### Varsity Tutors for Schools to Provide Live and On-Demand Tutoring Resources for Students

Buckeye Valley Local Schools is excited to announce an exciting partnership with Varsity Tutors for Schools, the leading platform for live online tutoring, which will provide all district students with access to the Varsity Tutors for Schools platform.

This comprehensive platform integrates interactive study tools, collaborative workspaces, and dynamic tutoring resources, including:

- 24/7 On-Demand Chat Tutoring
- On-Demand Essay Review
- Live Enrichment and Remediation Classes

“Access to the Varsity Tutors for Schools platform can be an invaluable resource in those moments when students need assistance, but cannot get immediate one-on-one time with their teacher,” said Brian Orrenmaa, Chief of Academic Affairs at Buckeye Valley Local Schools. “We encourage students to take advantage of access to live human tutors, as well as a wide library of live and on-demand classes to support the subjects they are studying or the passions they are pursuing.”

Over 500 school districts across the country utilize the Varsity Tutors for Schools platform to supplement classroom learning and to effectively close learning gaps. When students need help with homework or are struggling to solve a problem, they can immediately chat with a tutor, 24/7, to get the help they need. Students can take practice tests and follow personal lesson plans for guided self-study.

Buckeye Valley students can access the Varsity Tutors for School platform from anywhere by visiting the District website at <https://www.mybvls.org>. Students then select the MYBVLS Portal tab at the top of the page, log in to Classlink, and select the icon for Varsity Tutors to get started.
