lớp:** 9-12

Đến ngày 1 tháng 2 hàng năm, theo luật của tiểu bang, mọi trường học tại California đều phải công bố Báo cáo trách nhiệm giải trình của trường học (SARC). SARC chứa thông tin về tình trạng và hiệu suất của từng trường công lập tại California. Theo Công thức tài trợ kiểm soát cục bộ (LCFF), tất cả các cơ quan giáo dục địa phương (LEA) đều phải lập Kế hoạch kiểm soát và trách nhiệm giải trình của địa phương (LCAP), trong đó mô tả cách họ dự định đạt được các mục tiêu cụ thể hàng năm của trường cho tất cả học sinh, với các hoạt động cụ thể để giải quyết các ưu tiên của tiểu bang và địa phương. Ngoài ra, dữ liệu được báo cáo trong LCAP phải nhất quán với dữ liệu được báo cáo trong SARC.

- Để biết thêm thông tin về các yêu cầu của SARC và quyền truy cập vào các báo cáo của những năm trước, hãy xem trang web SARC của Sở Giáo dục California (CDE) tại <https://www.cde.ca.gov/ta/ac/sa/>.
- Để biết thêm thông tin về LCFF hoặc LCAP, hãy xem trang web LCFF của CDE tại <https://www.cde.ca.gov/fg/aa/lc/>.
- Để biết thêm thông tin về trường, phụ huynh/người giám hộ và thành viên cộng đồng nên liên hệ với hiệu trưởng nhà trường hoặc văn phòng quận.

Dữ liệuQuest

DataQuest là một công cụ dữ liệu trực tuyến nằm trên trang web DataQuest của CDE tại <https://dq.cde.ca.gov/dataquest/> có chứa thông tin bổ sung về trường này và so sánh trường với quận và hạt. Cụ thể, DataQuest là một hệ thống động cung cấp các báo cáo để giải trình (ví dụ: dữ liệu kiểm tra, tuyển sinh, tốt nghiệp trung học, bỏ học, tuyển sinh khóa học, nhân sự và dữ liệu liên quan đến người học tiếng Anh).

Bảng điều khiển trường học California

Bảng điều khiển trường học California (Bảng điều khiển) <https://www.caschooldashboard.org/> phản ánh hệ thống trách nhiệm giải trình và cải tiến liên tục mới của California và cung cấp thông tin về cách LEA và trường học đáp ứng nhu cầu của nhóm học sinh đa dạng của California. Bảng điều khiển chứa các báo cáo hiển thị hiệu suất của LEA, trường học và nhóm học sinh trên một loạt các biện pháp của tiểu bang và địa phương để hỗ trợ xác định điểm mạnh, thách thức và lĩnh vực cần cải thiện.

Truy cập Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

About This School

Jesus Rios, Principal

📍 Principal, Latino College Preparatory Academy

Hello LCPA Community,

Welcome to our Eagle Warrior Familia! We are thrilled and excited to educate your child to a new school year of learning and growing. Personally, I am grateful to continue this journey with you as your principal.

We are looking forward to a productive partnership with you to ensure our students can achieve their highest potential. We recognize that in order to be successful in school, our students need support from both the home and school. We know a strong partnership with you will make a great difference in your child's/ our student's education.

As educational partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities and commitments.

As parents, I strongly encourage you to consider joining our school site council and attend our monthly Cafecitos con el Director as our students can greatly benefit from your involvement and contributions to LCPA. We seek volunteers to help us with the following activities:

- 1) School Site Council Parent Members (Meets Monthly)
- 2) ELAC Parent Members (Meets Monthly)
- 3) School-wide events (Festival of Lights, Waffle Breakfast, Beautify SJ, Class fundraisers, etc)
- 4) Set up student recognition events
- 5) Outreach and recruitment of parent and community volunteers

Please visit our school's website at SJLCPA.org and review the Student and Parent Handbook so that you and your child can review them together. If you have any questions about our school's expectations, please feel free to contact me or a member of my team. It is very important that we as a school community are fully informed regarding standards related to our dress code policy and appropriate behavior for a safe and productive school year.

The wonderful LCPA Educator community and I feel privileged to be a part of our Eagle Warrior Familia. We thank you for your support and look forward to a successful school year. As your LCPA Principal, academic achievement is my top priority by strengthening the bonds of the 3 R's: RESPECT, RESPONSIBILITY, AND

RELATIONSHIPS. Our students have 100% pure potential to succeed academically.

