

Board of Education Annual Goals

Expanded Learning Experiences

Deepen partnerships with regional organizations, businesses, and local leaders to provide all students with increased opportunities for work and service-based learning experiences.

Safe and Effective Learning Environments

Develop a comprehensive, long-term plan to address facility needs, ensuring that all buildings support safe, accessible, and modern learning environments.

Leveraging Artificial Intelligence for Future-Ready Learning

Explore and integrate the use of artificial intelligence (AI) to enhance teaching, learning, and operational efficiency. Promote professional development for staff, ensure ethical and equitable implementation, and prepare students with the skills needed to navigate and thrive in an AI-driven world.
