## Informe de rendición de cuentas de la escuela 2023-24

### Informe elaborado con datos del año escolar 2023-24

#### Departamento de Educación de California

<b>DIRECCIÓN:</b>	14271 Story Rd. San José, CA, 95127-3823	<b>Principal:</b>	Jesús Ríos, Director
<b>Teléfono:</b>	(408) 729-2281	<b>Rango de grados:</b>	9-12

Cada año, antes del 1 de febrero, todas las escuelas de California deben publicar, según la ley estatal, un Informe de Responsabilidad Escolar (SARC, por sus siglas en inglés). El SARC contiene información sobre la condición y el desempeño de cada escuela pública de California. Según la Fórmula de Financiamiento de Control Local (LCFF, por sus siglas en inglés), todas las agencias educativas locales (LEA, por sus siglas en inglés) deben preparar un Plan de Control y Responsabilidad Local (LCAP, por sus siglas en inglés), que describe cómo pretenden cumplir con los objetivos anuales específicos de la escuela para todos los alumnos, con actividades específicas para abordar las prioridades estatales y locales. Además, los datos informados en un LCAP deben ser coherentes con los datos informados en el SARC.

- Para obtener más información sobre los requisitos del SARC y el acceso a los informes de años anteriores, consulte la página web del SARC del Departamento de Educación de California (CDE) en <https://www.cde.ca.gov/ta/ac/sa/>.
- Para obtener más información sobre el LCFF o el LCAP, consulte la página web del LCFF del CDE en <https://www.cde.ca.gov/fg/aa/lc/>.
- Para obtener información adicional sobre la escuela, los padres/tutores y miembros de la comunidad deben comunicarse con el director de la escuela o la oficina del distrito.

## Búsqueda de datos

DataQuest es una herramienta de datos en línea ubicada en la página web DataQuest del CDE en <https://dq.cde.ca.gov/dataquest/> que contiene información adicional sobre esta escuela y comparaciones de la escuela con el distrito y el condado. Específicamente, DataQuest es un sistema dinámico que proporciona informes para la rendición de cuentas (por ejemplo, datos de pruebas, inscripción, graduados de la escuela secundaria, deserción escolar, inscripción en cursos, dotación de personal y datos sobre estudiantes de inglés).

## **Panel de control de las escuelas de California**

El Panel de Control de Escuelas de California (Dashboard) <https://www.caschooldashboard.org/> refleja el nuevo sistema de rendición de cuentas y mejora continua de California y brinda información sobre cómo las LEA y las escuelas están satisfaciendo las necesidades de la diversa población estudiantil de California. El Panel de Control contiene informes que muestran el desempeño de las LEA, las escuelas y los grupos de estudiantes en un conjunto de medidas estatales y locales para ayudar a identificar fortalezas, desafíos y áreas que necesitan mejoras.

## **Acceso a Internet**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## **Admission Requirements for the University of California (UC)**

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

## **Admission Requirements for the California State University (CSU)**

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

## School Description and Mission Statement (School Year 2024–25)

Latino College Preparatory Academy (LCPA) is a public charter high school focused on providing its students with a college preparatory curriculum through a strong staff for a supportive instructional experience. LCPA has a twenty-year educational track record that has enhanced all attending students' chances of succeeding academically and completing a higher education degree. The school is chartered through East Side Union High School District to meet the developing needs of English Language Learner students and their families. With its community-centered curriculum focused on meeting the needs of English Language Learners, a trained and fully certificated faculty through the Union of Foundation (UFE) educators, and a nurturing environment in a state-of-the-art facility, LCPA has become a strong educational option for each and every student in East San Jose.

With its focus on bi-literacy and bi-cultural practices in its educational programs, LCPA fills a unique niche in students celebrating their history while becoming prepared to work in diverse communities within a globalized world. A highlight and source of pride for the school site is its

strong track record of students earning the California Seal of Biliteracy upon graduation and in preparation for postsecondary endeavors. The school site is home to other hallmark programs with local partners such as the Silicon Valley Urban Debate League, Google Code Artists, San Jose Learning Center, the PARTI Program, Gardner Health Services, and the Hispanic Foundation of Silicon Valley.

