Dear Parents and Guardians:

Your participation in your child's education is important to us. Because of this, we have developed Parent Involvement policies for our schools. These policies explain how we plan to work with parents to review and improve programs and describe how you can participate in planning these programs.

Federal law requires us to distribute our Parent Involvement policy to parents and to inform you of your right to request information about the qualifications of teachers and paraprofessionals. Please review and acknowledge the documents provided by returning the form below to your school's main office, or by electronically acknowledging the documents through Genesis Parent Access. All notifications must be acknowledged by September 15th, so that we can be sure you received this important information.

We value your involvement and urge you to take the time to read the policy developed for your school. If you have any questions, feel free to call the school's Principal or Black Horse Pike Regional School District's Central Office at 856-227-4106, ext. 8014.

Sincerely,

Marcie Geyer

Director of Curriculum and Instruction