School Description and Mission Statement (School Year 2023–24)

School Description:

Latino College Preparatory Academy (LCPA) is a public charter high school focused on providing its students with a college preparatory curriculum through a strong staff for a supportive instructional experience. LCPA has a twenty-year educational track record that has enhanced all attending students' chances of succeeding academically and completing a higher education degree. The school is chartered through East Side Union High School District to meet the developing needs of English Language Learner students and their families. With its community-centered curriculum focused on meeting the needs of English Language Learners, a trained and fully certificated faculty through the Union of Foundation (UFE) educators, and a nurturing environment in a state-of-the-art facility, LCPA has become a strong educational option for each and every student in East San Jose.

With its focus on bi-literacy and bi-cultural practices in its educational programs, LCPA

fills a unique niche in students celebrating their history while becoming prepared to work in diverse communities within a globalized world. A highlight and source of pride for the school site is its strong track record of students earning the California Seal of Biliteracy upon graduation and in preparation for postsecondary endeavors. The school site is home to other hallmark programs with local partners such as the Silicon Valley Urban Debate League, Google Code Artists, San Jose Learning Center, the PARTI Program, Gardner Health Services, and the Hispanic Foundation of Silicon Valley.

Mission and Vision:

LCPA's mission and values drive everything at the school site, from the academic program set to make graduates a bi-literate, college-educated individual to the process of exploring cultural identity and the tenets of community building. Each value exemplifies a quality necessary to excel in college, develop into a leader, and create positive change in their lives, in the community, and among the global society. Central to the mission is the unwavering belief that all English Language Learner (ELL) students can succeed in the most competitive colleges/universities and professional environments across all sectors, when prepared with a rigorous, college-preparatory education that incorporates extended time for learning inside and outside the classroom, and a wide range of language-acquisition support with certificated staff members.

LCAP Goals (2021 - 2024):

- **Goal #1: LCPA will work to ensure equitable access to all students for increasing proficiency in English Language Arts and Mathematics content standards.**
- **Goal #2: LCPA students will have access to rigorous and relevant learning tools and resources taught by highly qualified teachers as well as supported by well-trained academic counselors.**
- **Goal #3: LCPA will cultivate a positive and welcoming school culture that promotes student learning in an academically and physically safe environment while maintaining a low suspension rate.**

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

LCPA is located at 14271 Story Road, San Jose, CA 95127, in a modern state of the art, multi-story, 67,000 square foot educational space containing 23 classrooms and 5 offices. In addition, students also have access to a Cafeteria (Finn Center), recreational spaces (i.e., Bustos Plaza, Athletic Field), a college support center (Abby Sobrato Center for College Success), and a staff/student parking lot. Technical support for technology infrastructure, operations, and facilities oversight are provided by The Foundation for Hispanic Education. Nutrition services are provided by Revolution Foods. Daily janitorial service is provided by on-site staff during the day and internally sourced for evening service. Maintenance of major systems, such as fire protection, emergency generator, landscaping, electrical systems, network equipment, emergency exit signage, elevator system, pest control, deferred maintenance, and HVAC troubleshooting, are provided by qualified vendors included in an annual vendor list. Recent improvements include upgrades to the Finn Center auditorium/nutrition space in Fall 2021 and modernization of the Sobrato Athletics Building in Fall 2022. There are no forthcoming capital projects planned for the instructional spaces, which were fully renovated through a City of San Jose-approved Tenant Improvement Project (TIP) in the 2017 - 2018 school year.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2021– 22	School 2022– 23	District 2021– 22	District 2022– 23	State 2021– 22	State 2022– 23

Mathematics (grades 3-8 and 11)	5%	2%	34%	32%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

LCPA students, parents, and staff are held to a high level of expectations consistent with the school site's Student/Family Handbook and Summer Bridge Orientation curriculum. The expectation is that 100% of students will gain acceptance and matriculate into at least one higher education program after graduation – a two-year community college (including certification programs) or a four-year university. Parents/Guardians are offered the opportunity to be supportive by participating in their child's academic and non-academic/personal development endeavors via committees such as School Site Council, English Learner Advisory Committee, Community Schools Focus Groups, and the Parent Advisory Committee. Most importantly, parents are empowered to participate and take a vital role in creating a college going culture as led by a partnership with their school site (LCPA). Moreover, partner organizations such as the Hispanic Foundation of Silicon Valley, Parent Institute of Quality Education, San Jose Learning Center and YMCA Project Cornerstone offer professional development and training opportunities for families to continue their own education to become better equipped for supporting their student's academic endeavors.