**Mission and Vision:**

LCPA's mission and values drive everything at the school site, from the academic program set to make graduates a bi-literate, college-educated individual to the process of exploring cultural identity and the tenets of community building. Each value exemplifies a quality necessary to excel in college, develop into a leader, and create positive change in their lives, in the community, and among the global society. Central to the mission is the unwavering belief that all English Language Learner (ELL) students can succeed in the most competitive colleges/universities and professional environments across all sectors, when prepared with a rigorous, college-preparatory education that incorporates extended time for learning inside and outside the classroom, and a wide range of language-acquisition support with certificated staff members.

**LCAP Goals (2024 - 2027):**

- Goal #1: LCPA will Increase the percentage of scholars meeting or exceeding proficiency standards in English Language Arts (ELA) and Mathematics by 5% by the end of the academic year measured by standardized assessments (SBAC).
- Goal #2: LCPA will foster a college-bound culture by increasing the A - G Requirement college completion rate by 10% each academic year.
- Goal #3: LCPA will increase English Learners' progress by 10% annually measured by the summative ELPAC.
- Goal #4: LCPA will cultivate a positive school culture and community engagement that promotes student learning in an academically and physically safe environment while maintaining a low suspension rate.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.40	76.90%	943.40	83.36%	228366.10	83.12%
Intern Credential Holders Properly Assigned	0.00	0.00%	29.90	2.65%	4205.90	1.53%

## School Facility Conditions and Planned Improvements

LCPA is located at 14271 Story Road, San Jose, CA 95127, in a modern state-of-the-art, multi-story, 67,000 square foot educational space containing 23 classrooms and 5 offices. In addition, students also have access to a Cafeteria (Finn Center), recreational spaces (i.e., Bustos Plaza, Athletic Field), a college support center (Abby Sobrato Center for College Success), and a staff/student parking lot. Technical support for technology infrastructure, operations, and facilities oversight are provided by The Foundation for Hispanic Education. Nutrition services are provided by Revolution Foods. Daily janitorial service is provided by on-site staff during the day and internally sourced for evening service. Maintenance of major systems, such as fire protection, emergency generator, landscaping, electrical systems, network equipment, emergency exit signage, elevator system, pest control, deferred maintenance, and HVAC troubleshooting, are provided by qualified vendors included in an annual vendor list. Recent improvements include upgrades to the Finn Center auditorium/nutrition space in Fall 2021 and modernization of the Sobrato Athletics Building in Fall 2022. There are no forthcoming capital projects planned for the instructional spaces, which were fully renovated through a City of San Jose-approved Tenant Improvement Project (TIP) in the 2017 - 2018 school year.?

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
  2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
  3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

<b>Subject</b>	<b>School 2022– 23</b>	<b>School 2023– 24</b>	<b>District 2022– 23</b>	<b>District 2023– 24</b>	<b>State 2022– 23</b>	<b>State 2023– 24</b>
English Language Arts / Literacy (grades 3-8 and 11)	32%	42%	58%	56%	46%	47%
Mathematics (grades 3-8 and 11)	2%	10%	32%	33%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group for students taking and completing state-administered assessment Grades Three through Eight and Grade Eleven (School Year 2023–24)**

Note: ELA test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

#### Opportunities for Parental Involvement (School Year 2024–25)

LCPA students, parents, and staff are held to a high level of expectations consistent with the school site's Student/Family Handbook and Summer Bridge Orientation curriculum. The expectation is that 100% of students will gain acceptance and matriculate into at least one higher education program after graduation – a two-year community college (including certification programs) or a four-year university. Parents/Guardians are offered the opportunity to be supportive by participating in their child's academic and non-academic/personal development endeavors via committees such as School Site Council, English Learner Advisory Committee, Community Schools Focus Groups, and the Parent Advisory Committee. Most importantly, parents are empowered to participate and take a vital role in creating a college-going culture as led by a partnership with their school site (LCPA). Moreover, partner organizations such as the Hispanic Foundation of Silicon Valley, Parent Institute of Quality Education, San Jose Learning Center, and YMCA Project Cornerstone offer professional development and training opportunities for families to continue their education to become better equipped for supporting their student's academic endeavors.

LCPA operates under the premise that the teachers, parents, and students must work together as partners to create the offerings for a quality education, as evidenced by its Schoolwide Learner Outcomes (SLO) and Local Control & Accountability Plan (LCAP) Actions and Goals. Parents also participate in Monthly Cafecito Meetings, monthly survey efforts, and are engaged weekly through a School Newsletter. Approximately 80 - 100 parents participate each month in at least one school site effort. The meetings are focused on getting the parents involved in the student's education with parents at LCPA on campus frequently for continued oversight and rapport building.

