The health and safety of our students and staff are our top priority. This letter is to inform you that a student or staff member at Luis Valdez Leadership Academy has tested positive for COVID-19 off campus.

The affected individual was directed by the Public Health Department to isolate and their immediate family/household members and all identified close contacts have been directed to follow the [CDPH quarantine recommendations for schools](#), monitor for COVID-19 symptoms, and comply with the recommended interventions. For further site questions, please contact us at mfarfan@tfhe.org and tmartinez@tfhe.org.

You are receiving this notice because your child has **NOT** been identified as a close contact to the individual during their infectious period. We will update you with any additional pertinent information when we receive it. **Please continue to monitor your student for symptoms and stay home if they are sick.** Students must self-certify a 'Negative' Test and have no symptoms for 48 hours prior to returning to school after being sick. Please contact your healthcare provider if you develop symptoms or if you have any additional questions or concerns.

Sincerely,