LCPA operates under the premise that the teachers, parents, and students must work together as partners to create the offerings for a quality education, as evidenced by its Schoolwide Learner Outcomes (SLO) and Local Control & Accountability Plan (LCAP) Actions and Goals. Parents also participate in Monthly Cafecito Meetings, monthly survey efforts, and are engaged weekly through a School Newsletter. Approximately 80 - 100 parents participate each month in at least one school site effort. The meetings are focused on getting the parents involved in the student's education with parents at LCPA on campus frequently for continued oversight and rapport building.

State Priority: Pupil Engagement

School Safety Plan (School Year 2023–24)

LCPA has a comprehensive Safety Plan that outlines the protocol to be used, systems that must be in place, and procedures that must be followed in the event of an emergency. The school safety plan covers an array of different systems such as child abuse reporting procedures, policies pursuant to Education Code 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations, procedures to notify teachers and counselors of dangerous students, sexual harassment policy, safe ingress and egress to and from school, rules and procedures on school discipline in order to create a safe and orderly environment conducive to learning, dress code, routine and emergency disaster procedures including natural disasters, human-created disasters or power outages.

Routine and emergency disaster procedures include but are not limited to; emergency and disaster preparedness plan, fire drills, lockdown drills, earthquake emergency procedure system, and safe transportation during emergencies. Ensuring that our community feels safe on our campus is of the utmost priority for the Latino College Preparatory Academy. These safety plans have been outlined and thoroughly reviewed with teachers, staff, students, and parents throughout the year.

Professional Development

Latino College Preparatory Academy staff, including Certificated and Classified members, engage in 9 full days of Professional Development and Continuous Improvement Days. Additionally, staff members engage in Professional Development on designated Wednesdays for 100 minutes, for approximately 29 Wednesdays, during the Academic School year.

The purpose of the 2022-2023 Teaching and Learning professional development series was to provide professional learning and collaborative opportunities with strategies and techniques that positively impact student outcomes.

Professional Development includes, but is not limited to:

- Sheltered Instruction Observation Protocol (SIOP) features and techniques
- Assessment and Data - Understanding our state and local assessments and data dives to inform instructional focus and monitoring
- Instructional Coaching
- Lesson Design
- Curriculum Mapping
- Defining Objectives
- Best Practices for Effective Teaching
- Book Study - Grading for Equity

In addition to the 9 full days on instruction, curriculum, assessment and evaluation, the focus of the school's Professional Development was selected due to student achievement data results in Math and English. The school has focused on Literacy across the content areas based on the student performance data and student population demographics. Student and the community were surveyed and Priority Areas for the classroom were identified that guide instructional practice. Inclusively, teachers implement the Growth Mindset and Gradual Release of Responsibility in lesson design.

Professional development is delivered five days prior to the beginning of school as a Foundation professional development work week, for all its charter schools. The focus is on the use of data to inform classroom instruction. Additionally, five full days of professional development are provided for teachers during the school year to participate in further Foundation implemented Professional Development. Teachers have 3 hours weekly to collaborate as a school in professional learning teams focused on the assessment review of student work given student performance outcomes. Additional professional development is provided to the team after school hours in Growth Mindset and Gradual Release of Responsibility throughout the year, as well as in the summer as an introduction professional development for new teacher hires.

Tất cả nhân viên cũng được yêu cầu tham gia các Phiên đào tạo bắt buộc do SafeSchools của CharterSafe xác định và quản lý với Bộ phận nhân sự của TFHE theo dõi việc hoàn thành. Các phiên bao gồm Đào tạo báo cáo bắt buộc, Đào tạo về tác nhân gây bệnh qua đường máu, Phòng ngừa lạm dụng trẻ em, Phòng ngừa quấy rối tình dục (Nhân viên với nhân viên và Nhân viên với học sinh), Đào tạo sơ cứu, Đào tạo FERPA và các khóa đào tạo tuân thủ cấp bách khác. Việc triển khai phát triển chuyên môn được hỗ trợ bởi và dành cho giáo viên thông qua việc hướng dẫn ngang hàng, sử dụng ngày đánh giá thành tích của học sinh làm bài đánh giá trong các nhóm và trong các buổi làm việc tập trung vào khoa.
