## 2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Luis Valdez Leadership Academy (LVLA) is a public charter high school located in San Jose, California, focusing on providing its students with a rigorous curriculum, a strong faculty and support staff for their instructional experience, and an environment made up of high expectations and community. LVLA has a strong educational track record that has prepared all attending students for succeeding academically and achieving postsecondary success. LVLA possesses a relevant and comprehensive curriculum focused on meeting the needs of English Language Learners, a well-prepared and trained fully-certificated faculty through the Union of Foundation (UFE) educators, and a nurturing environment with restorative practices. The school site is co-located with East Side Union High School District's (ESUHSD) Yerba Buena High School at 1855 Lucretia Avenue, San Jose, CA 95122. Accordingly, LVLA has become a proponent for the success of its students, families, and local community to become competitive in their educational journey and future pursuits.

The LVLA community is predominantly Latine/o/a/x and Asian, and is home to a working-class immigrant population with student demographics as follows: 83.9% Socioeconomically Disadvantaged, 44.6% English Learners, 22% Homeless, 15% Students with Disabilities, and is home to over 80% Spanish speaking families. In stating this, the LVLA lays the foundation of understanding who we serve and our capacity to offer to the community. LVLA's families are equipped with transformative feedback, which helps define the approach as to what a "whole-child" strategy is in delivering a holistic instructional approach. With its challenging and grade-level appropriate curriculum, capable faculty, and nurturing environment, LVLA has become a viable educational option for each and every student. Additionally, through a focus on the Spanish language, for both native speakers and Spanish language learners, LVLA students will use their education, bi-literacy, and life experiences to create positive changes in their own lives, in their own families, and within their communities. Through leadership, responsibility, and resilience, LVLA graduates make a positive impact on the East San Jose community and beyond.

LCAP Goals (2021 - 2024):

Goal #1: Increase A-G completion rates, on par with our neighboring schools holding similar student groups.

Goal #2: Maintain or increase graduation rate and ensure we maintain a 95% graduation rate annually.

Goal #3: 11th grade students will demonstrate on par or exceed proficiency rates on the English Language Arts (ELA) and Mathematics CAASPP when compared to neighborhood high schools with the same student demographics.

## About this School

### 2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	71
Grade 10	62

#### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	16.60	100.00	1131.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	7.30	43.12	943.60	82.39	234405.20	84.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.80
Misassignments	3.90	7.10
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	<b>3.90</b>	<b>8.00</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
<b>Total Out-of-Field Teachers</b>	<b>0.00</b>	<b>0.00</b>

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	22.8	43.4
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.1	7

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## School Facility Conditions and Planned Improvements

LVLA is fully located on the Yerba Buena High School campus (YB), including for its Visual & Performing Arts courses and Athletics program. The Foundation for Hispanic Education's (TFHE) Facilities Department provides LVLA with a full time staff to meet the school's janitorial needs during business hours as well as after hours. Outside support is contracted with authorized third-party vendors as required for one-time hostings, adjustments in work schedules, and standard holiday breaks. Based on LVLA's Facility Use Agreement with the East Side Union High School District (ESUHSD), major system maintenance is the responsibility of the ESUHSD. TFHE Facilities performs an annual inspection of all systems with ESUHSD Staff, including instructional spaces, restrooms, perimeter gates, parking lots, storage space, garbage bins, and utilities. LVLA also stations a security guard at the front entrance gate to its shared parking lot with Yerba Buena High School for school safety, visitor check-in, and dismissal.

Over the last three academic years, LVLA and TFHE have invested in school site improvements including:

Replacing flooring in instructional spaces.

Upgrading furniture, fixtures, and equipment in instructional spaces.

Renovating the site's modular restroom unit.

Installing a shade structure in its recreational seating and nutrition area.

Performing deferred maintenance to all walkways and ramps.

In the coming academic year, the school site also intends to install a new iron rod fence with a pedestrian gate between itself and Yerba Buena High School, in addition to renovating existing instructional spaces.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	31	41	58	58	47	46
<b>Mathematics</b> (grades 3-8 and 11)	2	16	34	32	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2023-24 Opportunities for Parental Involvement

LVLA students, parents, and staff are held to a high level of expectations consistent with the school site's Student/Family Handbook and Summer Bridge Orientation curriculum. The expectation is that 100% of students will gain acceptance and matriculate into at least one higher education program after graduation – a two-year community college (including certification programs) or a four-year university. Parents/Guardians are offered the opportunity to be supportive by participating in their child's academic and non-academic/personal development endeavors via committees such as School Site Council, English Learner Advisory Committee, Community Schools Focus Groups, and the Parent Advisory Committee. Most importantly, parents are empowered to participate and take a vital role in creating a college going culture as led by a partnership with their school site (LVLA). Moreover, partner organizations such as the Hispanic Foundation of Silicon Valley, Parent Institute of Quality Education, San Jose Learning Center and YMCA Project Cornerstone offer professional development and training opportunities for families to continue their own education to become better equipped for supporting their student's academic endeavors.

