By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020–2021)

Latino College Preparatory Academy (LCPA) is a public charter high school focusing on providing its students with a rigorous curriculum, a strong faculty and support staff for their instructional experience, and an environment made up of high expectations and community that serves the entire student and their family. LCPA has a eighteen-year educational track record that has enhanced all attending students' chances of succeeding academically and completing a college degree, particularly with a focus of English Language Learner (ELL) students.

With its innovative curriculum focused on meeting the needs of English Language Learners, a capable fully-certificated faculty through the Union of Foundation (UFE) educators, and a nurturing environment in a state-of-the-art facility, LCPA has become a viable educational option for each and every student in East San Jose, especially English Language Learners and those deriving from underrepresented backgrounds. With its focus on bi-literacy focused educational programs, LCPA fills a unique niche in providing focus to reach the academic level proficiency of English Language Arts (ELA) that is critical for academic achievement, demonstrating growth in standardized tests, benefiting from assessment-based curriculum, and pursuing postsecondary educational opportunities to thrive in East San Jose, Silicon Valley, and beyond.

All LCPA students are on a University of California (UC) A - G requirement aligned pathway and LCPA awards these students a diploma once they have completed all credit-bearing courses required for high school graduation by the State of California with 220 units required by LCPA for graduation on their route to post-secondary success. As is consistent with the mission and values of LCPA, the school seeks to ensure that students who attend LCPA are among the first within their families to graduate high school and seek a degree beyond high school. Such a focus is integral to the operation of LCPA, as the majority of students are set to become first-generation college students attaining the highest level of education in their families to date. LCPA believes that the high school years are crucial, formative years, and that the choices students make during these years will set them on a path for life with post-secondary success as a primary school site objective for sustained college/career success.

Population and Demographic Data

The primary demographic of students attending LCPA are Latino/Hispanic English Language Learner (ELL) students from the proximate aforementioned regions of East San Jose. LCPA reflects the general demographics of its local community where located, whereby approximately 99% of its students are Latino/Hispanic and 88% are or have been designated an English Learner during their educational career. In addition, nearly half of students come from single-parent families with 23% of them expected to provide childcare for their siblings or work on behalf of their families throughout the school week. Though the majority (71.4%) of them student body is on free or reduced lunch, and 93% of our families do not have an immediate family member to have graduated from college, LCPA has experienced success in leading student growth in the midst such challenges.

The number of students at Latino College Preparatory Academy (LCPA) has remained steady historically with a minimum enrollment of 410 students (twice achieved) and a maximum enrollment of 440 students aged between 13 years old and 19 years old. As of the 2020-2021 academic year, the enrolment is approximately 433 students with similar levels of representation from the same schools and neighborhoods historically served by LCPA under The Foundation for Hispanic Education (TFHE) schools. As a non-selective public school, LCPA is tuition-free and admits any student regardless of ethnic, socioeconomic or religious background. LCPA works in tandem with parents, community members, and the East Side Union High School District (ESUHSD) to realize the mission of the school. The only admission requirement for the school is the students' and parents' willingness to uphold the mission and vision of the LCPA. Consistent with the mission and focus of LCPA, the school site serves a student population that is predominantly belonging to the two following student groups: English Learner (EL) and Reclassified Fluent English Proficient (RFEP). This is evidenced with the year-by-year rate of student attendance with approximately 30% classified as EL and +60% classified as RFEP for an aggregated rate of 90%. In the most recent academic year, the figures at LCPA were 63.3% RFEP and 28.9% EL, respectively, for a total of 92.1%.

All enrollment figures are tallied and updated on a monthly basis by the LCPA Administration and TFHE Registrar's Office with measurement of attendance via Average Daily Attendance (ADA) in accordance with local and state practices. For students to remain effective and engaged in their educational experience, LCPA and TFHE partner to monitor progress to achieving high rates of school attendance and course participation. Information is broken down by grade level as well to guide and inform the retention objectives of the school site. This effort is performed in the interest of providing students with continuity in their educational experience and accurate counts for student cohorts, which translate into anticipated accommodations, class sizes, and the resulting learning environment.

Mission and Vision

LCPA's mission and values drive everything at the school site, from the academic program set to make graduates a bi-literate, college-educated individual to the process of exploring cultural identity and the tenets of community building. Each value exemplifies a quality necessary to excel in college, develop into a leader, and create positive change in their lives, in the community, and among the global society.

Central to the mission is the unwavering belief that all English Language Learner (ELL) students can succeed in the most competitive colleges/universities and professional environments across all sectors, when prepared with a rigorous, college-preparatory education that incorporates extended time for learning inside and outside the classroom, and a wide range of language-acquisition support with certificated staff members. It is now an axiom that an excellent college education, whether as a means to a four-year or two-year degree in a focused field, is necessary for expanded opportunities in an increasingly competitive and global 21st Century job market. LCPA believes that all English Language Learner (ELL) students must be prepared for higher education and equipped with skills and the choice to pursue it at the highest levels.

Key partners and collaborators instrumental in the success of and service to LCPA students include: Santa Clara County Office of Education, Alum Rock Counseling Center, the Santa Clara County Department of Public Health, Better 4 You Meals, Second Harvest Food Bank, The Health Trust, City National Bank, Jose Valdes Math Academy, and the California Interscholastic Federation.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020–2021)

Year and month in which the data were collected: 11/2020

The instructional materials that have been adopted at LCPA are aligned with State Standards (Common Core, Next generation, ELD, etc.) and have been selected as they provide resources that support our English Language Learners. Most recently, we have adopted the College Board's *Springboard* curriculum for English 9th-11th. In its Math Department, LCPA has adopted the *College Preparatory Mathematics* (CPM) curriculum and IXL and DESMOS supplemental materials, which aim to enhance conceptual understanding and promote mastery of math standards. For Science, we have adopted *Discovery Education California Aligned NGSS Science Techbook* for Biology, Chemistry, and Physics. Lastly, for Forensics, we have adopted *KENDALL HUNT Forensic Science for High School, 3rd Edition* and students also now have access to the Supplemental resource [Murder at Old Fields Forensics Science Lab online Activity](#). All courses offered are approved by the UC system for a-g eligibility.

