANNING TO BE A STUDENT, THERE ARE TWO THINGS YOU CANNOT DO!**

**1. DO NOT ENTER THE U.S. WITH A B-1, B-2, OR B-½ VISA**

If you use a B visa to enter the U.S., you are saying “I’m here as a visitor” only. Since you contacted our school about study, this could be viewed as misrepresenting your purpose for entering the U.S., and you might be refused permission to extend or to change your status. Do not listen to people who say it is easy to enter the country as a visitor and change your status to F-1 Student. It is not true! U.S. federal regulations prohibit B Visitors from pursuing a course of study prior to obtaining a change of status to F-1 Student.

**If your study plans are not certain and you want to enter the U.S. to visit schools,** you must explain this on your visa application and ask the visa officer for a B-2 visa with the words “Prospective student” noted on it or have the words added to your B visa if you already have one.

**2. DO NOT ENTER THE U.S. on the Visa Waiver Program (WT or WB)**

If you are from a country from which you can enter the U.S. as a visitor by registering for ESTA, do not do this. You will be permitted to stay for only 90 days. You will not be given more time or allowed to change to F-1 Student status.

**WHAT IS A FORM I-20, AND WHY DO YOU NEED ONE?**

**A Form I-20 is a government form that certifies that you are eligible for F-1 Student Status.** That means that (1) you are or expect to be a “bona fide” (real) student; (2) you meet our admissions requirements; (3) you will pursue a full course of study; (4) you proved to us that you have enough money to study and live in the U.S. without working illegally or suffering from poverty.

**You need a Form I-20 to obtain an F-1 Student visa or status, or to keep lawful F-1 status when transferring or changing schools within the U.S.**

## DOES EVERYBODY NEED A FORM I-20?

**NO, some international students do not need I-20s.** J-1 students need a Form DS-2019 and should ask us for that application. B Visitors and F-2 dependents must obtain an I-20 and apply for a change of status to F-1 student to pursue a course of study that is not avocational or recreational in nature. If you are maintaining another nonimmigrant status in the U.S., you do not have to have an I-20 and may attend school full-or part-time. Dependent children in E, H, I, J, L, M, N, O, P, R, or S status need to change status after their 21st birthday or if they marry. If you have no legal status, you may attend school, but you are not eligible to change status and do not need an I-20.

## RULES FOR GETTING YOUR FORM I-20

- 1. You must prove to us that you can support the costs of living and studying in the U.S. for every year of your program of study.** This is required by the U.S. government in order to issue the form I-20.
- 2. Carefully review our school's "Financial Information Sheet"** (Attached on pages 3-4)
- 3. Complete the "Affidavit of Support" and attach the required evidence.** Lutheran High School of Orange County is required by the United States Immigration and Customs Enforcement (ICE) to ensure that all I-20 students are able to pay for tuition, fees, and living expenses while studying in their academic program as international students. Signing this form indicates that you understand this policy and that you will be able to meet your financial obligation to the institution of Lutheran High School of Orange County (LHSOC).
- 4. Once admitted and the required fees have been paid,** the international admissions officer will issue the student their I-20. For transfer students, Orange Lutheran's I-20 will be issued after the student's SEVIS record is released from their current school.