LVLA operates under the premise that the teachers, parents, and students must work together as partners to create the offerings for a quality education, as evidenced by its Schoolwide Learner Outcomes (SLO) and Local Control & Accountability Plan (LCAP) Actions and Goals. Parents also participate in Monthly Cafecito Meetings, monthly survey efforts, and are engaged weekly through a School Newsletter. Approximately 20 - 30 parents participate each month in at least one school site effort. The meetings are focused on getting the parents involved in the student's education with parents at LVLA on campus frequently for continued oversight and rapport building.

## 2023-24 School Safety Plan

LVLA has a detailed, comprehensive Safety Plan that outlines the protocol to be used, systems that must be in place, and procedures that must be followed in the event of an emergency. The school safety plan covers an array of different systems such as child abuse reporting procedures, policies pursuant to Education Code 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations, procedures to notify teachers and counselors of dangerous students, sexual harassment policy, safe ingress and egress to and from school, rules and procedures on school discipline in order to create a safe and orderly environment conducive to learning, dress code, routine and emergency disaster procedures including natural disasters, human-created disasters or power outages.

Routine and emergency disaster procedures include but are not limited to; emergency and disaster preparedness plan, fire drills, lockdown drills, earthquake emergency procedure system, and safe transportation during emergencies. Ensuring that our community feels safe on our campus is of the utmost priority for the Luis Valdez Leadership Academy. These safety plans have been outlined and thoroughly reviewed with teachers, staff, students, and parents throughout the year.

## Professional Development

Luis Valdez Leadership Academy staff, including Certificated and Classified members, engage in 9 full days of Professional Development and Continuous Improvement Days. Additionally, staff members engage in Professional Development on designated Wednesdays for 100 minutes, for approximately 29 Wednesdays, during the Academic School year.

The purpose of the 2022-2023 Teaching and Learning professional development series was to provide professional learning and collaborative opportunities with strategies and techniques that positively impact student outcomes.

## Professional Development

Professional Development includes, but is not limited to:

Sheltered Instruction Observation Protocol (SIOP) features and techniques

Assessment and Data - Understanding our state and local assessments and data dives to inform instructional focus and monitoring

Instructional Coaching

Lesson Design

Curriculum Mapping

Defining Objectives

Best Practices for Effective Teaching

Book Study - Grading for Equity

In addition to the 9 full days on instruction, curriculum, assessment and evaluation, the focus of the school's Professional Development was selected due to student achievement data results in Math and English. The school has focused on Literacy across the content areas based on the student performance data and student population demographics. Student and the community were surveyed and Priority Areas for the classroom were identified that guide instructional practice. Inclusively, teachers implement the Growth Mindset and Gradual Release of Responsibility in lesson design.

Professional development is delivered five days prior to the beginning of school as a Foundation professional development work week, for all its charter schools. The focus is on the use of data to inform classroom instruction. Additionally, five full days of professional development are provided for teachers during the school year to participate in further Foundation implemented Professional Development. Teachers have 3 hours weekly to collaborate as a school in professional learning teams focused on the assessment review of student work given student performance outcomes. Additional professional development is provided to the team after school hours in Growth Mindset and Gradual Release of Responsibility throughout the year, as well as in the summer as an introduction professional development for new teacher hires.

All staff are also expected to take Mandatory Training Sessions as identified and administered by CharterSafe's SafeSchools with TFHE's Department of Human Resources tracking completion. Sessions include Mandated Reporter Training, Bloodborne Pathogen Training, Child Abuse Neglect Prevention, Sexual Harassment Prevention (Staff to Staff and Staff to Student), First Aid Training, FERPA Training, and other pressing compliance trainings. The implementation of professional development is supported by and for teachers through peer to peer instructional coaching, the use of student performance data as a review in teams, and in department focused working sessions. al coaching, the use of student performance data as a review in teams, and in department focused working sessions.