School Facility Conditions and Planned Improvements

LCPA is situated at 14271 Story Road, San Jose, CA 95127, in a new, state of the art, 3-story, 67,000 square foot educational space containing 23 classrooms and 5 offices. The campus lease also includes an athletic field, auditorium, common areas, nutrition space, and parking. Technical support for technology and facilities oversight are provided by The Foundation for Hispanic Education. Nutrition services are provided by Better 4 You Meals.

Daily janitorial service is provided by on-site staff during the day and a third-party approved contractor for evening and weekend service. Maintenance of major systems, such as fire protection, emergency generator, landscaping, electrical systems, network equipment, emergency exit signage, elevator system, pest control, and HVAC, are provided by qualified vendors on a regular basis. Recent improvements include upgrades to our internet infrastructure, classroom cabling, flooring, and painting, while the auditorium/nutrition space is currently under full renovation for reopening in Fall 2021.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

LCPA students, parents, and staff are held to a high level of expectations. The expectation is that 100% of students will gain acceptance into at least a one higher education program after graduation – a two-year community college or a four-year university. Parents are offered the opportunity to be supportive by participating in their child's academic and non-academic/personal development endeavors. Most importantly, parents are empowered to participate and take a vital role in creating a college going culture as led by a partnership with their school site (LCPA). LCPA operates under the premise that the teachers, parents, and students must work together as partners to create the offerings for a quality education. Parents are a vital part of this partnership. LCPA involves parents as key stakeholders in the school. It is important to LCPA that parents feel part of the high school and college readiness process for their child. Parents participate in School Site Council (SSC), English Learner Advisory Committee (ELAC), Poder de Los Padres, Monthly Cafecito Meetings, monthly survey efforts, and are engaged weekly through a School Newsletter. Approximately 100 - 150 parents participate each month in at least one school site effort as overseen by the Principal. The meetings are focused on getting the parents involved in the student's education with parents at LCPA on campus frequently for continued oversight and rapport building.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2016– 2017	School 2017– 2018	School 2018– 2019	District 2016– 2017	District 2017– 2018	District 2018– 2019	State 2016– 2017	State 2017– 2018	State 2018– 2019
Dropout Rate	12.0	8.0	13.7	20.5	17.8	15.6	9.1	9.6	9.0
Graduation Rate	86.0	87.5	86.3	71.5	75.7	77.5	82.7	83.0	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017– 2018	School 2018– 2019	District 2017– 2018	District 2018– 2019	State 2017– 2018	State 2018– 2019
Suspensions	0.9	0.0	3.6	3.4	3.5	3.5
Expulsions	0.0	0.0	0.1	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019–2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019– 2020	District 2019– 2020	State 2019– 2020
Suspensions	0.3	3.0	2.6
Expulsions	0.0	0.1	0.1

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

LCPA has a detailed, comprehensive Safety Plan that outlines the protocol to be used, systems that must be in place, and procedures that must be followed in the event of an emergency. The school safety plan covers an array of different systems such as child abuse reporting procedures, policies pursuant to Education Code 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations, procedures to notify teachers and counselors of dangerous students, sexual harassment policy, safe ingress and egress to and from school, rules and procedures on school discipline in order to create a safe and orderly environment conducive to learning, dress code, routine and emergency disaster procedures including natural disasters, human-created disasters or power outages. Routine and emergency disaster procedures include but are not limited to; emergency and disaster preparedness plan, fire drills, lockdown drills, earthquake emergency procedure system, and safe transportation during emergencies. Ensuring that our community feels safe on our

campus is of the utmost priority for the Latino College Preparatory Academy. These safety plans have been outlined and thoroughly reviewed with teachers, staff, students, and parents throughout the year.

Professional Development

Measure	2018–2019	2019–2020	2020–2021
Number of school days dedicated to Staff Development and Continuous Improvement	9	9	9

In addition to the 9 full days on instruction, curriculum, assessment and evaluation, the focus of the school's Professional Development was selected due to student achievement data results in Math and English. The school has focused on Literacy across the content areas based on the student performance data and student population demographics. Student and the community were surveyed and Priority Areas for the classroom were identified that guide instructional practice. Inclusively, LCPA teachers implement the Growth Mindset and Gradual Release of Responsibility in lesson design.

Professional development is delivered five days prior to the beginning of school as a Foundation professional development work week, for all its charter schools. The focus is on the use of data to inform classroom instruction. Additionally, five full days of professional development are provided for LCPA teachers during the school year to participate in further Foundation implemented Professional Development. LCPA teachers have 3 hours weekly to collaborate as a school in professional learning teams focused on the assessment review of student work given student performance outcomes. Additional professional development is provided to the LCPA team after school hours in Growth Mindset and Gradual Release of Responsibility throughout the year, as well as in the summer as an introduction professional development for new teacher hires at LCPA.

All staff are also expected to take Mandatory Training Sessions as identified and administered by CharterSafe's SafeSchools with TFHE's Department of Human Resources tracking completion. Sessions include Mandated Reporter Training, Bloodborne Pathogen Training, Child Abuse Neglect Prevention, Sexual Harassment Prevention (Staff to Staff and Staff to Student), First Aid Training, FERPA Training, and other pressing compliance trainings. The implementation of professional development is supported by and for teachers through peer to peer instructional coaching, the use of student performance data as a review in teams, and in department focused working sessions.