## School Safety Plan (School Year 2024–25)

LCPA has a comprehensive Safety Plan that outlines the protocol to be used, systems that must be in place, and procedures that must be followed in the event of an emergency. The school safety plan covers an array of different systems such as child abuse reporting procedures, policies pursuant to Education Code 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations, procedures to notify teachers and counselors of dangerous students, sexual harassment policy, safe ingress and egress to and from school, rules and procedures on school discipline in order to create a safe and orderly environment conducive to learning, dress code, routine and emergency disaster procedures including natural disasters, human-created disasters or power outages.

Routine and emergency disaster procedures include but are not limited to; emergency and disaster preparedness plan, fire drills, lockdown drills, earthquake emergency procedure system, and safe transportation during emergencies. Ensuring that our community feels safe on our campus is of the utmost priority for the Latino College Preparatory Academy. These safety plans have been outlined and thoroughly reviewed with teachers, staff, students, and parents throughout the year.

### Professional Development

Latino College Preparatory Academy staff, including Certificated and Classified members, engage in 9 full days of Professional Development and Continuous Improvement Days. Additionally, staff members engage in Professional Development on designated Wednesdays for 100 minutes, for approximately 29 Wednesdays, during the Academic School year.

The purpose of the 2023-2024 Teaching and Learning professional development series was to provide professional learning and collaborative opportunities with strategies and techniques that positively impact student outcomes.

Professional Development includes, but is not limited to:

- **Sheltered Instruction Observation Protocol (SIOP) features and techniques**
- **Assessment and Data - Understanding our state and local assessments and data dives to inform instructional focus and monitoring. Including understanding MAP and ELPAC scores.**
- **Instructional Coaching for identified teachers and ongoing as needed**
- **Lesson Design**
- **Curriculum Mapping, including scope and sequence**
- **Accessing adopted Curriculum resources**
- **Defining and articulating clear Objectives**
- **Best Practices for Effective Teaching**

- **Classroom Visits** accompanied with sharing of observation data to address glows and grows
- **Special Education - Understanding IEP's, Assistive Technology Tools**
- **Review of LCAP Goals**
- **Universal practices related to student attendance**
- **Compliance and Equity**
- **Project-Based Learning**
- **English Language Learners - View EL, RFEP, LTEL, and STEL indicators, ELD standards, Proficiency Level Descriptors**
- **Various Workshops on topics such as Time Management and Organization for Teaching, Assessment Levels and Proctoring, and Project Based Learning**

**In addition to the 9 full days on instruction, curriculum, assessment, and evaluation, the focus of the school's Professional Development was selected due to student achievement data results in Math and English. The school has focused on Literacy across the content areas based on the student performance data and student population demographics. Students and the community were surveyed and Priority Areas for the classroom were identified that guide instructional practice. Inclusively, teachers implemented the Growth Mindset and Gradual Release of Responsibility in lesson design.**

**Professional development is delivered five days prior to the beginning of school as a Foundation professional development work week, for all its charter schools. The focus is on the use of data to inform classroom instruction. Additionally, five full days of professional development are provided for teachers during the school year to participate in further Foundation implemented Professional Development. Teachers have 3 hours weekly to collaborate as a school in professional learning teams focused on the assessment review of student work given student performance outcomes. Additional professional development is provided to the team after school hours in Growth Mindset and Gradual Release of Responsibility throughout the year, as well as in the summer as an introduction to professional development for new teacher hires.**

**All staff are also expected to take Mandatory Training Sessions as identified and administered by CharterSafe's SafeSchools with TFHE's Department of Human Resources tracking completion. Sessions include Mandated Reporter Training, Bloodborne Pathogen Training, Child Abuse Neglect Prevention, Sexual Harassment Prevention (Staff to Staff and Staff to Student), First Aid Training, FERPA Training, and other pressing compliance trainings. The implementation of professional development is supported by and for teachers through peer-to-peer instructional coaching, the use of student performance data as a review in teams, and in**

**department-focused working sessions, coaching, the use of student performance data as a review in teams, and department-focused working sessions.**
